Railway Art:

The Railway Ian G. Kennedy, Julian Treuherz, 2008 Through vivid illustrations and engaging texts this title captures both the fear and excitement of early train travel as it probes the artistic response to steam locomotion within its social setting

Emotions of Railway Art The Guild of Railway Artists, 2011-11-15 Emotions are the driving force when an artist puts brush to canvas This is the fifth fine art book by the Guild of Railway Artists since being formed just over 30 years ago but one with a difference Earlier titles adhered to a specific theme but this time the artists have been given the freedom to choose their own railway scene They were simply asked to paint pictures of subjects that have inspired them personally This is unusual for many of the artists concerned as more often than not they work to strict commissions This is a unique selection of paintings by Britain's top railway artists

Railroads, Art, and American Life J. Craig Thorpe, 2023-02-28 Explore the past present and future of rail travel through 30 years of one artist's work Once a common part of the American landscape trains are increasingly fading from public view Though photographs can accurately convey the details of what where and when sometimes paintings can better convey the deeper truths of an era Collecting more than thirty years of paintings and renderings *Railroads Art and American Life* tells the story of rail transportation in America through the life and works of artist J Craig Thorpe Commissioned by companies such as Amtrak and General Electric Thorpe's work can be found featured on items ranging from catalogs to calendars postcards to posters His artwork depicts not only the golden age of train travel but considers the present and looks forward to a potential future Featuring more than 130 color illustrations and combining history biography ethics and humor Thorpe's personal story joins with his paintings to invite the reader to relive the heyday of American rail and better understand the role of railroads in our society today
