JL Elias

On The Grand Trunk Road A Journey Into South Asia:

On the Grand Trunk Road Steve Coll, 2009-03-31 From the Pulitzer Prize winning and bestselling author of *Ghost Wars* and *The Achilles Trap* a trek across a socially and politically damaged South Asia Bestselling author Steve Coll is one of the preeminent journalists of the twenty first century His last two books the Pulitzer Prize winning *Ghost Wars* and New York Times bestseller *The Bin Ladens* have been praised for their creative insight and complex yet compelling narratives and have put him on par with journalists such as the legendary Bob Woodward Now for the first time ever the paperback edition of *On the Grand Trunk Road* is finally available revised and updated with new material Focusing on Coll's journeys in conflict ridden India Pakistan Bangladesh Sri Lanka Nepal and Afghanistan as a bureau chief for The Washington Post *On the Grand Trunk Road* reveals a little seen area of the world where violence corruption and greed have had devastating effects on South Asians from all walks of life *On the Grand Trunk Road*, 2009 Steve Coll's trek across South Asia *On the Grand Trunk Road* Steve Coll, 2009-03-31 From the Pulitzer Prize winning and bestselling author of *Ghost Wars* and *The Achilles Trap* a trek across a socially and politically damaged South Asia Bestselling author Steve Coll is one of the preeminent journalists of the twenty first century His last two books the Pulitzer Prize winning *Ghost Wars* and New York Times bestseller *The Bin Ladens* have been praised for their creative insight and complex yet compelling narratives and have put him on par with journalists such as the legendary Bob Woodward Now for the first time ever the paperback edition of *On the Grand Trunk Road* is finally available revised and updated with new material Focusing on Coll's journeys in conflict ridden India Pakistan Bangladesh Sri Lanka Nepal and Afghanistan as a bureau chief for The Washington Post *On the Grand Trunk Road* reveals a little seen area of the world where violence corruption and greed have had devastating effects on South Asians from all walks of life *Rethinking the National Security of Pakistan* Ahmad Faruqui, 2019-06-14 This title was first published in 2002 Policy makers in South Asia the Middle East and the Asian Pacific decision makers in the OECD countries organizations and specialists in academe will all find this publication indispensable It presents an integrated model of national security that emphasizes military and non military determinants In the light of this model it analyzes Pakistan's defence policies over the last half century and proposes a radical reform of Pakistan's military organization In addition to offering a comprehensive look at national security this book provides coherent interrelated analysis of the key issues such as political leadership social and economic development and foreign policy **Hunting Potters in South Asia** Jane Gibson, 2022-01-28 Jane Gibson an established potter was determined to document the lives skills and work of the traditional potters of South Asia before their disappearance **Travelers' Tales India** James O'Reilly, Larry Habegger, 2009-11-01 India is among the most difficult and most rewarding of places to travel Some have said India stands for I'll Never Do It Again Many more are drawn back time after time because India is the best show on earth the best bazaar of human experiences that can be visited in a lifetime India dissolves ideas about what it means to be alive and its people give new meaning to compassion perseverance ingenuity and

friendship India monsoon and marigold dung and dust colors and corpses smoke and ash snow and endless myth is a cruel unrelenting place of ineffable sweetness Much like life itself Journey to the Kumbh Mela in Allahabad the world's biggest party with David Yeadon and take A Bath for Fifteen Million People greet the monsoon with Alexancer Frater where the Indian and Pacific Oceans meet track the endangered Indian One Horned Rhinoceros through the jungles of Assam with Larry Habegger encounter the anguish of the caste system with Steve Coll discover the eternal power of the monument of love the Taj Mahal with Jonah Blank and much more

Electoral Politics in Sri Lanka S. Keethaponcalan, 2022-07-21 This volume examines and analyses electoral politics in Sri Lanka through the theoretical framework of manipulation The following questions guided the study how do political actors manipulate elections and what are the salient features of electoral politics in Sri Lanka Primary and secondary data formed the basis of the analysis examining eight presidential elections The research findings indicated that Sri Lankan governments political parties and political leaders have taken advantage of six types of electoral manipulation including constitutional tinkering field fixing time fixing vote suppression process manipulation and resource manipulation Through a close examination of eight presidential elections research carried out for the volume found that elections are often associated with violence presidential elections are mainly a majoritarian affair in which minority communities play only a marginal role there is a significant gender imbalance as women's participation in the electoral process is very limited despite the presence of a large number of candidates contesting the election it always remains a two way race and amid extensive manipulation and other problems voter participation tends to be high This volume will be a valuable resource for students academics and researchers who focus on democracy good governance electoral studies and South Asian politics and history and will enhance the conceptual foundation of democracy advocates and activists

Conflict Unending Sumit Ganguly, 2002-04-01 The escalating tensions between India and Pakistan have received renewed attention of late Since their genesis in 1947 the nations of India and Pakistan have been locked in a seemingly endless spiral of hostility over the disputed territory of Kashmir Ganguly asserts that the two nations remain mired in conflict due to inherent features of their nationalist agendas Indian nationalist leadership chose to hold on to this Muslim majority state to prove that minorities could thrive in a plural secular polity Pakistani nationalists argued with equal force that they could not part with Kashmir as part of the homeland created for the Muslims of South Asia Ganguly authoritatively analyzes why hostility persists even after the dissipation of the pristine ideological visions of the two states and discusses their dual path to overt acquisition of nuclear weapons as well as the current prospects for war and peace in the region

The Blood Telegram Gary J. Bass, 2013-09-24 A riveting history the first full account of the involvement of Richard Nixon and Henry Kissinger in the 1971 atrocities in Bangladesh that led to war between India and Pakistan shaped the fate of Asia and left in their wake a host of major strategic consequences for the world today Giving an astonishing inside view of how the White House really works in a crisis The Blood Telegram is an unprecedented chronicle of a pivotal but little known

chapter of the Cold War Gary J Bass shows how Nixon and Kissinger supported Pakistan's military dictatorship as it brutally quashed the results of a historic free election The Pakistani army launched a crackdown on what was then East Pakistan today an independent Bangladesh killing hundreds of thousands of people and sending ten million refugees fleeing to India one of the worst humanitarian crises of the twentieth century Nixon and Kissinger unswayed by detailed warnings of genocide from American diplomats witnessing the bloodshed stood behind Pakistan's military rulers Driven not just by Cold War realpolitik but by a bitter personal dislike of India and its leader Indira Gandhi Nixon and Kissinger actively helped the Pakistani government even as it careened toward a devastating war against India They silenced American officials who dared to speak up secretly encouraged China to mass troops on the Indian border and illegally supplied weapons to the Pakistani military an overlooked scandal that presages Watergate Drawing on previously unheard White House tapes recently declassified documents and extensive interviews with White House staffers and Indian military leaders *The Blood Telegram* tells this thrilling shadowy story in full Bringing us into the drama of a crisis exploding into war Bass follows reporters consuls and guerrilla warriors on the ground from the desperate refugee camps to the most secretive conversations in the Oval Office Bass makes clear how the United States embrace of the military dictatorship in Islamabad would mold Asia's destiny for decades and confronts for the first time Nixon and Kissinger's hidden role in a tragedy that was far bloodier than Bosnia This is a revelatory compulsively readable work of politics personalities military confrontation and Cold War brinksmanship

The Non-Western World Pradyumna P. Karan, 2004-12-30 Through a cross cultural and multi disciplinary approach this introductory textbook focuses on critical issues of development environment and cultural conflicts facing most area of the non Western world Areas covered include China Japan Southeast Asia the Indian subcontinent the Middle East and sub Saharan Africa

Ghost Wars Steve Coll, 2005-03-03 The news breaking book that has sent shockwaves through the White House *Ghost Wars* is the most accurate and revealing account yet of the CIA's secret involvement in al Qaeda's evolution Prize winning journalist Steve Coll has spent years reporting from the Middle East accessed previously classified government files and interviewed senior US officials and foreign spymasters Here he gives the full inside story of the CIA's covert funding of an Islamic jihad against Soviet forces in Afghanistan explores how this sowed the seeds of bin Laden's rise traces how he built his global network and brings to life the dramatic battles within the US government over national security Above all he lays bare American intelligence's continual failure to grasp the rising threat of terrorism in the years leading to 9/11 and its devastating consequences

India Fritz Blackwell, 2004-06-10 An all encompassing and engrossing look at India a land as diverse as its religions and as vibrant as its vast population With a population second only to China's and the birthplace of Hinduism and Buddhism it is hard to dispute India's central role in both the history of Asian culture and in the defining position it enjoys today Although India has grabbed media attention for its armed conflict with Pakistan it is a nation perhaps more notable for its internal diversity and challenges than for a single external conflict *India A Global Studies*

Handbook unites the geography history culture notable people and events into a wide ranging yet concise work that brings this fascinating land to the page Of interest to academic and general audiences this volume presents an uncomplicated look at the varied bustling nation of India From geography that includes the Himalayas to a cultural fabric built upon the often criticized caste system India remains a land of mystery and intrigue Faith, Gender, and Activism in the Punjab Conflict Mallika Kaur,2020-01-14 Punjab was the arena of one of the first major armed conflicts of post colonial India During its deadliest decade as many as 250 000 people were killed This book makes an urgent intervention in the history of the conflict which to date has been characterized by a fixation on sensational violence or ignored altogether Mallika Kaur unearths the stories of three people who found themselves at the center of Punjab s human rights movement Baljit Kaur who armed herself with a video camera to record essential evidence of the conflict Justice Ajit Singh Bains who became a beloved people s judge and Inderjit Singh Jaijee who returned to Punjab to document abuses even as other elites were fleeing Together they are credited with saving countless lives Braiding oral histories personal snapshots and primary documents recovered from at risk archives Kaur shows that when entire conflicts are marginalized we miss essential stories stories of faith feminist action and the power of citizen activists Al Qa'ida in 2010 United States. Congress. House. Committee on Armed Services,2010

Afghanistan Policy at the Crossroads United States. Congress. House. Committee on Foreign Affairs,2009 **India, Pakistan, and Democracy** Philip Oldenburg,2010-09-13 The question of why some countries have democratic regimes and others do not is a significant issue in comparative politics This book looks at India and Pakistan two countries with clearly contrasting political regime histories and presents an argument on why India is a democracy and Pakistan is not Focusing on the specificities and the nuances of each state system the author examines in detail the balance of authority and power between popular or elected politicians and the state apparatus through substantial historical analysis India and Pakistan are both large multi religious and multi lingual countries sharing a geographic and historical space that in 1947 when they became independent from British rule gave them a virtually indistinguishable level of both extreme poverty and inequality All of those factors militate against democracy according to most theories and in Pakistan democracy did indeed fail very quickly after Independence It has only been restored as a facade for military bureaucratic rule for brief periods since then In comparison after almost thirty years of democracy India had a brush with authoritarian rule in the 1975 76 Emergency and some analysts were perversely reassured that the India exception had been erased But instead after a momentous election in 1977 democracy has become stronger over the last thirty years Providing a comparative analysis of the political systems of India and Pakistan as well as a historical overview of the two countries this textbook constitutes essential reading for students of South Asian History and Politics It is a useful and balanced introduction to the politics of India and Pakistan

Education about Asia ,2008 The Geopolitics of South Asia: From Early Empires to the Nuclear Age Graham Chapman,2018-10-22 Anyone who is planning on carrying out research in South Asia or indeed anyone who simply wishes to

understand more about this cultural heartland should read this book It shows how geological movements moulded the land of this unique cradle and how they still impact on it Discussions are woven around the three major forces of integration These are identitive forces bonds of language ethnicity religion or ideology utilitarian forces bonds of common material interest and coercion the institutional use or threat of physical violence By studying these forces Professor Chapman shows how the organization of territory has been central to the region s historic cultural linguistic and economic development In addition to the material on the Northwest frontier Afghanistan and Kashmir which was added for the second edition the Northeastern borderlands are also now examined in this fully revised third edition The current geopolitical state of the region is completely updated and greatly enhanced

The Geopolitics of South Asia Graham P. Chapman, 2016-03-09 Anyone who is planning on carrying out research in South Asia or indeed anyone who simply wishes to understand more about this cultural heartland should read this book It shows how geological movements moulded the land of this unique cradle and how they still impact on it Discussions are woven around the three major forces of integration These are identitive forces bonds of language ethnicity religion or ideology utilitarian forces bonds of common material interest and coercion the institutional use or threat of physical violence By studying these forces Professor Chapman shows how the organization of territory has been central to the region s historic cultural linguistic and economic development In addition to the material on the Northwest frontier Afghanistan and Kashmir which was added for the second edition the Northeastern borderlands are also now examined in this fully revised third edition The current geopolitical state of the region is completely updated and greatly enhanced

Contesting the Nation David Ludden, 1996-04 Animated by a sense of urgency that was heightened by the massive violence following the destruction of the Babri mosque in Ayodhya on December 6 1992 Contesting the Nation explores Hindu majoritarian politics over the last century and its dramatic reformulation during the decline of the Congress Party in the 1980s
