**Fashioning Spanish Cinema** Jorge Pérez, 2021-07-26 Costume design is a crucial but frequently overlooked aspect of film that fosters an appreciation of the diverse ways in which film and fashion enrich each other These influential industries offer representations of ideas values and beliefs that shape and construct cultural identities In *Fashioning Spanish Cinema* Jorge P rez analyses the use of clothing and fashion as costumes within Spanish cinema paying particular attention to the significance of those costumes in relation to the visual styles and the narratives of the films The author examines the links between costume analysis and other fields and theoretical frameworks such as fashion studies the history of dress celebrity studies and gender and feminist studies *Fashioning Spanish Cinema* looks at instances in which costumes are essential to shaping the public image of stars such as Conchita Montenegro Sara Montiel Victoria Abril and Pen lope Cruz Focusing on examples in which costumes have discursive autonomy it explores how costumes engage with broader issues of identity and relatedly how costumes impact everyday practices and fashion trends beyond cinema Drawing on case studies from multiple periods films by contemporary directors and genres and red carpet events such as the Oscars and Goya Awards *Fashioning Spanish Cinema* contributes a pivotal Spanish perspective to expanding interdisciplinary work on the intersections between film and fashion

*Playboy and the Making of the Good Life in Modern America* Elizabeth Fraterrigo, 2009-11-05 Launched by Hugh Hefner in 1953 *Playboy* promoted an image of the young affluent single male the man about town ensconced in a plush bachelor pad in constant pursuit of female companionship and a good time Spectacularly successful this high gloss portrait of glamorous living and sexual adventure would eventually draw some one million readers each month Exploring the world created in the pages of America s most widely read and influential men s magazine Elizabeth Fraterrigo sets *Playboy* s history in the context of a society in transition Sexual mores gender roles family life notions of consumption and national purpose all were in flux as Americans adjusted to the prosperity that followed World War II Initially *Playboy* promised only

entertainment for men but Fraterrigo reveals that its vision of abundance pleasure and individual freedom soon placed the magazine at the center of mainstream debates about sex and freedom politics and pleasure in postwar America She shows that for Hugh Hefner the good life meant the playboy life in which expensive goods and sexually available women were plentiful obligations were few and if one worked hard enough one could enjoy abundant leisure and consumption In support of this view Playboy attacked early marriage traditional gender arrangements and sanctions against premarital sex The magazine also promoted private consumption as a key to economic growth and national well being offering tips from The Playboy Advisor on everything from high end stereos and cuff links to caviar and wine If we want to understand post war America Fraterrigo shows we must pay close attention to Playboy its messages about pleasure and freedom the debates it inspired and the criticism it drew all of which has been bound up in the popular culture and consumer society that surround us

TASTE: Why You Like What You Like Arthur Asa Berger,2023-03-07 Taste is an enigmatic topic We recognize that taste plays an important role in our life in that everything we buy and many things we do are governed by our sense of taste But what exactly is taste How do we get our sense of taste and how does it affect our everyday lives Does it evolve as we grow older or is it a constant in our lives Is it affected by all the influencers to whom we are exposed as we watch TikTok and commercials or do influencers merely spark some kind of inner sense of taste that was with us all the time Is our taste based on our social and economic status or something else What role do income and cost have in determining what we choose to buy What role do the qualities of what we buy and the choices we make shape our decisions Is taste based on logical thinking about things we wish to do or buy upon emotions we have generated by things like identification status or cultural imperatives Taste always involves some element of choice because if there is no choice taste is irrelevant or moot But what are the determinants when we compare things to buy or get or do when we have choices to make This book takes its point of departure from the work of the French sociologist Pierre Bourdieu whose book *Distinction* is considered a classic work of sociological analysis The topics dealt with are shown in the table of contents below The book is distinctive in that it offers discussions of four methodologies theories used in discussing taste semiotics psychoanalytic theory sociological theory and Marxist theory and then applies these theories in the second part of the book to a variety of topics involving taste such as yogurt dogs the singer Celine Dion ocean cruises brands smartphones men s facial hair and so on Readers of the book will learn four methodologies they can use in analyzing taste and see how these methodologies were applied
