obscuring the divide between rape and what was once just sex Just Sex combines an overview of the existing literature with an analysis of recent research to examine the psychological and cultural implications of this new epidemic The result is the conclusion that feminist theory on sexual victimisation has gone both too far and not far enough The reader is presented with a challenging and original perspective on the issues of rape sex and the body incorporating subjects including rape as a social problem the social constructionism of sex subjectivity and the body heterosexuality under the microscope This book succeeds in making a valuable contribution to feminist and social constructionist work on rape that will be of interest to those studying psychology gender studies cultural studies and sociology Just Sex The Cultural Scaffolding of Rape was selected as a 2005 winner of AWP s Association for Women in Psychology distinguished publication award *Black and Postcolonial Feminisms in New Times* Heidi Mirza,Cynthia Joseph,2013-10-18 This book is a compelling collection of essays on the intersection of race gender and class in education written by leading black and postcolonial feminists of colour from Asia Africa and the Caribbean living in Britain America Canada and Australia It addresses controversial issues such as racism in the media exclusion in higher education and critical multiculturalism in schools Introducing new debates on transglobal female identity and cultures of resistance the book asks How does black and postcolonial feminisms illuminate race and gender identity in new global times How are race gender and class inequalities reproduced and resisted in educational sites How do women of colour experience race and gender differences in schools and universities This book is a must for political and social commentators academic researchers and student audiences interested in new feminist visions for new global times This book was published as a special issue of Race Ethnicity and Education **The Routledge Handbook of Qualitative Criminology** Heith Copes,J. Mitchell Miller,2015-03-02 Despite illustrious origins dating to the 1920s qualitative crime research has long been overshadowed by quantitative inquiry After decades of limited use there has been a notable resurgence in crime ethnography naturalistic inquiry and related forms of fieldwork addressing crime and related social control efforts The Routledge Handbook of Qualitative Criminology signals this momentum as the first major reference work dedicated to crime ethnography and related fieldwork orientations Synthesizing the foremost topics and issues in qualitative criminology into a single definitive work the Handbook provides a first look reference source for scholars and students alike The collection features twenty original chapters on leading qualitative crime research strategies the complexities of collecting and analyzing qualitative data and the ethical propriety of researching active criminals and incarcerated offenders Contributions from both established luminaries and talented emerging scholars highlight the traditions and emerging trends in qualitative criminology through authoritative overviews and lived experience examples Comprehensive and current The Routledge Handbook of Qualitative Criminology promises to be a sound reference source for academics students and practitioners as ethnography and fieldwork realize continued growth throughout the 21st Century *Coercion and Trust* Saradamoyee Chatterjee,Jill Jameson,2024-06-17 The first volume in the Lucy Cavendish College Lecture Series Coercion and

Trust provides a unique multi disciplinary dialogue on the complex links between coercion and trust from perspectives in the social sciences medicine and literature combining high quality academic research with professional recommendations Part I analyses adolescent adult relationships in youth fiction alongside research on the sexual coercion of women and the link between animal and domestic violence Part II investigates blind trust and coercion in social media grooming challenges and solutions to coercion by misinformation Part III investigates coercion and trust in migration detention deportation kidnapping in violent political campaigns and sentencing in rehabilitation The book makes a significant original contribution to multi disciplinary research professional practice and advanced development with theoretical and empirical chapters linking theory practice and training This book will be of interest to academic researchers professional practitioners and postgraduate students in research and training in multiple fields across the social sciences humanities and medicine for whom there is no comparable book available worldwide Family Violence and Police Response Marijke Malsch,Wilma Smeenk,2017-07-05

Police response to incidents of intimate partner violence can be critical This volume investigates the elements in the institutional legal and organizational context that are relevant for police response to incidents in the realm of the private sphere and whether there exists a relation with the reporting of such incidents by victims Addressing this complex question requires insights from research policy and practice and as such any conclusions will have implications for each of these fields This volume addresses issues that are key elements in the relationship between the legal response to family violence and the reporting by victims These issues concern societal and legal definitions of family violence employed in research policy making and legal practice how the legislation of various countries covers violence in the private sphere the way the police deal with reported incidents of intimate partner violence and the role that other interventions play in the response to and combat of family violence and intimate partner violence Research Handbook on Society and Mental Health Marta

Elliott,2022-12-13 This engaging Research Handbook offers a comprehensive overview of research on social factors and mental health examining how important it is to consider the social context in which mental health issues arise and are dealt with in the mental health care system It illustrates how social factors affect the interactive process of psychiatric diagnosis and how society responds to people who are labelled as mentally ill **Unfolding the 'Comfort Women' Debates** Maki Kimura,2016-01-26 This study offers a fresh perspective on the comfort women debates It argues that the system can be understood as the mechanism of the intersectional oppression of gender race class and colonialism while illuminating the importance of testimonies of victim survivors as the site where women recover and gain their voices and agencies

**Victimology** William G. Doerner,Steven P. Lab,2014-02-06 Victimology Seventh Edition introduces students to the criminal justice system in the United States and its impact on crime victims Authors William Doerner and Steven Lab provide a fresh look at the theoretical basis of victimology and then present the key facets of crime and its effects They examine financial and social costs both to the individual and to the larger community This new edition uses the theoretical foundation

of victimology to establish a clear conceptual framework and reduce repetition Emerging trends in the field receive greater emphasis in this edition including non adversarial resolutions that offer remediation for crime victims Crimes like intimate partner violence and victimization in work or school environments continue to take a toll and the authors examine efforts to prevent these crimes as well as responses after an incident occurs Doerner and Lab challenge students to rethink the current response to crime victims and to develop improved approaches to this costly social issue Online supplements are available for both professors and students A new chapter on explaining victimization provides context and a backdrop for examining emerging trends A new chapter on hate crimes delves into the complexities faced by victims as they negotiate the reporting process The text is supplemented by learning tools including chapter by chapter learning objectives key terms illustrative figures and tables and call outs to related Internet sites

*Handbook on Sexual Violence* Jennifer Brown, Sandra Walklate, 2011-10-19 This book contextualizes the complexity of sexual violence within its broader context from war to the resolution of interpersonal disputes and covers a wide span including sexual harassment bullying rape and murder as well as domestic violence Written by leading academics from a variety of disciplines contributions also include commentaries that relate the research to the work of practitioners Despite advances made in the investigation of sexual offences evidence still points to a continued belief in the culpability of victims in their own victimization and a gap between the estimated incidence of sexual violence and the conviction of perpetrators Adopting an implicitly and explicitly critical stance to contemporary policy responses that continue to fail in addressing this problem this book focuses on attitudes and behaviour towards sexual violence from the point of view of the individual experiencing the violence perpetrator and victim and situates them within a broader societal frame It is through an understanding of social processes and psychological mechanisms that underpin sexual violence that violence can be combated and harm reduced and at this individual level that evidence based interventions can be designed to change policy and practice The Handbook is split into four sections Legacies Setting the Scene offers a critical overview of historical legal and cultural processes which help to explain the origins of current thinking and offer steers for future developments Theories and Concepts examines contemporary thinking on sexual violence and reviews explanatory frameworks from a number of perspectives Acts of Sexual Violence reviews a number of specific types of sexual violence elaborating the range of circumstances victims and perpetrators with a view to addressing the general and pervasive nature of such violence thus contradicting narrow cultural stereotyping Responding to Sexual Violence overviews and evaluates current policies and practices and offers new ideas to develop different types of interventions The editors conclusion not only draws out the key themes and ideas from contributions to the Handbook but also considers the nature of and the extent to which any progress has been made in understanding and responding to sexual violence This will be a key text for students and academics studying sexual violence and an essential reference tool for professionals working in the field including police officers probation staff lawyers and judges

*Ethics in Social Research* Kevin Love, 2012-08-17 Ethics in

Social Research      **The Dark Side of Courtship** Sally A. Lloyd, Beth C. Emery, 2000 Blending qualitative interviews with current research findings this timely book explores the dark side of courtship the negative interactions that take place between dating and courting partners most notably physical aggression and sexual exploitation It emphasizes the importance of understanding how power dynamics verbal aggression interaction patterns issues of control and relationship dynamics are integrally tied to physical and sexual aggression The authors also examine the contextual factors that encourage the use of physical and sexual aggression in romantic relationships and allow them to continue without necessarily bringing about the demise of the relationship These contextual factors include patriarchal structures the power of romance and patterns of gender socialization Personal anecdotes from interviews conducted by the authors are interwoven with the interpersonal and contextual framework as well as the extant literature on physical and sexual aggression during courtship It is unique in its emphasis on interpersonal dynamics as the vast majority of the literature on courtship aggression has focused on the role of personality and other intra individual factors      *The SAGE Handbook of Qualitative Research* Norman K. Denzin (ed), Yvonna S. Lincoln, 2005 A thoroughly revised updated edition this volume includes new chapters on auto ethnography critical race theory queer theory testimonies      *Violent Crime in North America* Louis A. Knafl, 2003-12-30 This the nineteenth volume of Criminal Justice History features seven original essays on the history of violent crimes and punishments in North America in the nineteenth and twentieth centuries including a major bibliography on capital punishment and the death penalty in the United States The volume also contains a long book review essay on eleven books dealing with aspects of global terrorism and reviews of eleven individual major works on the history and ideology of crime and criminal justice that have appeared from the end of the 1990s The introduction outlines the issues and themes that are contained in the essays and reviews As in the earlier volumes in this series a comprehensive index identifies all subjects names and places in the volume      *New Sociologies of Sex Work* Kate Hardy, Sarah Kingston, 2016-05-06 Sex work studies have seen an expansion in publications over the past decade drawing together disciplines from across the social sciences namely sociology criminology and social policy There has however been a tendency for research and writing to focus on the more obvious aspect of the sex industry the visible elements of female street prostitution and those features which attract media attention such as the criminalised aspects of the sex trade The sex industry is diverse in terms of its organisation presentation participants and how it is located in the broader context of globalisation and regulation there is a need for publications which demonstrate this breadth This book makes an outstanding contribution to the sociology of sex work through advancing theoretical policy methodological and empirical ideas as each chapter pushes the boundaries of a specific area by offering new and critical research as well as commentary      Sex without Consent Merrill D. Smith, 2002-02-01 A group of men rape an intoxicated fifteen year old girl to make a woman of her An immigrant woman is raped after accepting a ride from a stranger A young mother is accosted after a neighbor escorts her home In another case a college frat party is the scene of the crime Although these incidents appear

similar to accounts one can read in the newspapers almost any day in the United States only the last one occurred in this century Each however involved a woman or girl compelled to have sex against her will Sex without Consent explores the experience prosecution and meaning of rape in American history from the time of the early contact between Europeans and Native Americans to the present By exploring what rape meant in particular times and places in American history from interracial encounters due to colonization and slavery to rape on contemporary college campuses the contributors add to our understanding of crime and punishment as well as to gender relations gender roles and sexual politics
