*A concordance to the rhymes of The Faerie Queene* Richard Danson Brown, J. B. Lethbridge, 2021-01-26 This book is the first ever concordance to the rhymes of Spenser's epic It gives the reader unparalleled access to the formal nuts and bolts of this massive poem the rhymes which he used to structure its intricate stanzas As well as the main concordance to the rhymes the volume features a wealth of ancillary materials which will be of value to both professional Spenserians and students including distribution lists and an alphabetical listing of all the words in The Faerie Queene The volume breaks new ground by including two studies by Richard Danson Brown and J B Lethbridge so that the reader is given provocative analyses alongside the raw data about Spenser as a rhymers Brown considers the reception of rhyme theoretical models and how Spenser's rhymes may be reading for meaning Lethbridge in contrast discusses the formulaic and rhetorical character of the rhymes

*Joined-Up Life* Andrew J. B. Cameron, 2013-01-24 Finding our best humanity in Jesus Christ is the key theme of Andrew Cameron's fresh exploration in which he seeks to understand ethics as springing from Jesus and to show how identifying with Jesus Christ brings order and clarity to human life In a world where everyone is an expert on right and wrong this book tries to show how Jesus unifies

the best of what you hear He joins up messy lives Cameron s accessible coherent and innovative analysis is divided into seven parts Each part contains several self contained chapters that address some specific aspect of Christian thinking about ethics and life and each chapter is cross referenced to other key chapters The chapters may be read in sequence or dipped into in any order Part 1 considers some common ways of thinking about ethics e g rules rights values and results Part 2 considers some arenas we are unaware of but that have a huge impact on how we live Part 3 shows how Jesus Christ becomes a better main category than ethics for determining who we are and what we do Part 4 builds a unified field shaped in response to Jesus Christ by which we can orient ourselves to whatever is around us Part 5 examines some means by which we approach the daily details of life within this overall orientation Part 6 looks at some aspects of our life package or vocation to see how they are located within the unified field Part 7 visits some areas of discussion that cause great disagreement between Christians and others and tries to show why Cameron offers a stimulating reappraisal of our cluttered tumultuous lives and encourages us to see life through a different lens
