**The Employee Retention Handbook** Stephen Taylor, 2002 Staff turnover is a key issue for HR executives. It costs your organisation money and time. Stephen Taylor looks at the causes of staff turnover and the most effective ways of measuring, costing, predicting and preventing it. With six detailed case studies covering retailers, graduates, engineers, professional services, call centres and the police, this book offers you effective approaches to solve your retention issues. **The**

**Employee Recruitment and Retention Handbook** Diane Arthur, 2001 Today's best workers are demanding more before signing on and requiring more to stay. How does a company find and hang on to great talent? Competition for skilled employees is fierce. This book provides comprehensive practical advice to employers to get and keep the people they need. It covers such vital topics as what workers want, including a sense of making a real impact in their jobs and getting learning opportunities; why workers leave, sometimes just because they can; it's so easy to find a new job, often because they feel undervalued or bored where they are; and what best practice companies are doing to attract and retain the talent necessary to remain competitive. Expert Diane Arthur discusses both traditional and new strategies, including a huge array of special incentives and perks. Online recruiting via sites like Monster.com or a company's own Web site. Successful programs from Cisco Systems, Bank of Boston, Eli Lilly, McDonald's and dozens of other companies, including many small firms. Competency-based recruiting and interviewing, contingent workers, telecommuting and other alternative work arrangements, future trends and more. *Navy Counselors Handbook* Howard S. Diane Arthur, 2004 Key tools for developing a human resources plan based on organizational needs. *Fundamentals of Human Resources Management, Fourth Edition* is a comprehensive and up-to-date guide to virtually every aspect of human resources management, from understanding the basic HR functions to using the Web for recruiting and selecting the latest HRIS. Whether new to the profession or a newly promoted professional, students will find in this book all the information and skills they need to do their job and make a positive impact in their organization. Readers will learn how to answer the human resource challenge. *Files Management Handbook for Managers and Librarians* Suzanne M. Burwasser, 1986 **The Client**

**Retention Handbook for Digital Marketing Agencies** Josh Nelson, 2022-08-08 While there are hundreds of books focused on getting clients for your Digital Marketing Agency, nobody tells you the harsh reality: If You Can't KEEP Clients, You Don't

Have a Business And this is a big deal because A 5% increase in client retention can improve profits by between 25% and 95% So how do you get them to stay Believe it or not it s not just about results Getting clients to stay with you long term boils down to 3 key elements referred to in the book as the sticky triad and you have to get all your ducks in a row If you re reading this now chances are you re frustrated because you haven t quite figured out HOW to do that and it s one of the biggest factors that s holding your agency back from getting out of the cycle of stuck building your team and enjoying the sort of lifestyle most people only dream of Clients have options they know it and without the sticky triad you ll end up Landing two new clients only to lose one leaving you your team deflated frustrated questioning your abilities Scratching your head in disbelief as the dreaded glass ceiling rears its ugly head stifling your growth restricting your cash flow Watching in frustration as client after client walks out the door into the open arms of your competitors In this book you will discover the proven step by step processes the author used to not only get enough clients to build a 7 figure agency but KEEP them and generate an abundance of referrals There is a specific formula to getting it right and it goes far deeper than simply getting results Knowing what to say and how to say it at every critical touch point along the way and then passing on that skill by training the best possible employees for the job They ve not only worked for me but for countless other agencies And I am supremely confident that they will work for you IF you apply them Over the past 4 years I ve taken these proven methods to keep more clients for longer creating exponential recurring revenue growth year on year and helped dozens of agency owners from around the world do the same Josh Nelson Author Founder of The Seven Figure Agency And in this book you re going to get those exact same strategies This set of turnkey instructions will teach you How Josh went from virtually bankrupt to running a hyper growth agency that made the Inc 5000 list of fastest growing companies in the United States 4 years in a row How to manufacture quick wins for clients give them precisely what they want so they stick around 10x longer The 5 steps to better retention how to onboard clients so they respect and appreciate you and never want to leave How to stop taking on any every custom project CHOOSE your own clients to reduce headaches explode your scale ability The step by step automation process to communicate every step of the way avoid the deadly mistake of high churn agencies How to Keep the maximum number of clients possible so you can bank on solid revenue figures at the end of each month Josh tells you step by step how to get results for your clients how to implement your own agency marketing how to design systems that grow with your agency long term Ryan Deiss Founder CEO of DigitalMarketer com     *Privacy Act Issuances ...
