Winning Marriage Marc Solomon, 2015-09-08 In this updated paperback edition of *Winning Marriage* Marc Solomon a veteran leader in the movement for marriage equality gives the reader a seat at the strategy setting and decision making table in the campaign to win and protect the freedom to marry With depth and grace he reveals the inner workings of the advocacy movement that has championed and protected advances won in legislative court and electoral battles over the years since the landmark Massachusetts ruling guaranteeing marriage for same sex couples for the first time The paperback edition includes a new afterword on the historic 2015 Supreme Court ruling on marriage that includes practical lessons from the marriage campaign that are applicable to other social movements From the gritty clashes in the state legislatures of Massachusetts and New York to the devastating loss at the ballot box in California in 2008 and subsequent ballot wins in 2012 to the joys of securing President Obama's support and achieving ultimate victory in the Supreme Court Marc Solomon has been at the center of one of the great civil and human rights movements of our time *Winning Marriage* recounts the struggle with some of the world's most powerful forces the Catholic hierarchy the religious right and cynical ultraconservative political operatives and the movement's eventual triumph *Married?! Excerpts from foundational work recent journal articles and pieces written for this text about the role of communication in the construction and performance of sexualities in interpersonal contexts and public discourses The So Called Same-Sex Marriage, Sweet But The Most Horrific Enemy Hea Sook Son, 2015-10-09 Chief Justices argued that same sex marriage had nothing to do with the Constitution Four Justices including Chief Justice clearly opposed it It is very shocking and disgraceful in US history that the so called same sex marriage was legalized nationwide It is frightening that the court's decision under Obama's administration did very cruel things to good Americans who have good morality and honesty as what they believe to be true according to their religious beliefs The bakers were forced to give up their Christian belief being forced to make cake for gay wedding Clearly this was in violation of their moral conscience and religious belief They forced admirable Americans to involve themselves in what they feel is the twisted and the immoral We were terrified and shocked how things like this could happen in America the land of freedom and democracy not of dictatorship or communism We had never imagined it before Something terribly wrong is going on in America Something horrible is going on intentionally or unintentionally among the American people and Christians The freedom of good Americans is being crushed It will ultimately diminish and demolish the Americans sometime in the future weakening America bit by bit every day Certainly I think that Americans all of us love our nation America We all care about the future fate of America I ask Do you know the consequence of the so called same sex marriage Do you know what will happen in your nation when you and many Americans are in same sex marriage Do you see the future of America America is in a big Crisis Same sex marriage is sweet but the most horrific enemy to America

examples of how contemporary forces of neoliberalism reshape the structural oppressions compelling poor women from marginalized communities worldwide into making compromised choices about their bodies their labor and their lives

The Future of Marriage David Blankenhorn,2007-11-01 The idea of this book began in a conversation David Blankenhorn had with the president of Freedom to Marry a group advocating equal marriage rights for same sex couples This man asked Blankenhorn a leading figure in the marriage movement to endorse his group s objectives Feeling a bit defensive Blankenhorn replied Every child deserves a mother and a father The Future of Marriage is the result of that conversation In their current demands Blankenhorn points out gay and lesbian leaders are not asking for marriage with an adjective in front of it but marriage itself So in that sense what marriage is and why it matters is ultimately what this debate is all about What exactly is this institution to which gay and lesbian activists are seeking access Why do we have it in the first place Where did it come from What is it for How is it changing These are some of the hard questions The Future of Marriage confronts David Blankenhorn says that if same sex marriage debate is to be redemptive rather than merely divisive it must accept the principle that all persons are equal in dignity But it must also help us to rediscover and renew marriage as the main protector of our children and our primary social institution
