Resurrection Of Jesus And Other New Testament Stories:

The Untold Story of the New Testament Church [Revised and Expanded] Frank Viola, 2025-03-04 Experience the New Testament Like Never Before Endorsements from New Testament scholars Craig Keener Darrell Bock Joel B Green Michael Licona Mark Strauss Richard Horsley David deSilva Constantine Campbell Paul Barnett Clinton Arnold Eckhard Schnabel Jeffrey A D Weima and many others One famous scholar said that reading the New Testament letters is like hearing one end of a phone conversation The Untold Story of the New Testament Church Revised and Expanded reconstructs the other end so you can understand virtually every word Seamlessly weaving the narrative of Acts with the Epistles you ll discover a coherent story enriched by intriguing details of first century life This unique and innovative presentation of the New Testament unlocks its epic story in a way that will leave you breathless and equipped to understand the Bible like never before Though it s non fiction this masterpiece reads like a cinematic experience that will captivate your heart by putting you in the center of the drama Drawing on the best of contemporary scholarship Frank Viola includes background information about the people cities and places that are mentioned throughout the New Testament all in an engaging narrative As you dive into this riveting volume you will Gain an intimate glimpse into the lives of apostles Peter James John Paul and their colleagues Uncover the events that inspired each New Testament letter shedding new light on every line from Romans to Revelation Meet the key figures who shaped the world like Priscilla Apollos Lydia Luke John Mark Phoebe Aristarchus and Epaphras Witness the dynamic tumult of first century churches individuals and events as they unfold vividly before you Prepare to be ushered into the living breathing atmosphere of the first century so you can uncover the hidden riches contained in God s Word *Walk with Jesus Christ, the Truth 6' 2008 (growing in Jesus Christ)* , Formation of the Bible: the Story of the Church's Canon Lee Martin McDonald, 2012 Well known for his scholarly works on the formation of the biblical canon Lee McDonald has written a carefully researched and reasoned explanation on the history of the formation of the Bible expressly for the interested pastor and curious layman Combining a lifelong commitment to the Scriptures both as a pastor and as a scholar McDonald approaches his task with sensitivity to the importance of these sacred texts as well as with the thoughtful practice of a person steeped in the process by which these texts were brought together to form the Bible as the church knows it now From the collection and translations of the Hebrew Scriptures through the collection of the New Testament Scriptures and finally the process of settling on the final forms for these collections McDonald leads his reader right up to the present moment *The New Testament Story* Ben Witherington (III), Ben Witherington, 2004 An introductory guide to the New Testament examines how and why the scriptures were written and collected and how they came to be known as the New Testament that we have today while discussing the main stories and major figures the ways that these stories were told and retold and how this literary development has influenced Christian theology ethics and social thought **Science and the Sacred** C. S. Pearce, Philip Clayton, 2025-02-27 In this beautifully written book an atheist and a theist explore the intersection

points of science and the Sacred Honestly acknowledging their differences they discover unexpected common ground across every branch of science and many of the most urgent ethical and spiritual questions humanity now faces While science may be incompatible with some ancient beliefs about God the authors show why it is fully compatible with belief in an all pervading divine presence Indeed we will only be able to steer our way safely through the complexities of the modern world when we draw on the best of scientific knowledge as well as the deepest insights of the world s spiritual traditions past and present This unique exploration by a theologian and a well known science journalist offers a highly accessible overview of the most complex issues arising at the intersection of science belief and hope The two authors dive into debates normally deemed too sensitive to discuss identifying common sense ways that science and human values can guide each other Their emerging friendship and their new insights offer a pathway toward a world no longer plagued by religiously motivated violence and environmental crisis

The Resurrection of Jesus Victoria Parker,2000 The Resurrection of Jesus retells the events that result in the death of Jesus and His glorious ascension into heaven It includes His betrayal by Judas the trial before Pilate and the tragic moments that lead to His crucifixion

The Origin of Paul's Religion ... John Gresham Machen,1921 The Evolution of Adam Peter Enns,2012 The widely held evolutionary view of beginnings doesn t allow for a historical Adam This book helps Christians reconcile the teachings of the Bible and evolution

Theological Cartographies Benjamin Valentin,2015-03-14 Benjamin Valentin presents a substantive yet accessible introduction to the three central doctrines of Christian theology God humanity and Christ In an engaging style Valentin offers an overview of each of these doctrines delving into its tradition within the Christian community throughout history from the writing of Scripture forward He further explores what contemporary life tells us about this doctrine and how that compares to traditional understandings and then determines how we can reconstruct this doctrine in light of our new assessment of it Each chapter concludes with suggested readings for further study Throughout Valentin highlights the diversity of Christian thought bringing together past tradition and contemporary questions to arrive at a new understanding of what these important doctrines can mean for us today

The People's New Testament Commentary M. Eugene Boring,Fred B. Craddock,2010-01-25 M Eugene Boring and Fred B Craddock present this new one volume commentary on the New Testament Writing from the fundamental conviction that the New Testament is the people s book Boring and Craddock examine the theological themes and messages of Scripture that speak to the life of discipleship Their work clarifies matters of history culture geography literature and translation enabling people to listen more carefully to the text This unique commentary is the perfect resource for clergy and church school teachers who seek a reference tool midway between a study Bible and a multivolume commentary on the Bible

The Sunday School Helper ,1894 **The Thinking Christian** Gene Wesley Marshall,2020-04-13 The practice of Christianity is going through a transition that is deeper than the Reformation The Thinking Christian explores two main questions 1 What is religion as a general social process that can link humans to Profound Reality and 2 what is a meaningful and appropriate

mode of Christian theologizing communal life and mission to this planet for a viable and vital next Christian practice These are profound probes and they are communal and activist guidelines for general readers Such union of the profound and the practical pertains to the needs of scholars as well

The Origin of Paul's Religion J. Gresham Machen, 2019-11-21 In *The Origin of Paul's Religion* J. Gresham Machen presents a meticulous examination of the foundations of Pauline theology critiquing both liberal and traditional interpretations of the Apostle Paul's religious experience and doctrines Machen employs a scholarly and accessible literary style weaving historical analysis with theological inquiry to argue that Paul's insights were profoundly rooted in the Jewish faith yet transformed by the revelation of Christ This work is situated within the early 20th century theological context engaging with contemporary debates over modernism and evangelical orthodoxy embodying Machen's staunch defense of biblical inerrancy J. Gresham Machen 1881-1937 was a prominent theologian and a fervent advocate for Christian orthodoxy in the wake of rising modernist thought His academic journey through Princeton Theological Seminary and his subsequent opposition to the liberal ideology prevalent in theological circles strongly influenced his perspective Machen's commitment to illuminating the roots of Christian belief empowered him to critique prevailing interpretations of Paul striving for clarity regarding the apostle's religious motivations and implications for faith For scholars students and lay readers alike *The Origin of Paul's Religion* serves as an essential resource for understanding the complex interplay between Judaism and early Christianity Machen's rigorous analysis encourages readers to engage deeply with the Apostle's writings offering invaluable insights into the essence of Christian doctrine and its historical development This book is a must read for anyone seeking a definitive exploration of one of Christianity's most influential figures

Natural Religion Davis Baird, 2025-06-19 Davis Baird's grandfather Earl Clement Davis 1876-1953 was a Unitarian minister from 1905 to 1953 Baird was born a year after his grandfather died and never knew him But he inherited a trunk of his manuscripts He grew up without any religion today he would be called a none one with no religious affiliation or church membership This book shares his discovery of his grandfather's approach to religion His grandfather denied any supernatural sources for or elements of religion he was an enthusiastic advocate for science He vigorously argued against all authoritarian forms of governance religious and civil He believed in human divinity the power of humans to develop and pursue ideals of truth beauty and goodness to make the world better The living God for his grandfather was a God that lives in humans has lived in humans for millennia striving to create a reality of truth beauty and goodness of justice for all of a heaven on earth This is what Baird calls natural religion

Biblical Theology of the Old and New Testaments Brevard S. Childs, 1993-04 This monumental work is the first comprehensive biblical theology to appear in many years and is the culmination of Brevard Childs's lifelong commitment to constructing a biblical theology that surmounts objections to the discipline raised over the past generation Childs rejects any approaches that overstress either the continuity or discontinuity between the Old and New Testaments He refuses to follow the common pattern in Christian thought of identifying biblical

theology with the New Testament's interest in the Old. Rather Childs maps out an approach that reflects on the whole Christian Bible with its two very different voices each of which retains continuing integrity and is heard on its own terms.

Dictionary for Theological Interpretation of the Bible Kevin J. Vanhoozer, Craig G. Bartholomew, Daniel Treier, N.T. Wright, 2005-11-01 For the pastor or serious layperson the realm of biblical interpretation can be a confusing maze of personalities, communities, methods and theories. This maze can often result in obscuring the main goal of interpreting Scripture: hearing and knowing God better. The Dictionary for Theological Interpretation of the Bible is a groundbreaking reference tool that introduces readers to key names, theories and concepts in the field of biblical interpretation. It discusses these approaches and evaluates their helpfulness in enabling Christians to hear what God is saying to the church through Scripture. The contributors come from a variety of backgrounds and the dictionary covers a broad range of topics with both clarity and depth.

The Call of the Awe Gene Marshall, 2003-01-07 Why do we do religion? Religion appears in human life because every human being, even if not fully aware of it, lives in a land of mystery with rushing rivers of freedom, imposing mountains of care and wild seas of tranquility. This land of mystery penetrates the land of ordinary living at every point. Awe is our experience of this ever-present Eternity. This book is about how the Awe that is happening in our everyday lives is key to understanding both the renewal of Christianity and the need for non-bigoted dialogue among all religions on Earth.

The Art of Reading Scripture Ellen F. Davis, Richard B. Hays, 2003-10-02 The difficulty of interpreting the Bible is felt all over today. Is the Bible still authoritative for the faith and practice of the church? If so, in what way? What practices of reading offer the most appropriate approach to understanding Scripture? The church's lack of clarity about these issues has hindered its witness and mission, causing it to speak with an uncertain voice to the challenges of our time. This important book is for a twenty-first century church that seems to have lost the art of reading the Bible attentively and imaginatively. The Art of Reading Scripture is written by a group of eminent scholars and teachers seeking to recover the church's rich heritage of biblical interpretation in a dramatically changed cultural environment. Asking how best to read the Bible in a postmodern context, the contributors together affirm up front Nine Theses that provide substantial guidance for the church. The essays and sermons that follow both amplify and model the approach to Scripture outlined in the Nine Theses. Lucidly conceived, carefully written and shimmering with fresh insights, The Art of Reading Scripture proposes a far-reaching revolution in how the Bible is taught in theological seminaries and calls pastors and teachers in the church to rethink their practices of using the Bible. Contributors: Gary A. Anderson, Richard Bauckham, Brian E. Daley, Ellen F. Davis, Richard B. Hays, James C. Howell, Robert W. Jenson, William Stacy Johnson, L. Gregory Jones, Christine McSpadden, R. W. L. Moberly, David C. Steinmetz, Marianne Meye Thompson.

Open Questions Luís F. Rodrigues, 2010-08-11 This book offers 27 interviews with distinguished intellectuals from different fields of expertise presenting their viewpoints about the existence and nonexistence of God, the roles of religion and science and other related and controversial topics. Subjects such as spirituality, the existence of God

atheism and the concept of one true religion are profound incendiary topics This collection of interviews about faith and religion will fascinate anyone believer or nonbeliever who is interested in the interaction of science religion and belief in contemporary culture Open Questions Diverse Thinkers Discuss God Religion and Faith is a compelling invitation to each of us to examine our positions on these highly charged subjects It will both answer questions and inspire new inquiries In the process of creating this book author and interviewer Lu s F Rodrigues was driven by his natural and intense curiosity rather than by dogmatic or institutional bias he had no agenda other than to fairly present multiple points of view on the widely debated topics at hand This compilation of easy to read interviews with individuals like John Dominic Crossan Dinesh D Souza A C Grayling and James Randi will appeal to general readers as well as theologians and academics *The Spectator*, 1889
