

The Responsible Judge

Readings in Judicial Ethics

Edited by
John T. Noonan, Jr.
and Kenneth I. Winston

Responsible Judge

**United States. Congress. Senate.
Committee on the Judiciary**

Responsible Judge:

Embedded Courts Kwai Hang Ng,Xin He,2017-10-26 A study of the decision making process of Chinese courts and the non legal forces and regional factors that influence judicial outcomes **Journal of the American Judicature Society** ,1917 *Jet* ,1989-05-29 The weekly source of African American political and entertainment news *The Responsible Judge* John T. Noonan Jr.,Kenneth I. Winston,1993-09-30 Society and individual members thereof who approach the court in conscience desire justice They place their hope not only in the knowledge but also in the morality of the judges At a time when the values of the judiciary are under intense scrutiny Noonan and Winston present an extensive highly informed collection of readings with commentary and explication They address the concept and role of judge the act of judging and the requirements and potential abuses inherent in the system and process of sitting in judgment This is a reflective yet eminently realistic consideration of the fundamental issues and questions involved in establishing a reasonable framework for assessing judicial morality The work first examines qualities of the ideal corrupt and over zealous or political judge The editors next address the judge s role and response in view of the tensions rising not only from the facts of the case and legal precedents but also from such human qualities as compassion They also look at the power of social expectations and personal beliefs as possible influences on judicial decisions Finally the editors consider the need judges have for independence and study that necessary factor in relationships to accountability and also potential for abuse This is a learned inclusive yet accessible and captivating work It will clarify and reinvigorate discussion of critically important issues fundamental to an ethical judiciary

To Speak as a Judge Sandra Berns,2019-05-23 First published in 1999 this volume explores the nature of adjudication in the common law tradition from a feminist postmodernist perspective The author accepts and celebrates the choices open to the judge and argues that without choice judgment cannot be properly judicial The first full length feminist exploration of the role of the judge and the nature of law and legality To Speak as a Judge is grounded in the process of adjudication and its rhetorical nature It draws upon significant contemporary cases to explore the narrativity of law and the ways in which rhetoric and judicial understandings of the nature of law determine narrative style **Federal Judges and Courts** United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Improvements in Judicial Machinery,1969

Federal Judges and Courts United States. Congress. Senate. Judiciary,1969 Providing Legal Services by Members of the Judge Advocate Generals' Corps, S. Hrg. 112-217, July 20, 2011, 112-1 Hearing, *,2012 *Digital Family Justice* Mavis Maclean,Bregje Dijksterhuis,2019-12-12 The editors earlier book Delivering Family Justice in the 21st Century 2016 described a period of turbulence in family justice arising from financial austerity Governments across the world have sought to reduce public spending on private quarrels by promoting mediation ADR and by beginning to look at digital justice ODR as alternatives to courts and lawyers But this book describes how mediation has failed to take the place of courts and lawyers even where public funding for legal help has been removed Instead ODR has developed rapidly led by the Dutch Rechtswijzer

The authors question the speed of this development and stress the need for careful evaluation of how far these services can meet the needs of divorcing families In this book experts from Canada Australia Turkey Spain Germany France Poland Scotland and England and Wales explore how ADR has fallen behind and how we have learned from the rise and fall of ODR in the Rechtswijzer about what digital justice can and cannot achieve Managing procedure and process Yes Dispute resolution Not yet The authors end by raising broader questions about the role of a family justice system is it dispute resolution Or dispute prevention management and above all legal protection of the vulnerable This title is included in Bloomsbury Professional s International Arbitration online service

The Transformation of Frontiers Walter Pohl,Ian Wood,Helmut Reimitz,2021-10-01 The definition and notion of frontiers changed in the process of the transformation of the Roman world This volume goes beyond topography to explore the meaning and impact of new frontiers as they were established It becomes clear that the transformation of frontiers was not a linear process in which the imperial frontiers were abandoned and the means of controlling them declined but depended on specific circumstances Four of the contributions deal with the frontiers of the Carolingian Empire in their political and military aspects as well as in the context of Christian conversion and missions Three of the contributions discuss Roman frontiers and their perception in late antiquity demonstrating that they were not simply defence lines but also a basis for offensive operations a focus in elaborate exchange networks and a means of internal control Other papers describe the frontiers of early medieval kingdoms two of which propose theoretical models whereas others analyse the construction and the blurring of frontiers between the empire and the kingdoms of the Visigoths Lombards and Avars

Handover of Power - Justice Andreas Seidl,2022-09-13 Justice rethought Do you also sometimes worry that you would not be able to afford court proceedings at all And do you also wish for justice that is unprejudiced and balancing What judicial policy can make the jurisprudence more democratic This book tells us what a democratic constitutional state can look like in which the citizens change or abolish laws depending on their effectiveness and elect their judges directly how appropriate penal laws can prevent good from having to be prohibited just because there are bad people who behave unlawfully what kind of penal system can compensate victims rehabilitate offenders and bring revenues to the state budget After 20 years of work on this book series Andreas Seidl thus ventures a step towards founding a party In doing so he entertains his readers both intellectually and visionarily If this work can give you hope inspire you or move you to action it has fulfilled its purpose Available in German and English

Judicial Independence Shimon Shetreet,Jules Deschênes,1985-01-01 This study discusses the many different aspects of judicial independence in Israel It begins with an historical analysis of the concept of judicial independence in a comparative perspective emphasizing the conceptual roots of the judiciary in Jewish law Recent decades have witnessed a marked increase in the role played by the judiciary in society This general trend is apparent in Israel where the highly significant social role played by the judiciary has been on the increase for some years The constitutional role of the judiciary in society is more pronounced in countries where the courts

are empowered to review the constitutionality of legislative acts In Israel the power of judicial review in decisions of the Supreme Court has been applied in a number of cases in which legislation of the Israeli Parliament the Knesset has been set aside The increasingly prominent role of the judiciary in Israel is further manifested by the frequent recourse to judicial commissions of inquiry chaired by judges who are often called upon to examine some of the major public controversies A Judiciary Diminished is Justice Denied United States. Congress. House. Committee on the Judiciary. Subcommittee on the Constitution,2002 Hearings United States. Congress Senate,1967 Confirmation Hearings on Federal Appointments United States. Congress. Senate. Committee on the Judiciary,1989 **Providing Legal Services by Members of the Judge Advocate Generals' Corps** United States. Congress. Senate. Committee on Armed Services. Subcommittee on Personnel,2012 **The Judicial System of China** Xin He,2024-11-06 Grounded in both English and Chinese language sources The Judicial System of China is a systematic study of Chinese courts after Xi Jinping took power and thoroughly reformed its judiciary It draws upon extensive empirical scholarship in both Chinese and English languages complementing it with fresh research based on court statistics public opinion polling and interviews with judges lawyers and litigants The book addresses a range of timely subjects including how Chinese courts have come to their present shape how decisions are made on civil criminal and administrative cases and what explains the behaviour of the judges It documents not only the institutional rules but also the behavioral patterns of the judges and other players revolving around the courts This book presents a governance model for understanding the operation of the Chinese court system The courts have two overarching characteristics under this model supporting the state's goals of policy implementation and legitimacy enhancement The various policies that the courts are tasked with implementing and the approaches the courts use for enhancing the judiciary's legitimacy and by extension that of the state have played key roles in the courts' evolution The model sheds light on the rationales that have underlain the changes in the system over time Engaging extensively with the literature in law and politics law and society and institutional economics The Judicial System of China provides readers with a deeper understanding of the inner workings and day to day realities of the Chinese judicial system *Judicial Independence: Cornerstone of Democracy* Shimon Shetreet,Hiram Chodosh,2024-04-22 This book is an academic continuation of the previous five volumes on judicial independence edited by Shimon Shetreet with others Jules Deschenes Christopher Forsyth Wayne McCormack Hiram E Chodosh and Eric Helland all books were published by Brill Nijhoff Judicial Independence The Contemporary Debate 1985 The Culture of Judicial Independence Conceptual Foundations and Practical Challenges 2012 The Culture of Judicial Independence Rule of Law and World Peace 2014 The Culture of Judicial Independence in a Globalised World 2016 Challenged Justice In Pursuit of Judicial Independence 2021 This volume offers studies by distinguished scholars and judges from different jurisdictions on numerous dimensions regarding the essential role of judicial independence in democracy It includes analyses of basic constitutional principles and contemporary issues of judicial independence and

judicial process in many jurisdictions and analyses of international standards of judicial independence and judicial ethics You can find a podcast of this book here Brill Nijhoff Lawcast **Shades of Grey - Domestic and Sexual Violence Against Women** Anna Carline, Patricia Easteal, 2014-09-19 Arguing that law must be looked at holistically this book investigates the hidden gender of the so called neutral or objective legal principles that structure the law addressing violence against women Adopting an explicitly feminist perspective it investigates how legal responses to violence against women presuppose maintain and perpetuate a certain context that may not in fact reflect women s experiences Carline and Easteal draw upon relevant legislation case law and secondary studies from a range of territories including Australia England and Wales the United States Canada and Europe to contextualize and critique different policy responses They go on to examine the potential and limits of law making recommendations for best practice models of policymaking and law reform Aiming to help improve government community and legal responses to women who experience violence Shades of Grey Domestic and Sexual Violence Against Women Law Reform and Society will assist law makers academics policymakers and a wider audience in understanding the complexities of violence against women **The Impact of Ideas on Legal Development** Michael Lobban, Julia Moses, 2014-07-31 How have social and philosophical ideas influenced the development of tort law in Europe
