Policy-driven Responses to Probation and Parole Violations Peggy B. Burke, 1997 **The Oxford Handbook of Sentencing and Corrections** Joan Petersilia, Kevin R. Reitz, 2015 This handbook surveys American sentencing and corrections from global and historical views from theoretical and policy perspectives and with attention to a number of problem specific issues *Prosecutors Perspective* ,1987 **Crime and Public Policy** James Q. Wilson, Joan Petersilia, 2012-06-01 Crime in the United States has fluctuated considerably over the past thirty years as have the policy approaches to deal with it During this time criminologists and other scholars have helped to shed light on the role of incarceration prevention drugs guns policing and numerous other aspects to crime control Yet the latest research is rarely heard in public discussions and is often missing from the desks of policymakers This book accessibly summarizes the latest scientific information on the causes of crime and evidence about what does and does not work to control it Thoroughly

revised and updated this new version of Crime and Public Policy will include twenty chapters and five new substantial entries. As with previous editions each essay reviews the existing literature, discusses the methodological rigor of the studies, identifies what policies and programs the studies suggest, and then points to policies now implemented that fail to reflect the evidence. The chapters cover the principal institutions of the criminal justice system: juvenile justice, police, prisons, probation, and parole; sentencing; how broader aspects of social life inhibit or encourage crime; biology, schools, families, communities, and topics currently generating a great deal of attention: criminal activities of gangs, sex offenders, prisoner reentry, changing crime rates. With contributions from trusted leading scholars, Crime and Public Policy offers the most comprehensive and balanced guide to how the latest and best social science research informs the understanding of crime and its control for policymakers, community leaders, and students of crime and criminal justice.
