Merchant Vessels of the United States United States. Coast Guard,1976 **The William and Mary Literary Magazine** ,1929 *Unsung* Arunoday Singh,2022-06-30 Unsung Arunoday Singh s first volume of poetry presents a collection of his most popular work alongside new material where he delves inwards and probes questions of love loss longing everything that ails the human heart He has amassed a large involved following on Instagram where he shares his poetry in handwritten calligraphy under the handle sufisoul The poems are deceptively simple and intensely piercing They are divided into four sections that explore the themes of the self the elements breaking and healing the search for divinity and the light and darkness of the spirit Playful Courtesies William Flewelling,2022-03-16 My poems sharpen my sight so that I see better what is there to be seen I will find some situation or image or nuance that catches my eye intrigues me Sometimes that seeing lends itself as an image for me and then a line just one at first that when written down enters into a cadence a rhythm a sense of sound and echo that emerges into a sequence of lines that flow usually quickly And then the lines stop the images seem complete and then they announce to me that the poem is complete That is true whether the image is a raindrop a face a

pose a tree a flower a bird a shadow or the innuendo of faith or country whatever This book draws upon poems written some years ago mostly in the years 2009 and 2015 There are also a few current poems that insist themselves into the collection as they are accumulated into the current year s file As I revisit poems of years ago quite often the occasion presents itself to memory but not always so Sometimes that occasion is as if unnecessary and indeed almost in the way of the poem as it has come to be Revisiting is always a pleasure it becomes one of the spurs toward forming the collection itself Indeed it is the pleasure and the satisfaction in that book that brings it about Satisfaction is such a boon to life **Time Grown Lively** William Flewelling,2011-06-28 Out of the world at hand come insights and experiences of nuances of nature and people and situations and memories all of which play in the mind and emerge in poems These poems seek to open the meaning that lurks within the hiddenness of all that is so plain to see in our lives **Quand même** Blanche Byrom,1914 **Rhyme or Reason, the Best of Brumel** B H Beaumont,2010-08-28 This book is a collection of rhymes dating as far back as 1945 having been written and modified over the years by the author mostly for his own amusement but with the belief he had something to say about the world he lived in **Midbar II** Lynny Harris,2013-10-31 When with her family at the age of eight Bathsheba tops a hill and witnesses the bloody and violent stoning of an adulterous woman she does not know that the memory will stay with her and will vividly return to be a threat to her in her early twenties As the granddaughter of an influential man named Ahithophel Bathsheba grows up in a loving home only to lose her mother and her grandmother at a young age Her father Eliam disguises her as a boy and takes her with him as he travels on a camel caravan for several years At the age of fourteen she becomes mistress of Grandfather Ahithophel s household when he is called to be a counselor to King David in Jerusalem When she turns fifteen without her father s knowledge Grandfather Ahithophel marries her off to a widowed man named Uriah Hers is an abusive marriage After years of abuse when Bathsheba goes to Jerusalem for the procession of the Ark which King David has brought to the city she meets a handsome dancer from the procession Later when Uriah buys a place near Ahithophel s in Jerusalem she moves there with Gebur Uriah s son from his first marriage One day on a visit to the ruins behind Jerusalem where she goes for peace she encounters again the dancer from the procession of the Ark They spend the day talking yet fighting a growing attraction In the heat of the evening she goes to the aliyah the semiprivate rooftop porch to bathe In the dancing moonbeams of a sultry hot night a man stands on his aliyah which overlooks much of the city His eyes fasten upon the movements of a beautifully shaped woman who is innocently bathing in the ivy curtained aliyah below him The next day though she knows she should not Bathsheba plans to return to the ruins where she had met the dancer But it is not to be Her stepson Gebur awakens ill and she does not want to leave him That night as twilight deepens to dark a messenger and soldiers arrive on her doorstep The king has summoned her It is not a request Questions hurtle through her as she is escorted into the palace up the stairs and allowed entrance through walnut double doors Upon entering she is alone except for the shadowed figure who emerges from the folds of golden drapes at the

far edge of the aliyah What are you doing here I am waiting for the king bursts forth from her The dancer from the ruins now arrayed in a robe of opulent red and gold silences her as he quietly speaks her name Bathsheba She stops for she knew she had not told it to him Leading her to a divan he explains that he was the dancer in the procession of the Ark but he is also King David Her lord and sovereign she realizes with astonishment aware again of the powerful attraction between them I will be all right as long as he doesn't touch me she thinks Then King David reaches to slowly turn her to him bending to claim her lips in a tender but oh so breathtaking kiss In his eyes is a question she cannot refuse As David lowers himself toward her he realizes that he has gained more than possession of her body He has gained entrance to her soul Four days later Bathsheba comes out of her world of wonder to realize she has broken Yahweh's law of adultery It is Yahweh's law she has broken to Yahweh she must go She sees no one as she enters the women's courtyard The high priest Zadok is the only priest there at that time of day He and the prophet Nathan both enter the women's court silently to witness a depth of sorrow they have seldom seen After Zadok makes his presence known he intercedes and offers absolution for Bathsheba not knowing what the cause of her deep grief is In three months time Bathsheba during the time between sleep and gentle wakefulness as she feels again the morning sickness in her stomach accepts the fact that she is carrying King David's baby Uriah her husband has been soldiering at Ammon for many months She is terrifi
