silences her as he quietly speaks her name Bathsheba She stops for she knew she had not told it to him Leading her to a divan he explains that he was the dancer in the procession of the Ark but he is also King David Her lord and sovereign she realizes with astonishment aware again of the powerful attraction between them I will be all right as long as he doesn t touch me she thinks Then King David reaches to slowly turn her to him bending to claim her lips in a tender but oh so breathtaking kiss In his eyes is a question she cannot refuse As David lowers himself toward her he realizes that he has gained more than possession of her body He has gained entrance to her soul Four days later Bathsheba comes out of her world of wonder to realize she has broken Yahweh s law of adultery It is Yahweh s law she has broken to Yahweh she must go She sees no one as she enters the women's courtyard. The high priest Zadok is the only priest there at that time of day He and the prophet Nathan both enter the women's court silently to witness a depth of sorrow they have seldom seen After Zadok makes his presence known he intercedes and offers absolution for Bathsheba not knowing what the cause of her deep grief is In three months time Bathsheba during the time between sleep and gentle wakefulness as she feels again the morning sickness in her stomach accepts the fact that she is carrying King David's baby Uriah her husband has been soldiering at Ammon for many months She is terrifi Mike Lynch's Minnesota Weatherwatch Mike Lynch, Dave Lee, 2007 Unsung Arunoday Singh, 2022-06-30 Unsung Arunoday Singh's first volume of poetry presents a collection of his most popular work alongside new material where he delves inwards and probes questions of love loss longing everything that ails the human heart He has amassed a large involved following on Instagram where he shares his poetry in handwritten calligraphy under the handle sufisoul The poems are deceptively simple and intensely piercing They are divided into four sections that explore the themes of the self the elements breaking and healing the search for divinity and the light and darkness of the spirit .2016 On Gramma's Rocker Ann M. Ayyoub, 2016-09-12 The Best of Two Lives is a love story as well as family original history It is shaped as a journey beginning with the cultural foundations of Jordan and the United States Weaving threads of family stories Doris introduces us to compelling characters and describes ways of life that might be forgotten if not for projects such as this Ibrahim's early years are detailed as he lived in a mixed Muslim Christian community in Jordan and Doris tells of growing up as a small town conservative Christian in Oregon One of the fundamental messages is that despite superficial differences at the root Arab lives and concerns in the Middle East are relatable just as those of Americans in the United States Doris never shrinks from showing negative attributes that she couldn't be blamed for wanting to hide and that differentiates her book from a purely family history There s something here to help us see our own families more clearly and honestly and to understand them with compassion
