

Resurrecting Jesus

Adyashanti

Resurrecting Jesus:

Resurrecting Jesus Adyashanti, 2016-11-01 For almost two millennia the story of Jesus has shaped the lives of countless people Yet today even though the majority of us grew up in a culture suffused by the mythos of Jesus many of us feel disconnected from the essence of his teachings With Resurrecting Jesus Adyashanti invites us to rediscover the life and words of Jesus as a direct path to the most radical of transformations spiritual awakening Jesus crossed all of the boundaries that separated the people of his time because he viewed the world from the perspective of what unites us not what divides us In Resurrecting Jesus Adya embarks on a fascinating reconsideration of the man known as Jesus examining his life from birth to Resurrection to reveal a timeless model of awakening and enlightened engagement with the world Through close consideration of the archetypal figures and events of the Gospels Adya issues a call to live the Christ in a way that is unique to each of us When the eternal and the human meet writes Adya that s where love is born not through escaping our humanity or trying to disappear into transcendence but through finding that place where they come into union Resurrecting Jesus is a book for realizing this union in your own life with heart and mind wide open to the mystery inside us all With an all new foreword by Episcopalian priest and scholar Cynthia Bourgeault **Resurrecting Jesus** Dale C. Allison, Jr., 2005-08-18 Jesus remains a popular figure in contemporary culture and Allison remains one of our best interpreters He speaks around the country in a variety of venues on matters related to the study of the Historical Jesus In his new book he focuses on the historical Jesus and eschatology concluding that the Jesus was not a Hellenistic wonder worker or teacher of pious morality but an apocalyptic prophet In an opening chapter that is worth the price of admission Allison astutely and engagingly captures the history of the search for the historical Jesus He observes that many contemporary readings of Jesus shift the focus away from traditional theological Christological and eschatological concerns In provocative fashion He takes on not only the Jesus Seminar but also other Jesus interpreters such as N T Wright and Marcus Borg **Resurrection** Karl Olav Sandnes, Jan-Olav Henriksen, 2020-04-23 Christian faith depends upon the resurrection of Jesus but the claim about Jesus resurrection is nevertheless disputed This book written by a New Testament scholar and a systematic theologian in conjunction develops the conditions for the claim It carefully analyzes the relevant texts and their possible interpretations and engages with New Testament scholarship in order to show nuances and different trajectories in the material The picture emerging is that the New Testament authors themselves tried to come to terms with how to understand the claim that Jesus had been resurrected from the dead But the book does not stop there by also asking for the experiential content that gave rise to the belief in the resurrection Sandnes and Henriksen argue that there is no such thing as an experience of the resurrection reported in the New Testament only experiences of an empty tomb and appearance of Jesus interpreted as Jesus resurrected Hence resurrection emerges as an interpretative category for post Easter experiences and is only understandable in light of the full content of Jesus ministry and its context **Did Jesus Rise from the Dead?** Matthew

Levering,2019-02-21 The Resurrection of Jesus is at the very root of Christian faith without belief in Jesus Christianity dies In this thought provoking work Matthew Levering defends the credibility of the claim that Jesus rose from the dead Drawing on the work of N T Wright Levering shows that the historical evidence vindicates this assumption and reveals that the Gospels were backed by eyewitnesses who were living and telling their stories even during the time of the writing of the Gospels The author also emphasises the importance of evaluating the Old Testament to validate Jesus Resurrection By highlighting the desire both in the ancient world and now to make the Resurrection more comprehensible by spiritualizing it Levering argues that the fact that the disciples themselves did not do this provides a further clue to reliability Finally the author addresses the question of why Jesus does not continue to show himself in his glorified flesh after his resurrection which is often seen as a strong case for scepticism However he shows that Jesus entire mission is predicated upon helping us to avoid cleaving to the present world over God He is leading us to where he is the kingdom of God the beginning of the new creation at the Father s right hand By developing these arguments for the historical reality of Jesus Resurrection this ground breaking study expertly draws together historical and theological reasons for believing that Jesus Resurrection happened *The Resurrection of*

Jesus Michael R Licona,2020-05-21 The question of the historicity of Jesus resurrection has been repeatedly probed investigated and debated And the results have varied widely Perhaps some now regard this issue as the burned over district of New Testament scholarship Could there be any new and promising approach to this problem Yes answers Michael Licona And he convincingly points us to a significant deficiency in approaching this question our historiographical orientation and practice So he opens this study with an extensive consideration of historiography and the particular problem of investigating claims of miracles This alone is a valuable contribution But then Licona carefully applies his principles and methods to the question of Jesus resurrection In addition to determining and working from the most reliable sources and bedrock historical evidence Licona critically weighs other prominent hypotheses His own argument is a challenging and closely argued case for the historicity of the resurrection of Jesus the Christ Any future approaches to dealing with this prize puzzle of New Testament study will need to be routed through *The Resurrection of Jesus* *Resurrecting Jesus* Yung Suk Kim,2015-08-04

Jesus cannot be domesticated In *Resurrecting Jesus* Kim asks the fundamental two prong question What then can we learn from Jesus and how can we build on the significance of his life and work as we do theology for our day in the here and now Kim abandons the traditional divide between criticism and theology and argues that a solid New Testament theology can be reconstructed from a critical study of the historical Jesus Jesus is put back into the context of first century Judaism in Palestine *Resurrecting Jesus* reexamines Jesus life work death and resurrection giving readers a better clearer understanding about the historical Jesus and the New Testament writings that refer to him an exploration into the significance of Jesus life teaching and death based not on doctrine but on his work of God in first century Judaism and Palestine and a redefinition of New Testament theology that is a process of discerning and engaging the historical Jesus and the New Testament writings

Farewell to New Testament theology as usual Kim has struck the heart of the matter This is a bold and fresh reading that seeks to resurrect a Jesus who points his finger to God and squarely situate him in his first century Palestinian context Reading Jesus against the grain Kim provides a provocative textbook that is sure to stimulate interest and discussion For those who had abandoned domesticated or otherwise misappropriated Jesus this is a must read Robert Wafawanaka Associate Professor of Biblical Studies at Virginia Union University author of *Am I Still My Brother's Keeper* This is a book that both theologians and biblical scholars who have been concerned about an unnecessary dichotomy between the two disciplines have long awaited Readers will deeply appreciate Kim's clear and fresh approach to New Testament theology as a process of discerning and engaging historical Jesus and New Testament texts I highly recommend this book not only for research but also as a textbook for various courses in theological education Seung Ai Yang Associate Professor of New Testament at Chicago Theological Seminary Yung Suk Kim's *Resurrecting Jesus* is a rare synthesis of historical criticism and spiritual passion Kim boldly challenges the conventional divide between theology and history Making the words and deeds of the historical Jesus the foundation for theology Kim redefines central concepts of the New Testament in ways that are relevant to seekers for ethical consistency in a harsh world L L Welborn Professor of New Testament and Early Christianity Fordham University Yung Suk Kim is associate professor of New Testament and Early Christianity at the Samuel DeWitt Proctor School of Theology of Virginia Union University in Richmond Virginia He is founding editor of the *Journal of Bible and Human Transformation* and the editor of the *Journal of Race Ethnicity and Religion* He is the author of several books including *Christ's Body in Corinth* 2008 and *Truth Testimony and Transformation* Cascade 2014

Resurrecting Jesus Yung Suk Kim, 2015-08-04 Jesus cannot be domesticated In *Resurrecting Jesus* Kim asks the fundamental two prong question What then can we learn from Jesus and how can we build on the significance of his life and work as we do theology for our day in the here and now Kim abandons the traditional divide between criticism and theology and argues that a solid New Testament theology can be reconstructed from a critical study of the historical Jesus Jesus is put back into the context of first century Judaism in Palestine *Resurrecting Jesus* reexamines Jesus life work death and resurrection giving readers a better clearer understanding about the historical Jesus and the New Testament writings that refer to him an exploration into the significance of Jesus life teaching and death based not on doctrine but on his work of God in first century Judaism and Palestine and a redefinition of New Testament theology that is a process of discerning and engaging the historical Jesus and the New Testament writings

Resurrecting Jesus: Parousia Ronald Schenk, 2012-05-09 Parousia is Book VII in the *Resurrecting Jesus* series and continues the story from Book VI The conflict between Delgado's New World Order and the alliance of the rebel MAC group and the Lafarians intensifies Joshua continues to struggle with everyone's expectations of him as the New Christ but reluctantly prepares himself and his new group of Disciples to return to Earth and confront the antichrist

On the Resurrection, Volume 3 Gary Habermas, 2025-05-15 In the third volume of his magnum opus Gary R

Habermas identifies, collects, and summarizes hundreds of scholarly treatments related to the resurrection. *On the Resurrection, Volume 3: Scholarly Perspectives* offers a thorough lay of the land for anyone wanting to pursue an in-depth study of Jesus of Nazareth's resurrection.

Retrieving Apologetics Glenn B. Siniscalchi, 2016-01-07 Given the popes' recent statements of their desires to implement the New Evangelization, it is imperative that Catholic theologians and other intellectually engaged laypersons retrieve the vital discipline of apologetics. For the New Evangelization places particular emphasis on reproposing the Gospel to those who have experienced a crisis of faith due to secularization. One salient method of Catholic apologetics used to be characterized by three demonstrations, each of which assumes the conclusions established in the previous step. Some might think that this classical method of apologetics has been abandoned in the postconciliar Church, but Siniscalchi's book updates it. Unlike the classical apologetics of the preconciliar era, Siniscalchi engages contemporary scholarship in a variety of academic disciplines such as philosophy, history, biblical studies, sociology, and theology to develop the steps that are necessary for showing the reasonableness of faith.

Jesus' Resurrection and Apparitions Jake O'Connell, 2016-11-03 Did Jesus rise physically from the dead, or did he rise as a real, non-bodily apparition like those reported in the parapsychological literature? In this book, which is the first book-length examination of the question in over fifty years, Jake O'Connell argues in favor of the physical resurrection hypothesis. In order to do so, he employs Bayes' Theorem, a mathematical theorem which encapsulates the way humans think when they analyze the probability of a hypothesis. In addition, he provides a thorough overview of the evidence for the reality of apparitions of the dead.

On the Resurrection, Volume 1 Gary Habermas, 2024-01-15 The first volume of Gary Habermas's magnum opus *On the Resurrection: Evidences* represents the culmination of fifty years of research on the probability of Jesus's resurrection. Using his minimal facts argument, Habermas demonstrates why we ought to trust the biblical and historical testimony of Scripture regarding the resurrection. This book is a must-read for pastors, students, and scholars interested in the historical evidence for the resurrection of Jesus Christ.

The Resurrection Fact John J. Bombaro, Adam Francisco, 2016-10-31 In the first century, the resurrection fact faced both Jewish and Greek audiences with a challenge: the challenge of a new reality. Christ, the risen Lord, since facts are by definition something that happened, and this happening was witnessed, proclaimed, and recorded, the fact stands for all generations. In answering critics, a defense of the resurrection consists not only of a response by way of negation (e.g., Christianity is not this) but also through positive affirmations (this is Christianity). In this book, the reader will find both. However, it is our hope that the final word retained would be the one that stands for something rather than against something. Together, our words stand for something positive, not negative, namely the good news that the one true God has now taken charge of the world in and through Jesus and His death and resurrection.

The Resurrection of the Messiah Francis J. Moloney, 2013 Taking inspiration from a different interpretative tradition, the classic work of Raymond Brown on the birth and death of the Messiah, Francis Moloney has provided a comprehensive narrative reading of the resurrection.

stories of all four Gospels in close association with their passion narratives to which they are the stunning response The book traces how the four evangelists different telling of the resurrection stories has narrated the action of God for Jesus and the action of God and Jesus for all Christians in and through the early Church's belief and experience of the resurrection of Jesus The final chapter discusses what we can recover about the events of Easter day and more importantly what these events meant then and continue to mean today back cover **Bible School 1 Semester 1** Shofar Christian Church,2020-01-01

The Bible teaches us that there is nothing more important than becoming like Jesus The life of Jesus not only shows the full picture of who God is but He also shows us what it means to be human He is the quintessential man In Him we see what a perfect relationship with God looks like what our moral outlook should be and what constitutes a good and worthy life Through the ages the church has confirmed that the Bible is both the standard and the guide that instructs confronts and inspires us in the process of following Jesus The way we see understand and experience God ourselves and the world around us should thus ultimately be based upon what the Bible teaches us This Bible School course is therefore intended to help you to build your life around the Word of God **Resurrection: A Guide for the Perplexed** Lidija Novakovic,2016-02-25 This volume examines what the followers of Jesus meant when they declared that he was raised from the dead This claim which lies at the core of Christian faith is one of the most controversial topics in Christianity Jesus resurrection has no analogy in human history Although many 1st century Jews expected the resurrection of the dead at the end of time the Christian claim that this had already happened to one individual within the realm of history was unprecedented Moreover an affirmation of Jesus bodily resurrection contradicts the known laws of nature Additional difficulty comes from the nature of the available evidence The New Testament sources not only mirror the worldview of ancient authors but also differ with regard to who saw him alive what was the nature of his risen body and whether the empty tomb was a widespread knowledge or an assumption based on prior beliefs Novakovic presents all these issues in a clear and methodical way She examines the literary sources and addresses various questions related to historical investigations of Jesus resurrection *On the Resurrection, Volume 2* Gary Habermas,2024-09-15 In *On the Resurrection Volume 2 Refutations* Gary Habermas offers detailed analyses and rebuttals of the alternate theories surrounding Jesus's resurrection This is the second volume of four in his magnum opus *On the Resurrection* **Keeping Alive the Rumor of God** Martin Camroux,2020-08-21 Can't you hear those little bells tinkling Down on your knees They're bringing the sacraments to a dying God wrote Heinrich Heine in 1834 It took a while but today it is happening Across the Western world the traditional picture of God is dying and institutional religion collapsing Today we are trying something never done before living with no agreed narrative that tells us who we are and with a materialist view of life It isn't enough An idea of God may have died but the mystery of our human life is of an inner depth which is not simply physical or material Marvel mystery wonder beauty love the numinous the mysterium tremendum remain the essence of who we are What I am trying to do is describe this experience in such a way that those who have not had it

can get a glimpse of it from inside and understand how it can give a life meaning and purpose This is explored through a liberal Christian tradition committed to social justice and honest exploration Scripture is vital to this but so are art poetry music and beauty When most people are looking the other way we must keep the rumor of God alive *Praying in the Dark* Daniel O. Snyder, 2022-10-04 Nonviolence for the soul Nonviolence for the world The future of democracy How are we going to find our way through all the polarizations to a new world that works for everyone Against the backdrop of his Quaker heritage and his own life story Dan Snyder brings together the four disciplines of theology depth psychology strategic nonviolence and spirituality The resulting conversation points toward a reimagining of God self and world We can be both incredibly joyful and deeply responsible citizens We can drink from the deep wells of compassion and mercy Those wells are fed by hidden springs that are beyond fixed ideologies beyond belief and doubt beyond action and inaction even beyond all of our convictions about religious moral or political correctness We are created by Love for love We drink deeply from Love's hidden spring when we learn to pray in the dark *The Superhumanities* Jeffrey J. Kripal, 2022-09-23 A bold challenge to rethink the humanities as intimately connected to the superhuman and to decolonize reality itself What would happen if we reimagined the humanities as the superhumanities If we acknowledged and celebrated the undercurrent of the fantastic within our humanistic disciplines entirely new cultural worlds and meanings would become possible That is Jeffrey J Kripal's vision for the future to revive the suppressed dimension of the superhumanities which consists of rare but real altered states of knowledge that have driven the creative processes of many of our most revered authors artists and activists In Kripal's telling the history of the humanities is filled with precognitive dreams evolving superhumans and doubled selves The basic idea of the superhuman for Kripal is at the core of who and what the human species has tried to become over millennia and around the planet After diagnosing the basic malaise of the humanities that the truth must be depressing Kripal shows how it can all be done differently He argues that we have to decolonize reality itself if we are going to take human diversity seriously Toward this pluralist end he engages psychoanalytic Black critical feminist postcolonial queer and ecocritical theory He works through objections to the superhumanities while also recognizing the new realities represented by the contemporary sciences In doing so he tries to move beyond naysaying practices of critique toward a future that can embrace those critiques within a more holistic view a view that recognizes the human being as both a social political animal as well as an evolved cosmic species that understands and experiences itself as something super

If you ally need such a referred **Resurrecting Jesus** book that will provide you worth, acquire the entirely best seller from us currently from several preferred authors. If you want to comical books, lots of novels, tale, jokes, and more fictions collections are furthermore launched, from best seller to one of the most current released.

You may not be perplexed to enjoy every book collections Resurrecting Jesus that we will no question offer. It is not approximately the costs. Its more or less what you habit currently. This Resurrecting Jesus, as one of the most on the go sellers here will totally be in the midst of the best options to review.
