## **Man Does Survive Death:**

*Does Man Survive Death?* Eileen Jeanette Lyttle Garrett, 1958      *He Descended into Hell* Elikana Asheri Lova, Elia Shabani Mligo, 2015-02-09 The Apostles Creed is one of the most prominent creeds in Christianity perhaps even the most recited creed by normal believers in church services However the creed holds a clause that seems controversial to Christian mission in some contexts especially African contexts The clause He descended into Hell is the main concern of this book In African context where ancestral cult is prominent in both people s worldview and practice this clause poses a tangible problem of religious syncretism The phrase suggests a life after immediate death that a person can continue to live in a certain realm soon after death Since the clause depicts Jesus descending into hell after death and burial and preaching to the other souls of the dead in hell it suggests the possibility of hearing a message of salvation after death a doctrine hardly held by Christianity The doctrine therefore becomes good news for those Africans who hold firm the ancestral cult and those whose relatives had died in sin on earth Therefore this book critically examines the origin and use of this doctrine in the church and its validity in an African context      Man Does Survive Death D. Scott Rogo, 1977-03      Human Personality and Its Survival of Bodily Death: 7. Phantasms of the dead Frederic William Henry Myers, 1903      *The Survival of Man* Sir Oliver Lodge, 1916      The Answer to Nearly Everything Peter Franklin, 2012-02 The only information we have on Atlantis is from a very ancient Egyptian account that describes it as bigger than all their neighbours combined Why is this fact ignored by most of the fanciful theories From Atlantis to our current scientific predictions the truth about so many things becomes clear and obvious only if all the facts are collected and examined yet many people just select those that agree with their thinking The resulting conflict between experience and belief truth and distortion or good and bad is only resolved when science philosophy and theology are harmonized and examined as aspects of one universal truth      **The Essential Works of Helena Blavatsky** Helena Blavatsky, 2023-12-08 In *The Essential Works of Helena Blavatsky* readers are ushered into the intricate tapestry of Theosophical thought where spirituality mysticism and esoteric philosophy converge This compilation showcases Blavatsky s defining texts written in a rich arcane style that challenges conventional understanding and invites deep contemplation By exploring themes of universal brotherhood the nature of the divine and the interconnectedness of all life Blavatsky positions her work within the broader context of 19th century spiritualism drawing connections to Eastern philosophies and Western occult traditions Her eloquent prose embodies both fervent passion and intellectual rigor likely appealing to those who seek to bridge the gap between science religion and ethics Helena Blavatsky a pivotal figure in the establishment of the Theosophical Society was profoundly influenced by her travels through Asia and her encounters with Eastern spiritual practices Her upbringing in a family of free thinkers and her fascination with various religious texts inspired her to seek deeper truths beyond the confines of established beliefs Blavatsky s works reflect her commitment to transcending dogma advocating for a synthesis of ancient wisdom and modern thought This anthology is highly

recommended for anyone interested in spirituality philosophy or the esoteric traditions that shaped contemporary spiritual movements Through this collection readers will not only encounter the profound insights of Blavatsky but will also gain a greater understanding of the cultural and intellectual milieu that informed her groundbreaking ideas **Clement of Rome, Or, Scenes from the Christianity of the First Century** Mrs. Joslin,1846 [The British Study Edition of the Urantia Papers Book \[A4 PDF\]](#) , *Our Hope* Anonymous,2023-09-27 Reprint of the original first published in 1874 *The Collected Works of H. **The Number of the Beast is the Number of Man**

Helena Petrovna Blavatsky, 2017-08-17 Apocalypsis is a Kabbalistic book par excellence far older than Christianity The author of Apocalypsis is no other than Oannes the Chaldean Dagon or Man Fish who rose every day from the Persian Gulf and taught wisdom to men As the sun sunk below the horizon he retired into the sea passing the night in the deep for he was amphibious i e he lived on two planes the spiritual and the physical The Gnostic Oannes John and the Hindu Vishnu are one and the same personifications of Microcosm the Inner Man The numerical value of words known as Isopsephism is a branch of the ancient sacerdotal language Words or phrases that share the same numerical value also share the same spiritual significance Isopsephism was taught in the Lesser Mysteries but the language itself was reserved for high initiates alone When good and evil come to an equilibrium in the scales of human actions 666 million men will have Supreme Wisdom incarnated in them The Christian application of the compound name Jesus Christ is based on Gnostic and Eastern Mysticism St John's Apocalypsis has been written in the mystery language of the ancient Tanna m a relic of Egyptian and Chaldean Wisdom The Tanna m were Initiates from whom the wisdom of the Kabbalah was obtained by the later Talmudists Number 6 was the symbol of our globe ready to be animated by divine spirit Figure 6 stands for the Earth in autumn and winter figure 7 the Central Informing Force in spring and summer The ancients divided our globe into 60 degrees which multiplied by 60 became 3 600 the Great Year Hence also the hour with its 60 minutes of 60 seconds each Number 6 has now completed the Earth a globe with a cross over it Number 7 is the festival day of the Earth and birthday of our world It represents the seven principles throughout Kosmos Nature and Man The Monad has to pass through its mineral vegetable and animal forms before the Light of Logos is awakened in animal man Till then the animal form cannot be referred to as a thinking man but has to be regarded as a Monad imprisoned in ever changing forms 666 is the isopsephic value of the mind in animal man devoid of any noetic element 666 stands for the physical man of the late Third Lemurian to early Fourth Atlantean Root Races This is the very beast of the Revelation and Plutarch's Eight Race man The isopsephic value of Plato's word for the Lower Mind is also 666 suggesting that the Higher Mind is dormant A hint for Masons learn to multiply 333 and you may strike 666 instead Cosmogogenesis and Anthropogenesis numerically and geometrically expressed The One attracts within itself the Divine Unity

each other they form the Procrustean bed of torture where Prometheus is crucified While 7 is the feminine number of pristine purity 9 is the number of the phallic or male energy But the Jews made of number 7 a feminine number of generation thus introducing the phallic element into religion 777 is the isopsephic value of the Cross and symbol of the Kosmic Man Radiating from a Pyramid of Heavenly Stars 777 enlightens the inferior worlds The mundane cross is the oldest phallic symbol of the dual generative power not the instrument of the alleged crucifixion Jesus was crucified by his own Church not by Scripture Christos is the Man God of Plato who crucifies himself for an eternity in the darkness of matter in order to redeem the Spirit of Truth from the clutches of untruth and self deceit The Fathers have falsified Jesus last words and made him a victim of his own success The paronomastic terms Chr stos and Christos are linked astrologically a double pun Scorpio is Chr stos in humiliation Leo Christos in triumph Christos is the eternal real Individuality or universal Altruism whereas Jesus Chr stos is the mortal man who by crucifying the man of flesh and his passions on the Procrustean bed of torture is reborn Immortal and leaves the animal man behind him tied on the Cross of Initiation like an empty chrysalis Then his Higher Soul becomes as free as a butterfly Christos is the God in Space and Man s Saviour on Earth What is the meaning of Moses beseeching the Lord to show him his glory A grotesque verse from Exodus interpreted esoterically Why Moses and Jehovah are in numerical harmony Because the number of Moses is that of I am That I am i e 345 The number of Jehovah is 543 the reverse of 345 Number 8 symbolises the regular Kosmic breathing overseen by eight gods Number 8 also symbolises the equality of units order and symmetry in heaven transformed into inequality and confusion on earth by man s intense selfishness and rebellion against Nature s decrees If number 6 was the symbol of our globe ready to be animated by a divine spirit number 9 is the symbol of our globe informed by an evil spirit 888 is the Gnostic and Kabbalistic number of Jesus and also the tripartite division of a solar day When the back parts of Moses and his face are added up we have 888 which is the Gnostic Kabbalistic name of Jesus The main purpose of this system of number checks was to preserve in perpetuity the exact value of the Lunar Year in the natural measure of days The Semites seem to have had no higher purpose in life than that of procreating their species Jewish Deity is proved to be at best only the manifested duad never the One Absolute ALL The Jews had no aspirations towards the Ideal
