Man In The Sycamore Tree The Good Times And Hard Life Of Thomas Merton

Donald Grayston

Man In The Sycamore Tree The Good Times And Hard Life Of Thomas Merton:

The Man in the Sycamore Tree ,1972 Thomas Merton and James Laughlin Thomas Merton, James Laughlin, 1997 Cloistered in a remote Kentucky monastery Thomas Merton struggled as a young man to reconcile his preferred contemplative life and his public passion for writing Here is the remarkable development of Thomas Merton monk poet and social critic as documented in nearly 30 years of correspondence with his mentor and publisher James Laughlin in the Sycamore Tree Edward Rice.1979 The Man in the Sycamore Tree Edward Rice, 1972 Photographs and narrative record the thought life work and spiritual growth of the extraordinary Trappist monk Thomas Merton and the Noonday Demon Donald Grayston, 2015-05-19 How did Thomas Merton become Thomas Merton Starting out from any one of his earlier major life moments wealthy orphan boy big man on campus fervent Roman Catholic convert new and obedient monk we find ourselves asking how by his life s end he had grown from who he was then into a transcultural and transreligious spiritual teacher read by millions This book takes another such starting point his attempt in the mid 1950s to move from his abbey of Gethsemani in Kentucky a place that had become in his view noisy beyond bearing to an Italian monastery Camaldoli which he idealized as a place of monastic peace The ultimate irony Camaldoli at that time bucolic and peaceful outwardly was inwardly riven by a pre Vatican II culture war whereas Gethsemani which he tried so hard to leave became when he was given his hermitage there in 1965 his place to recover Eden In walking with Merton on this journey and reading the letters he wrote and received at the time we find ourselves asking as he did with so much energy and honesty the deep questions that we may well need to answer in our own lives Thomas Merton Meets the Unspeakable Jerome Donovan, 2018-05-01 Born in 1915 in France to artists an American mother with Ouaker roots from New York and a New Zealand born father Thomas Merton would become one of the twentieth century s most influential spiritual leaders Baptized as a Catholic at age twenty six he joined a Trappist monastery near Louisville a year later From that point on his spiritual side exploded into a tsunami of directions Eastern Orthodoxy Judaism Islam Taoism Buddhism Hinduism and more At age thirty three he became a best selling author beginning with his autobiography The Seven Storey Mountain He corresponded with Nobel Prize laureates and other literary and political luminaries His public opposition to the Vietnam War assured his worldwide celebrity In late 1968 at the peak of his popularity Merton died in Thailand after addressing a conference of Western Christian monks and nurses stationed in Asia For decades it was thought that wet from a shower he was electrocuted by a faulty standing fan But for a growing number of his admirers there were dark suspicions that he might well have been assassinated by those who feared his antiwar message In 2013 the author and his wife Sharon retraced Merton s last days in Thailand This book tells what they learned Thomas Merton—Evil and Why We Suffer David E. Orberson, 2018-06-18 Thomas Merton is one of the most important spiritual voices of the last century He has never been more relevant as new generations look to him for guidance in addressing some of life s biggest guestions how can we find

God how should we engage with other faiths and how can we oppose violence and injustice Looking carefully one can find tucked away in Merton's prodigious writings his response to another timeless question Why do we suffer Why does an all powerful and all loving God permit evil and suffering By carefully examining all of Merton s work we find that he repeatedly confronted this question throughout most of his adult life Intriguingly Merton's approach to this question changed dramatically a few years before he died in 1968 An examination of all aspects of his life yields evidence that Merton s immersion in Zen during this time contributed most to that change The Letters of Robert Giroux and Thomas Merton Patrick Samway S.J., 2015-08-27 From the time they first met as undergraduates at Columbia College in New York City in the mid 1930s the noted editor Robert Giroux 1914 2008 and the Trappist monk and writer Thomas Merton 1915 1968 became friends The Letters of Robert Giroux and Thomas Merton capture their personal and professional relationship extending from the time of the publication of Merton s 1948 best selling spiritual autobiography The Seven Storey Mountain until a few months before Merton's untimely death in December 1968 As editor in chief at Harcourt Brace Company and then at Farrar Straus Giroux Giroux not only edited twenty six of Merton s books but served as an adviser to Merton as he dealt with unexpected problems with his religious superiors at the Abbey of Our Lady of Gethsemani in Kentucky as well as those in France and Italy These letters arranged chronologically offer invaluable insights into the publishing process that brought some of Merton's most important writings to his readers Patrick Samway S J had unparalleled access not only to the materials assembled here but to Giroux s unpublished talks about Merton which he uses to his advantage especially in his beautifully crafted introduction that interweaves the stories of both men with a chronicle of their personal and collaborative relationship The result is a rich and rewarding volume which shows how Giroux helped Merton to become one of the greatest spiritual writers of the twentieth century Thomas Merton, the Monk of Civil Rights Edward Vinski, 2022-11-15 Thomas Merton has been the subject of a number of books in the years since his death His spiritual autobiography The Seven Storey Mountain was a best seller at the time of its publication and continues to be purchased and read at a steady pace In addition books of his meditations poems reflections essays letters and journals have also been produced While Merton wrote extensively on racial justice and while these writings have been collected in certain volumes there are few if any books devoted to summarizing analysing and applying his ideas to current racial tensions in the United States This book reviews some of his most important experiences and writings on race and social justice and uses Merton as a model for easing present day tensions The Solitary Explorer Elena Malits, 2014-09-17 The Solitary Explorer responsibly and critically explores Thomas Merton's lifelong spiritual development as reflected in his religious and secular writings and delineates the meaning of his life and work for contemporary readers It provides an interpretive chronology of Merton's writings and unravels the intertwining threads of self realization and widening intellectual interests evidenced in the material he produced between his early autobiography and the controversial work of his later years Elena Malits shows Merton as writer as monk

as social critic as seeker of wisdom in the East as man of prayer and as one continually on a journey into the unknown Merton always held that the quest for God is a continuing one The Solitary Explorer traces the progress of this quest in Merton's life and literary works to reveal a multifaceted spiritual guide who offers an approach to the divine at once reassuringly traditional and refreshingly contemporary Wisdom of Our Elders Karen E. Simms Tolson,2024-05-23 A collection of essays that reflect explore and expand on wisdom and sustainable truth each chapter in Wisdom of Our Elders focuses on an aspect of a wisdom tradition with an application for modern knowledge The chapters are based on relevant and relatable lessons and concepts using experiences poetry scripture and sacred text The content represents a mosaic of several cultural and religious experiences wisdom traditions and many vibrant voices Living with Wisdom Forest, Jim,2018-02-22 This pictorial biography of Thomas Merton revised now for the fortieth anniversary of his death tells the story of the extraordinary Trappist monk whose writings including his classic autobiography The Seven Storey Mountain have exerted a profound influence on millions Beginning with Merton's early life and conversion his entry into the Abbey of Gethsemani and his fame as an author Forest explores his increasing search for solitude his emergence as a prophetic voice of peace and social justice and the dialogue with other religions that continued until his sudden death in 1968 Book Jacket

Heretic Blood Michael W. Higgins, 2016-10-31 Thirty years after his death we are finally catching up to Thomas Merton as one of the greatest spiritual figures of the twentieth century. The genius and spirituality of this unusual man could not be contained in his life as a monk but spilled over richly into his life and work as a poet critic rebel sage and even artist and photographer Merton was aware that he had heretic blood within him and it soon became apparent to the world The balding French English intellectual living as a Trappist monk at Our Lady of Gethsemani Abbey in Kentucky took a vow of silence yet corresponded with and befriended such luminaries as Joan Baez Jacques Maritain John Howard Griffin Martin Luther King Jr Erich Fromm and Boris Pasternak His famous autobiography The Seven Storey Mountain captured the imagination of a generation selling more than six hundred thousand copies in its first year Merton also took a vow of obedience yet feuded constantly with his second abbot As a monk he promised to remain celibate yet he found himself passionately in love with a nurse he met while in hospital in Louisville Kentucky And at the end of his life Merton a monk within the western Roman Catholic tradition was moving closer and closer to Eastern spirituality This brilliant new book is the first to use recently released diary entries and correspondence by Merton and includes new insights about the recently published diary of his episode of the heart Higgins compares Merton with William Blake the monk s intellectual and spiritual hero and comes to startling conclusions about the emotional and intellectual passions that drove Thomas Merton a man and thinker for all **Superabundantly Alive** Susan McCaslin, J.S Porter, 2018-10-19 Superabundantly Alive Thomas Merton's Dance seasons with the Feminine is a unique unified multi genre work that includes dialogue imaginary letters poems and reflective essays by two established Canadian poets Taking cues from Merton himself Susan and John establish a playful jazzy dialogic tone

superabundantly alive This book invites participation for those who already know Merton s work and for those who are meeting this whole and broken prophetic whimsical paradoxical prophet and visionary for the first time Robert Lax once described Merton's poetry and the man himself as superabundantly alive McCaslin and Porter prove the truth of this description in their enchanting account of the writer mystic who now comes into his second century of stature and significance in the words of Boris Pasternak a live and burning to the end Thomas Merton Paul R Dekar, 2012-04-26 Thomas Merton was arguably the twentieth century s most widely published and widely read spiritual writer This book explores Merton's prophetic writings and experience as they offer guidance for those seeking to experience God to simplify their lives to live more humanly and to shape Christian community in the face of alienation consumerism noise and technology The book includes parts of three previously unpublished conference contributions by Merton on technology Exploring Merton's thoughts on monastic renewal prayer radical simplicity ecology technology war peace and interfaith dialogue Dekar reminds us why Merton was so influential and why he continues to be so **Christian Conversion** Walter E. Conn, 2006-07-01 Walter Conn has provided us with something we have needed for a long time a scholarly study of Christian conversion that draws synthetically from present day psychology philosophy and theology and uses these insights to analyze actual Christian religious experience And in doing that Conn has produced what is probably the best treatment to date of foundational moral theology To follow Conn through the pages of this volume is to become acquainted with most of today s important reflection on human moral and personal development But one emerges with much more than relevant information about what is being said Conn s own view of conversion goes beyond the thinkers from whom he draws and provides a basic challenge to and enrichment of our understanding of faith and morality Bernard Cooke Holy Cross College Walter E Conn is Professor of Theology and Religious Studies at Villanova University He is also the editor of Horizons journal of the College Theology Society The Best Spiritual Writing 2013 Philip Zaleski, 2012-09-25 A new volume of the critically acclaimed spiritual writing series with an introduction by bestselling author Stephen Prothero Boasting an impressive selection of personal essays articles and poems by today s leading luminaries The Best Spiritual Writing 2013 captures our nation's spiritual pulse and offers readers an opportunity to explore the most nourishing writings on spirituality published in the past year As in previous editions Philip Zaleski draws from a wide range of journals and magazines to build an anthology of stimulating works by some of the nation s most esteemed writers such as Adam Gopnik Edward Hirsch and Melissa Range The result is a book ideal for gift giving that will appeal to religious thinkers atheists and people of all faiths and beliefs **A Way to God** Matthew Fox, 2016-04-01 This unique reflection was prompted by an invitation Matthew Fox received to speak on the centennial of Thomas Merton s birth Fox says that much of the trouble he s gotten into such as being excommunicated in 1993 from the Dominican Order by Cardinal Ratzinger who later became Pope Benedict was because of Thomas Merton who sent Fox to Paris to complete a doctoral program in philosophy Fox found that Merton s

journals poetry and religious writings revealed a deeply ecumenical philosophy and a contemplative life experience similar to that of Meister Eckhart the fourteenth century mystic theologian who inspired Fox s own creation spirituality It is little surprise to find Fox and Merton to be kindred spirits but the intersections Fox finds with Eckhart are intellectually profound spiritually enlightening and delightfully engaging On Thomas Merton Mary Gordon, 2020-01-07 From the best selling novelist and memoirist a deeply personal view of her discovery of the celebrated modern monk and thinker through his writings If Thomas Merton had been a writer and not a monk we would never have heard of him If Thomas Merton had been a monk and not a writer we would never have heard of him So begins acclaimed author Mary Gordon in this probing candid exploration of the man who became the face and voice of mid twentieth century American Catholicism Approaching Merton writer to writer Gordon illuminates his life and work through his letters journals autobiography and fiction Pope Francis has celebrated Merton as a man of dialogue and here Gordon shows that the dialogue was as much internal as external an unending conversation and at times a heated conflict between Merton the monk and Merton the writer Rich with excerpts from Merton's own writing On Thomas Merton produces an intimate portrait of a man who lived life in all its imperfectability reaching toward it in exaltation pulling back in anguish but insisting on the primacy of his praise as a man of God How to Do Nothing Jenny Odell, 2020-12-29 A New York Times Bestseller NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Time The New Yorker NPR GQ Elle Vulture Fortune Boing Boing The Irish Times The New York Public Library The Brooklyn Public Library A complex smart and ambitious book that at first reads like a self help manual then blossoms into a wide ranging political manifesto Jonah Engel Bromwich The New York Times Book Review One of President Barack Obama s Favorite Books of 2019 Porchlight's Personal Development Human Behavior Book of the Year In a world where addictive technology is designed to buy and sell our attention and our value is determined by our 24 7 data productivity it can seem impossible to escape But in this inspiring field guide to dropping out of the attention economy artist and critic Jenny Odell shows us how we can still win back our lives Odell sees our attention as the most precious and overdrawn resource we have And we must actively and continuously choose how we use it We might not spend it on things that capitalism has deemed important but once we can start paying a new kind of attention she writes we can undertake bolder forms of political action reimagine humankind s role in the environment and arrive at more meaningful understandings of happiness and progress Far from the simple anti technology screed or the back to nature meditation we read so often How to do Nothing is an action plan for thinking outside of capitalist narratives of efficiency and techno determinism Provocative timely and utterly persuasive this book will change how you see your place in our world
