

The image shows the interior of a large, ancient stone church. The architecture features thick, textured stone walls and a high, vaulted ceiling. A large, arched window at the far end of the nave allows bright light to stream in, creating a dramatic effect with rays of light visible in the air. Below this window is a smaller, arched doorway. Rows of dark wooden pews are arranged on either side of a central aisle, leading towards the front of the church. The overall atmosphere is one of historical grandeur and spiritual tranquility.

"An honest, funny, spirited story of a restless spiritual life."

The Tablet, 2006 The international Catholic weekly **Your Personal Titanic** Ronald P. Hutchcraft, 2012-02 Titanic It was a blockbuster movie an award winning Broadway show the subject of best selling books and one dramatic tragic night in history that has intrigued generation after generation For the seven hundred survivors the images of that horrific April night in the North Atlantic were unforgettable Why did more than fifteen hundred passengers and crew die It's not because the Titanic sank but because the people who were already saved would not go back to rescue others Could this be a spiritual picture of us the people who are already saved doing nothing about the dying people all around us By God's grace we are in the Jesus lifeboat saved and headed for heaven All around us where we work where we live where we shop or go to school are people who will die spiritually unless someone rescues them In a sense God has placed us close to these spiritually lost and dying people so we might man the lifeboats that give them hope of being rescued Will we turn our lifeboats around Will we take the risks to give them a chance to live forever Rescuing the spiritually dying is life or death We have nothing more urgent more significant to do than to help the people we know into the lifeboat before they slip away forever Jesus is summoning you today to join Him in the rescue mission for which He died **American Book Publishing Record**, 2003
