Man Alive A Primer Of Mens Issues:

Man Alive Fredric Eldon Rabinowitz, Sam Victor Cochran, 1994 This book provides an introduction to what has become known as men's issues and the problems and conflicts encountered by men in America. It aims to help readers become aware of some of the unspoken rules that govern men's lives and helps them change the aspects of their masculine identity that might be destructive to their own mental, physical, and spiritual health. The Irritable Male Syndrome Jed

Diamond, 2004-09-29 A guide to dealing with hormone-related mood swings in men describes the triggers and warning signs of Irritable Male Syndrome, the ways it can affect those suffering from it, and the best ways for men and their families to work through it. 30,000 first printing. **Breaking Barriers in Counseling Men** Aaron B. Rochlen, Fredric E.

Rabinowitz, 2013-11-07 Breaking Barriers in Counseling Men is a unique collection of personal and engaging contributions from nationally recognized scholars and clinicians with expertise in treating men. The editors have selected men's clinicians who address areas as diverse as sexual dysfunction, male bonding, over sports, father-son relationships, and counseling men in the military. Featuring a mix of clinical tips, personal anecdotes, and theoretical reframing, this book takes clinicians invested in these issues to the next level, breaking down barriers to connecting with men and getting them the help that is so often needed.

Career Counseling Norman C. Gysbers, Mary J. Heppner, Joseph A. Johnston, 2014-11-04 This book establishes a new standard. The focus on holism, diversity, and strengths sets a fresh direction for the field that will inspire today's counselors. Distinct from other texts both in terms of style and ease of use, Career Counseling provides a practical model that connects theory, practice, and resources in hopeful and affirming ways while offering readers new skills and insights. Rich Feller, PhD, University Distinguished Teaching Scholar, Colorado State University, Past President, National Career Development Association. Gysbers, Heppner, and Johnston have continued their excellent contributions to the field with this 4th edition. Their approach is highly practical for counselors in helping diverse clients prepare for and manage the changing workplace and economy. I enthusiastically recommend this book as a must-have resource for counseling professionals and as a textbook for graduate counseling programs. Kenneth F. Hughey, PhD, Kansas State University. We invite all students, professionals, and researchers to read this volume to enrich their practice, research, and the values by which they should be inspired to persist in being active agents of change in the world. Laura Nota, PhD, and the Larios Vocational Psychology Team, University of Padova, Italy. The latest edition of this bestseller will help both counselors in training and experienced clinicians update and expand their existing knowledge and skills in career counseling with clients of all ages and circumstances. Significant attention is placed on expanding the career options and empowering the life choices of women, men, racial and ethnic minorities, gay, lesbian, bisexual, and transgender clients, clients from diverse socioeconomic backgrounds, and individuals with disabilities. Additional topics discussed include traditional and postmodern career theories and approaches, forming a productive alliance with the client, effective use of assessment inventories and instruments, helping clients respond to

changes in the workplace and family life working with resistant clients developing client action plans and bringing closure to the counseling process A new chapter titled Using Social Media in Career Counseling rounds out this exceptional book Requests for digital versions from ACA can be found on www.wiley.com To purchase print copies please visit the ACA website Reproduction requests for material from books published by ACA should be directed to publications@counseling.org
