## **Man From Skibbereen:**

**The Man from Skibbereen** Louis L'Amour, 2004-04-27 Crispin Mayo was a reckless young brawler who'd left his tiny fishing village for the vast American frontier. Headed west to join a railroad construction crew, he came upon an isolated station and a mystery. The shack was abandoned but fresh blood spattered the floor and the telegraph was clicking away unattended. When Mayo stepped inside and put a hand on the telegraph key, he had no way of knowing the course of his life would change forever and that he would become entangled with a band of Civil War veterans with a score to settle against the government and a feisty young woman who'd risk anything to save the people she loved. Crispin Mayo, who had never backed away from a fight in his life, was about to have his courage put to the ultimate test. [The Man from Skibbereen](#) Louis L'Amour, 2005 Crispin Mayo comes to America from County Cork to lay track but finds himself at a remote railroad station on the plains under attack by a band of cutthroats. **Man from skibbereen** Angelique L'Amour, *Dublin Dead* Gerard O'Donovan, 2014-08-02 Irish detective Mike Mulcahy returns in this deeply satisfying Kirkus Reviews follow up to the highly acclaimed international bestseller *The Priest* and now he's hot on the trail of an international drugs gang. Irish detective Mike Mulcahy returns in this suspenseful follow up to the highly acclaimed international bestseller *The Priest* and now he's hot on the trail of an international drugs gang. DI Mike Mulcahy is exactly where he wants to be coordinating international intelligence for Ireland's National Drugs Unit. But with the economy in meltdown and his department facing tough cutbacks, his dream job is in jeopardy. Then Mulcahy spots a possible link between the murder of a Dublin gangster in Spain and a massive shipment of cocaine abandoned off the south coast of Ireland. Could this be the break he's been praying for? Meanwhile reporter Siobhan Fallon is still recovering from her ordeal at the hands of a sadistic killer. Work is her only refuge and while she's an emotional basket case, her nose for a story is as sharp as ever. When a suicide turns out to have a bizarre missing persons angle, she's convinced there is something darker to it. But with a vital piece of evidence beyond her grasp, she has to turn to Mulcahy for help. Mulcahy and Fallon have no idea what deadly ground they're setting out on together or that their journey will lead them on a twisted trail of terror to the rocky shores and windswept hills of West Cork and a blood-drenched showdown with a remorseless killer. [A Mother's Debt](#) Talent Chioma Mundy-Castle, 2012 This is a true story from deepest Africa. In 1954 a healthy baby girl is born in unusual circumstances and her mother dies never regaining consciousness. Neither is able to make even the briefest eye contact with the other despite having been as one for nine months. The little girl's father, distraught at his wife's death, cannot bear to take his daughter home and she is left in the care of the hospital authorities. She is technically an orphan and officially becomes one when her father dies 5 years later. During this 5 year period the father remarries and makes amends by taking the young girl home and bonding with her and in this brief period they grow to love each other. However the stepmother feels no affinity towards her and a fractious relationship between the two females descends into real hate. This is exacerbated by the fact that in Nigeria the girl is considered to be a

witch and worse the murderer of her mother She must work for anyone but belongs to no one and is fed accommodated and educated only on the whim of numerous relatives aunties uncles and the grandfathers whom she loves the most But when the grandfathers die she is cast into the abyss of African custom and predatory males and while developing great beauty builds incredible tactics and defences to enable her to survive against the odds Ironically she is saved by a brutal war when at the tender age of 13 she becomes a child soldier spy and an active service heroine to her comrades who reward this by discharging her after wrongly accusing her of being a saboteur turncoat following her capture and torture by the enemy This war so detrimental to most of the population of Biafra finally shapes her future and surviving where a million have died she goes on to struggle through many more adversities complicated by a web of pagan beliefs superstition Christianity and the vestiges of colonialism to find temporary security on many occasions but inevitably returning to the seemingly unequal contest Five well balanced and variously successful children will testify that their place in the world was fashioned by the dedication love and sense of purpose of this extraordinary woman But it doesn't end there
