Man Behind The Camera:

The Man Behind the Curtain Melanie Rodgers, 2025-01-03 A royal by blood Amelia Royce's life is far from any fairy tale imaginable. For her entire life she has been taking the path of least resistance in her attempt to find that place of peace she calls home even if it means blindly following into all the wrong directions. But everything starts falling apart when her beloved brother Grant is killed. In the turmoil she meets Jack, the detective assigned to her brother's case. While not impressed with him at first, she slowly warms up to him and if she's not mistaken, chemistry is brewing between them. But she couldn't be any more wrong. Jack has a dark secret and with Amelia in his sights, he'll stop at nothing to keep it. Now while she seeks justice for her brother, she has to come to terms with the fact that she's never quite grown up from being the naive golden child with the flawed map. All the while Jack's erratic new direction relentlessly leads her down a path of destruction from which she may never return. Amelia is looking for home but the map she's been following has been wrong the entire time. How far away is peace? And will she find her one true path before it's too late? Will she unveil that man hiding behind the curtain or will he destroy her for daring to try.

Frozen Tears Alisha Khattar, 2020-06-27 Whenever one smiles and tells people that he or she is okay, they believe it. But then when that person tells them about how down and low they feel, people say that you are so happy and you're smiling, then how are you feeling that way? Well, one thing that people need to learn is that appearances can be deceiving. You don't want to believe someone based on how they seem currently. People need to learn how to be kind, soft-spoken, and learn to manage their ego since you don't know what the other person is going through. One unnecessary word from you can change their lives and might make someone end theirs. We don't tend to know the power held by our words. Even circumlocution can hurt someone. But some simple, kind words become soothing and miraculous for a person. Those words act like a rope when a person is drowning in the sea of darkness. It gives a new ray of hope. And that's what happened to the author of this *Frozen Tears*. This book describes the pain one goes through during the heart-breaking yet ethereal phase of one-sided love. The phase which gives rise to a new and fresh being which happens to everyone at least once in their lifetime. Happened with Alisha. Even though she knew that the feeling wouldn't be mutual, she suffered through that phase and it was even more breaking than she had expected. It was a sudden paroxysm of grieving emotions.
