Arguing with Anthropology Karen Margaret Sykes, 2005 With the famous question of the gift at its core this distinctive textbook teaches us how to think write and argue about anthropology Offering working practices and projected situations and dilemmas this book is an excellent resource for

The Ethnological Imagination Fuyuki Kurasawa, 2004 Fuyuki Kurasawa unearths what he terms the ethnological imagination a substantial countercurrent of thought that interprets and contests Western modernity's existing social order through comparison and contrast to a non Western other Kurasawa traces and critiques the writings of some of the key architects of this way of thinking Jean Jacques Rousseau Karl Marx Max Weber Emile Durkheim Claude Levi Strauss and Michel Foucault In the work of these thinkers Kurasawa finds little justification for two of the most prevalent claims about social theory the wholesale postmodern dismissal of the social

theoretical enterprise because of its supposedly intractable ethnocentrism and imperialism or on the other hand the traditionalist and historicist revival of a canon stripped of its intercultural foundations Kurasawa's book defends a cultural perspective that eschews both the false universalism of end of history scenarios and the radical particularism embodied in the vision of the clash of civilizations It contends that the ethnological imagination can invigorate critical social theory by informing its response to an increasingly multicultural world a response that calls for a reconsideration of the identity and boundaries of the West

On Durkheim's Elementary Forms of Religious Life N.J. Allen, W.S.F. Pickering, W. Watts Miller, 2012-10-12 This is the first collection of essays to be published on Durkheim's masterpiece *The Elementary Forms of Religious Life* It represents the work of the most important international Durkheim scholars from the fields of anthropology philosophy and sociology The essays focus on key topics including the method Durkheim adopted in his study the role of ritual and belief in society the nature of contemporary religion The contributors also explore cutting edge debates about the notion of the soul and collective rituals

Visions of the Social Jean Terrier, 2011-06-22 An essentially contested notion society is viewed by some as the most important level of human reality while others deny its existence outright Taking the example of France between the Enlightenment and the Second World War this book recounts the debates among thinkers and scholars on the nature of the social By way of an original analysis of the work of many key figures in the history of French thought the author convincingly demonstrates the strength of the connection between social theories and political projects He pays particular attention to conceptual and terminological developments thereby shedding a new light on the history of some core concepts of the human sciences such as society culture and civilisation
