Paulson,2000-09 In Provo Utah there exists the Foundation for Ancient Research and Mormon Studies FARMS renowned as a Mormon think tank FARMS is owned and operated by Brigham Young University BYU and the Mormon Church Their mission seeks to repudiate the opposition applaud its supporters and justify many peculiar Mormon doctrines This book demonstrates that FARMS often

twists the truths to justify Mormon doctrines To justify their position they often will utilize inane accusations misquotes and equivocation This collection of deceit from Mormon scholarship is what Matt Paulson has identified as the breaking of the Mormon Code Hebrew Roots of Mormonism David Thomas,2023-02-14 The Hebrew Roots of Mormonism describes Christianity s original roots in Hebrew traditions and culture then explains how Mormonism is the faithful inheritor of those traditions Following the death of the original twelve Apostles Christianity became fractured but when a young boy knelt to pray in the spring of 1820 revelations restored Hebrew Christianity to the earth as Mormonism **In Defense of the Bible** Steven B. Cowan,Terry L. Wilder,2018-11-26 In Defense of the Bible gathers exceptional articles by accomplished scholars Paul Copan William A Dembski Mary Jo Sharp Darrell L Bock etc addressing and responding to all of the major contemporary challenges to the divine inspiration and authority of Scripture **Talking Doctrine** Richard J. Mouw,Robert L. Millet,2015-07-09 A group of Mormon and evangelical scholars undertook a remarkable journey over fifteen years to discuss differences and investigate possible common ground in their beliefs With both candor and generosity these essays reflect the thoughtful respectful and nuanced engagements on some of the most controversial topics that have inflamed passions in the past *Joseph Smith* John G. Turner,2025-06-17 From an award winning biographer a riveting and deeply researched portrait of Mormonism s charismatic founder Joseph Smith Jr 1805 1844 was one of the most successful and controversial religious leaders of nineteenth century America publishing the Book of Mormon and starting what would become the Church of Jesus Christ of Latter day Saints He built temples founded a city state in Illinois ran for president and married more than thirty women This self made prophet thrilled his followers with his grand vision of peace and unity but his increasingly grandiose plans tested and sometimes shattered their faith In this vivid biography John G Turner presents Smith as a consummate religious entrepreneur and innovator a man both flawed and compelling He sold books land and merchandise And he relentlessly advanced doctrines that tapped into anxieties about the nature and meaning of salvation the validity of miracles the timing of Christ s second coming and the persistence of human relationships for eternity His teachings prompted people to gather into communities evoking fierce opposition from those who saw those communities as theocratic threats to republicanism With insights from newly accessible diaries church records and transcripts of sermons Turner illuminates Smith s stunning trajectory from his beginnings as an uneducated impoverished farmhand to his ultimate fall at the hands of a murderous mob revealing how he forged a religious tradition that has resonated with millions of people in the United States and beyond **By the Gift and Power of God** Leo Kappa,2018-06-12 Although Christian academics such as Dr Stephen Webb Margaret Barker and Richard Mouw classify the Latter Day Saints as Christian most ordinary believing Christians remain unaware of just how very Christ centered the LDS Church is and what a strong position the church holds scripturally and theologically Many Christians today have never had the opportunity to consider the numerous Bible prophecies fulfilled by the Book of Mormon the prophet Joseph Smith the historic Christian apostasy and the prophecies of

Gods great and marvelous latter day work which is a new dispensation to set things rightnamely the restoration we announce to the world Christians everywhere must be informed about what God has done for them in these times and why it was necessary as we all prepare for the glorious return of our Lord Jesus with a vast host of angels to judge the earth

Early Christians in Disarray Noel B. Reynolds, 2005 This book takes a fresh look at the apostasy of the early Christian church Most Latter day Saint scholars and leaders previously based their understanding of the Christian apostasy on the findings of Protestant scholars who provided a seemingly endless array of evidences of apostasy in Christian history Since the classic treatments of this topic were written many newly discovered manuscripts written during the first Christian centuries have come to light giving a clearer picture of what the early Christian experience was like Drawing on this material LDS scholars today are able to shift the focus of study to the causes of the apostasy rather than the effects This volume of essays reports new research by several LDS scholars in different fields They identify common myths and misconceptions about the apostasy and promote better understanding of when and why the apostasy occurred

New York's Burned-over District Spencer W. McBride, Jennifer Hull Dorsey, 2023-08-15 In New York's Burned over District Spencer W McBride and Jennifer Hull Dorsey invite readers to experience the early American revivals and reform movements through the eyes of the revivalists and the reformers themselves Between 1790 and 1860 the mass migration of white settlers into New York State contributed to a historic Christian revival This renewed spiritual interest and fervor occurred in particularly high concentration in central and western New York where men and women actively sought spiritual awakening and new religious affiliation Contemporary observers referred to the region as burnt or infected with religious enthusiasm historians now refer to as the Burned over District New York's Burned over District highlights how Christian revivalism

transformed the region into a critical hub of social reform in nineteenth century America An invaluable compendium of primary sources this anthology revises standard interpretations of the Burned over District and shows how the putative grassroots movements of the era were often coordinated and regulated by established religious leaders
