The Man in the High Castle Philip K. Dick, 2011 Slavery is back America 1962 Having lost a war America finds itself under Nazi Germany and Japan occupation A few Jews still live under assumed names The I Ching is prevalent in San Francisco Science fiction meets serious ideas in this take on a possible alternate history **The Man in the High Castle** Philip K. Dick, 2001 First published in 1962 this title imagines the world as if the Allies had lost the Second World War the African continent virtually wiped out the Mediterranean drained to make farmland and the United States divided between the Japanese and the Nazis The Man in the High Castle and Philosophy Bruce Krajewski, Joshua Heter, 2017-08-04 The Man in the High Castle is an Amazon TV show based on the Philip K Dick novel about an alternate present beginning in the 1960s in which Germany and Japan won World War II with the former Western US occupied by Japan the former Eastern US occupied by Nazi Germany and a small neutral zone between them A theme of the story is that in this alternative world there is eager speculation fueled by the illicit newsreel The Grasshopper Lies Heavy about how the world would have been different if America had won the war In The Man in the High Castle and Philosophy twenty two professional thinkers look at philosophical issues raised by this ongoing enterprise in alternative history One question is whether it really made a profound difference that the Allies won the war and exactly what differences in everyday life we may expect to arise from an apparent historical turning point Could it be that some dramatic historical events have only superficial consequences while some unnoticed occurrences lead to catastrophic results Another topic is the quest for truth in a world of government misinformation and how dissenting organizations can make headway *Planet Auschwitz* Brian E. Rosenfeld, Janet Ward, 2023-09-14 Has fascism arrived in America In this pioneering book Gavriel D Rosenfeld and Janet Ward have gathered experts to survey the history of fascism in the United States Although the US established a staunch anti fascist reputation by defeating the Axis powers in World War II the unsettling truth is that fascist ideas have long been present within American society Since the election of Donald Trump as President in 2016 scholars have debated whether Trumpism should be seen as an outgrowth of American conservatism or of a darker and potentially fascist tradition Fascism in America contributes to this debate by examining the activities of interwar right wing groups like the Silver Shirts the KKK and the America First movement as well as the post war rise of Black antifascism and white vigilantism the representation of American Nazis in popular culture and policy options for combating right wing extremism The Man in the High Castle: Creating the Alt World Mike Avila, 2019-11-26 Discover the alt worlds of The Man in the High Castle in this exclusive collection of art Packed with concept art final designs and artist

Philip K Dick Christopher Palmer,2003-03-01 Once the sole possession of fans and buffs the SF author Philip K Dick is now finding a much wider audience as the success of the films Blade Runner and Minority Report shows The kind of world he predicted in his funny and frightening novels and stories is coming closer to most of us shifting realities unstable relations uncertain moralities Philip K Dick Exhilaration and Terror of the Postmodern examines a wide range of Dick s work including his short stories and posthumously published realist novels Christopher Palmer analyses the puzzling and dazzling effects of Dick s fiction and argues that at its heart is a clash between exhilarating possibilities of transformation and a frightening lack of ethical certainties Dick s work is seen as the inscription of his own historical predicament the clash between humanism and postmodernism being played out in the complex forms of the fiction The problem is never resolved but Dick s ways of imagining it become steadily more ingenious and challenging
