The Case for

Lilith Mark Biggs,2009-12-29 The legend of Lilith is undoubtedly the most fantastic of all ancient rabbinic myths According to lore God created her from dust alongside Adam However Lilith was a failed mate She was not animated by the breath of God like Adam Rather she was preemptively animated by a Satanic mist which erupted from the ground Lilith rebelled against Adam and became the infamous Serpent who deceived Eve and caused Adam to fall Therefore God established eternal enmity between the Serpent Lilith and Eve and between their seed Lilith s seed would bruise the heel of Eve s promised seed Messiah but Eve s seed would revive to crush Lilith s head This book reveals 23 Biblical evidences that prompted ancient rabbis to conclude the various elements of Lilith s legend It also explains how her legend is completely consistent with traditional Judaic Christian teachings on the Bible s redemptive message Her legend solves many ancient Biblical mysteries such as why the Serpent bears seed like Eve *The Congregationalist and Christian World* ,1904

The Fallen Angel Man Augustus M Brown II, 2021-02-15 People are suffering here in America and abroad Global warming mass conflicts increased domestic and foreign murders governmental corruptions starving nations global wars coupled with global warming the consciousness of the men attempting to turn into women and the consciousness of the woman falling from her place to be as a man all of these are threats against our survival of tomorrow Wars are now fought with computerized drones overseas Drugs gangs killings police shooting coupled with political protection are ravishing the land of equal rights under the symbol of the eagle These are biblical signs of the realities of the problems and conditions that should tell us all something is very wrong The major questions are can the human race avoid self destruction And if so does our salvation rest in relying on a higher power to insure future generations have a world that's worth living in under the laws of man For too long we the human family have collectively functioned like lost children but some as prodigal sons even as fallen angels However our earthly existence isn't random coincidences for it is not all of these conditions of the man that's upon this earth are a one chance to learn and understand what it is to live in equality under the original orders and commandments of God the creator and those of Jesus Christ the savior of all men Personally I believe that God is humanity's best hope for survival The book's title *The Fallen Angel Man* Egairram Not Marriage essentially refers to mankind's disconnect from his creator Within its pages you see vivid examples of among other things our moral decadences and I'd dare say that only a willingly blind person would fail to see the consequences all around us from a severed spiritual bond So whether you believe in divine solutions or you prefer a more common sense approach to fixing society's problems in playing eternal death roulette feel free to criticize these books Even disagree with some of the subject material as presented These

books explain the fallen consciousness of the man and that of those of the billions of rebellious and fallen angels that turned against the perfect laws and orders of God But don t be surprised to find the pages inside stroking your curiosity to read on into these six volumes A M Brown II Man and the Sea Philip Banbury,1975
