Man In A New Society:

Men and Development ,2011-07-07 A wide ranging volume featuring contributions from some of today s leading thinkers and practitioners in the field of men masculinities and development Together contributors challenge the neglect of the structural dimensions of patriarchal power relations in current development policy and practice and the failure to adequately engage with the effects of inequitable sex and gender orders on both men s and women s lives The book calls for renewed engagement in efforts to challenge and change stereotypes of men to dismantle the structural barriers to gender equality and to mobilize men to build new alliances with women s movements and other movements for social and gender justice

Praxis Mihailo Marković,Gajo Petrović,1979-09-30 This volume of the Boston Studies is a distillation of one of the most creative and important movements in contemporary social theory The articles represent the work of the so called Praxis group in Yugoslavia a heterogeneous movement of philosophers sociologists political theorists historians and cultural critics united by a common approach that of social theory as a critical and scientific enterprise closely linked to questions of contemporary practical life As the introductory essay explains in its history and analysis of the development of this group the name Praxis focuses on the heart of Marx s social theory the conception of human beings as creative productive makers and shapers of their own history The journal Praxis which appeared regularly in Yugoslavia at Zagreb and also in an International Edition for many years is the source of many of these articles The journal had to suspend publication in 1975 because of political pressures in Yugoslavia Eight members of the group were dismissed from their University posts in Belgrade after a long struggle in which their colleagues stood by them staunchly Yet the creativity and productivity of the group continues by those in Belgrade and elsewhere Its contributions to the social sciences and to the very conception of social science as critical and applied theory remain vivid timely and innovative The importance of the theoretical work of the Praxis group is perhaps at its height now

Literacy Paulo Freire,Donaldo Macedo,2005-10-05 Freire and Macedo analyse the connection between literacy and politics according to whether it produces existing social relations or introduces a new set of cultural practices that promote democratic and emancipatory change

Of Boys and Men Richard V. Reeves,2022-11-27 The Book that Sparked a National Conversation A Barack Obama 2024 Summer Reading Selection An Economist Best Book of 2022 A New Yorker Best Book of 2022 Boys and men are struggling Profound economic and social changes of recent decades have many losing ground in the classroom the workplace and in the family While the lives of women have changed the lives of many men have remained the same or even worsened In this widely praised book Richard Reeves father of three sons a journalist and now the president of the American Institute for Boys and Men tackles the complex and urgent crisis of boyhood and manhood He argues that our attitudes our institutions and our laws have failed to keep up Conservative and progressive politicians mired in their own ideological warfare fail to provide thoughtful solutions Reeves looks at the structural challenges that face boys and men and offers fresh and innovative solutions that turn the page on the corrosive narrative that plagues this issue Of Boys and Men argues that helping the other half of society does not mean giving up on the ideal of gender equality

Male Rape is a Feminist Issue C. Cohen,2014-02-13 This book seeks to problematize knowledge and practices regarding male rape and its relationship to feminism examining this issue from a Foucauldian perspective Feminist constructions of male rape can plausibly be claimed to operate as a regime of truth but one must question whether this is running counter to patriarchy

Modern Corporation and American Political Thought Scott Bowman,2010-11-01 *Christianity and Amusements* Richard Henry Edwards,1915 *USSR.* ,1963 **The Revolution of Hope** Erich Fromm,2023-02-28 The acclaimed social psychologist and New York Times bestselling author examines how to maintain hope and humanity in an increasingly technological society Life often contains events that do not have the outcomes we desire However many situations offer the possibility of a better outcome later We simply need hope But what is hope What happens if we choose it And what happens if we give it up In The Revolution of Hope Erich Fromm contemplates the definition of hope and what it means to be human

When the book was first published in 1968 Fromm saw society heading towards complete mechanization devoted to maximal material output and consumption directed by computers With this book he poses to the reader the choice between becoming a helpless cog in the machine or embracing humanism and hope An uplifting exploration of the definition of hope what it truly means to be human and steps that should be taken to promote humanization in an increasingly disconnected and technology driven society Midwest Book Review
