Resolving Traumatic Memories Metaphors And Symbols In Psychotherapy:

Resolving Traumatic Memories David J. Grove, B. I. Panzer, 1991 Resolving Traumatic Memories David J. Grove, B. I. Panzer, 1989 **Metaphors, Trauma and Symptoms** Amy Qiu, 2024-07-22 This book investigates how victims of a large scale traumatic event converge and diverge in metaphor use in describing their traumatic experiences By combining qualitative and quantitative methods the book identifies patterns that are shared by this group of trauma victims By juxtaposing linguistic data with psychometric data it also explores how metaphor use can vary with the speakers psychopathological symptoms While metaphorical language has been a rare focus in clinical contexts this book establishes metaphor use as a previously overlooked yet rewarding avenue for studying mental health communication **The Work and Life of David Grove** Carol Wilson, 2017-11-28 The book is a record of the work I did with psychologist David Grove during the years leading up to his death in 2008 **Solution Focused Practice Around the World** Kirsten Dierolf, Debbie Hogan, Svea van der Hoorn, Sukanya Wignaraja, 2020-05-10 Solution Focused Practice Around the World provides an exploration of the diverse uses of SF and offers fascinating insights into how the Solution Focused approach is currently used in many applications around the globe Bringing together prominent authors practitioners and trainers the collection is divided into five sections theory therapeutic applications working with children and adolescents coaching and working with organisations Originating from the first international conference on Solution Focused practice spanning all applications of the approach the chapters provide a grounding in the theory and practice and an exploration of the breadth and depth of Solution Focused therapy All practitioners of the Solution Focused approach globally as well as those working in the wider fields of therapy social work education coaching and human resources will benefit from this text and the applicability of the inherent theories to their area of expertise **Scientific Gestalt** Ray Edwards, 2012-08-15 Goldstein Koffka Khler Lewin and Wertheimer were scientists who at the turn of the 20th century founded the gestalt approach in psychology Fritz Perls 1944 recognized the potential of the gestalt approach in psychotherapy and founded what is now the widespread system of gestalt therapy Perls understanding of gestalt theory was broadened by Zinker with recognition of stages of development of each gestalt so that what is now termed the Cleveland cycle of experience was recognized Ray Edwards has proposed two innovations First it is shown that completion and grounding of the gestalt cycle of events facilitates re energization of depressed people Second attention to Gendlins felt senses aided by use of David Groves clean subset of language facilitates freeing post trauma patients from the effect of recurrent nightmares and or flash backs The relevant felt senses are termed proto figures and are usually phenomena like butterflies in the stomach lumps in the stomach or throat and or clouds are hanging over me This present book sets these innovations in full historical context and reveals the gestalt system to be scientific in character Malcolm Parlett Ph D First Editor of the British Gestalt Journal commented on an earlier version of this book This is a thought provoking read a quirky and vividly argued alternative version of gestalt therapy that challenges most

of the assumptions of contemporary Gestalt psychotherapy and will send many a reader flying to a computer to type a rebuttal But Ray Edwards book is definitely worth a look at not least for its acerbic criticisms and references to our past traditions I recommend the self published manuscript by an impressive maverick octagenarian gestalt thinker with strong opinions complete with its copious spelling errors and other forgivable self indulgences **Innovations in NLP** L Michael Hall,Shelle Rose Charvet,2011-11-16 This long awaited book brings together some of the most recent innovations and applications of the traditional NLP model Each chapter describes a new model or application and contains step by step instructions or a case study on how and when to apply it For NLP Practitioners it provides an outstanding collection of new tools and ideas to take their practice forward **Brief Psychotherapy with the Latino Immigrant Client** Marlene D De Rios,2014-05-22 Understand the unique needs beliefs and values of your Latino immigrant clients Brief Psychotherapy with the Latino Immigrant Client is a manual for the practicing psychotherapist or student with tips on the assessment process and suggested interventions that work efficiently With this book you will explore the influence of medical anthropological concepts on Latino immigrant populations in North America The author draws on her experience as both a medical anthropologist and a licensed psychotherapist and on her extensive fieldwork in the Amazon for help in developing psychosociocultural assessments of Spanish speaking migrants This valuable book examines which kinds of therapy work for the growing Latino immigrant population and looks at metaphors dichos that can be used to help in brief interventions for clinical issues In relation to the specific beliefs values and sentiments of these clients Brief Psychotherapy with the Latino Immigrant Client presents hypnosis techniques that work with this population behavior modification and cognitive restructuring techniques specific culturally appropriate metaphors for distinctive clinical issues an examination of alcohol issues in this population psychological issues that go along with tuberculosis hints for the non Latino therapist who deals with Latino clients case studies that illustrate the book s principles of care and assessment shamanic techniques of healing that can provide a model for treating these clients Brief Psychotherapy with the Latino Immigrant Client includes a glossary of Spanish terms appendixes on hypnotic pain control inductions sample tests scales and diagrams several case studies and listings of Spanish language resources Every therapist who treats Latino immigrants should own this book **The Reality Game** John Rowan,2016-05-05 In the years since it was first published The Reality Game has become a classic text For all those training and practising in humanistic and integrative psychotherapy it is an essential guide to good practice and an excellent introduction to the skills used in individual and group therapy This new edition has been updated to take into account changes in the field and John Rowan s own work while still providing guidance on establishing and developing the relationship between counsellor and client and covering assessment the initial interview the opening session aims transference resistance and supervision With the student s needs always at the forefront this extensively revised new edition responds to the questions most often asked by trainees in these disciplines and includes discussions of ethics and new
