

Ann J. Cahill

Rethinking RAPE

Rethinking Rape

Jonathan Herring

Rethinking Rape:

Rethinking Rape Ann J. Cahill, 2001 Rape claims Ann J Cahill affects not only those women who are raped but all women who experience their bodies as rapable and adjust their actions and self images accordingly Rethinking Rape counters legal and feminist definitions of rape as mere assault and decisively emphasizes the centrality of the body and sexuality in a crime which plays a crucial role in the continuing oppression of women Rethinking Rape applies current feminist theory to an urgent political and ethical issue Cahill takes an original approach by reading the subject of rape through the work of such recent continental feminist thinkers as Luce Irigaray Elizabeth Grosz Rosi Braidotti and Judith Butler who understand the body as fluid and indeterminate a site for the negotiation of power and resistance Cahill interprets rape as an embodied sexually marked experience a violation of feminine bodily integrity and a pervasive threat to the integrity and identity of a woman's person The wrongness of rape which has always eluded legal interpretation cannot be defined as theft battery or the logical extension of heterosexual sex It is not limited to a specific event but encompasses the myriad ways in which rape threatens the prospect of feminine agency As an explication that fully countenances women's experiences of their own bodies Rethinking Rape helps point the way toward reparation resistance and the evolution of feminine subjectivity Rethinking Rape Laurie A. Goldbach, National Association of Women and the Law, 1998 Engendering Blackness Patrice D.

Douglass, 2025-06-24 In this incisive new book Patrice D Douglass interrogates the relationship between sexual violence and modern racial slavery and finds it not only inseparable but also fundamental to the structural predicaments facing Blackness in the present Douglass contends that the sexual violability of slaves is often misappropriated by frameworks on sexual violence that privilege its occurrences as a question of ethics sexual agency and feminine orders of gendering Rather this book foregrounds Blackness as engendered by sexual violence which forcefully re produces Blackness corporeally and conceptually as a condition that lacks the capacity to ontologically distinguish its suffering from what it means to be human By employing and critically revising Black feminist theory and Afro pessimism Douglass reveals that engaging primarily with the sexualization of the slave forces theories of sexual violence to interrogate why this violence one of the most prevalent under slavery continues to lack a grammar of fundamental redress There are no reparations struggles for the generational transfer of sexual violation and the inability of present frameworks to rectify the sexual stains of slavery lies precisely in the fact that what made this history possible continues to haunt arrangements of life today Engendering Blackness urgently articulates the way our present understandings of Blackness and humanness are bound by this vexed sexual history

Incarnating Grace Julia Feder, 2023-11-07 Prioritizes survivors of abuse by reexamining Christian ideals about suffering and salvation More than half of women and almost one in three of men in the United States have experienced sexual violence at some time in their lives Yet our Christian tradition has failed survivors of sexual violence who have been taught to believe that traumatic suffering brings us closer to God Incarnating Grace attempts to save our broken ways of talking about God's

grace by unearthing liberating resources buried in the Christian tradition Christian ideas about salvation have historically contributed to sexual violence in our communities by reinforcing the idea that suffering is salvific But a God worth worshipping does not want human beings to suffer Drawing on the sixteenth century Spanish mystic Teresa of Avila as well as contemporary political and feminist theologians philosophers and legal scholars author and Associate Professor of theology Julia Feder offers an account of Christian salvation as mystical political Feder begins by describing the breadth of traumatic wounding and the shape of traumatic recovery as articulated by psychologists Since the fullness of post traumatic healing requires reserves deeper than those which can be articulated by the secular field of psychology alone the book then introduces the Spanish Carmelite Saint Teresa of Avila and her theological insights which are most helpful for constructing a post traumatic theology of healing Arguing that God stands against violence and suffering the book also examines the notion of senseless suffering a technical term that comes from Edward Schillebeeckx a Catholic twentieth century Flemish priest and theologian The suffering of sexual violence serves no higher purpose or greater human value and pushes against all ways of making sense of the world as good and orderly In the following chapters Feder turns to two Christian virtues that animate post traumatic recovery courage and hope and explores how Christian hope can provide a language to empower courageous activity undertaken toward healing Incarnating Grace opens a new dialogue about salvation and violence that does not allow evil to have the last word

Online Anti-Rape Activism Rachel Loney-Howes, 2020-08-17 The ebook edition of this title is Open Access thanks to Knowledge Unlatched funding and freely available to read online This book examines the nature use and scope of online spaces for anti rape activism offering a critical commentary on its limitations and potentials

Obscene Pedagogies Carissa M. Harris, 2018-12-15 In *Obscene Pedagogies* Carissa M Harris investigates the relationship between obscenity gender and pedagogy in Middle English and Middle Scots literary texts from 1300 to 1580 to show how sexually explicit and defiantly vulgar speech taught readers and listeners about sexual behavior and consent Through innovative close readings of literary texts including erotic lyrics single woman s songs debate poems between men and women Scottish insult poetry battles and *The Canterbury Tales* Harris demonstrates how through its transgressive charge and galvanizing shock value obscenity taught audiences about gender sex pleasure and power in ways both positive and harmful Harris s own voice proudly witty and sharply polemical inspires the reader to address these medieval texts with an eye on contemporary issues of gender violence and misogyny

Women as Wartime Rapists Laura Sjoberg, 2016-11-22 This publication reveals the stories of female perpetrators of sexual violence and their place in wartime conflict legal policy and the punishment of sexual violence More broadly the author asks what do the actions and perceptions of female perpetrators of sexual violence reveal about our broader conceptions of war violence sexual assault and gender This book explores specific historical case studies such as Nazi Germany Serbia the contemporary case of ISIS and others to understand how and why women participate in rape during war and conflict

Restorative Responses to Sexual Violence Estelle Zinsstag, Marie Keenan, 2017-02-17

Sexual violence in all its forms is a crime for which anecdotal accounts and scholarly reports suggest victims in their great majority do not receive adequate justice or redress. The theory and practice of restorative justice is rapidly developing and offers some well argued new avenues for dealings with crime in general. It has the potential to be extended to cases of sexual violence and a number of small scale programmes are already underway across the world. *Restorative Responses to Sexual Violence* examines this innovative justice paradigm in more depth in the particular context of sexual trauma and violence in order to establish the empirical realities of restorative justice approaches in cases of sexual violence and considers how such approaches could be developed adequately in the future. This book is divided into two parts each representing a key area of research and practice: theoretical and conceptual frameworks and justice and therapeutic perspectives. This international collection brings together leading expert scholars and practitioners to offer both theoretical and practical perspectives on restorative justice and sexual violence. This book will be of interest to researchers in the field of law, criminology, psychology, social science, social work and psychotherapy as well as practitioners in the fields of criminal justice, restorative justice and sex offender and victim trauma therapies. *Current Legal Problems 2010* George Letsas, Colm O'Cinneide, 2011-01-30. This year's volume covers topics such as military detention, English criminal law, terrorism, democracy, human rights, civil liberties, the media and international law, family law, child welfare, health, feminism, economic theory, corporate law, competition, regulation, contract law, biotechnology, biodiversity and more. **The SAGE Handbook of Feminist Theory** Mary Evans, Clare Hemmings, Marsha Henry, Hazel Johnstone, Sumi Madhok, Ania Plomien, Sadie Wearing, 2014-08-12. At no point in recorded history has there been an absence of intense and heated discussion about the subject of how to conduct relations between women and men. This Handbook provides a comprehensive guide to these omnipresent issues and debates, mapping the present and future of thinking about feminist theory. The chapters gathered here present the state of the art in scholarship in the field, covering Epistemology and marginality, Literary, visual and cultural representations, Sexuality, Macro and microeconomics of gender, Conflict and peace. The most important consensus in this volume is that a central organizing tenet of feminism is its willingness to examine the ways in which gender and relations between women and men have been and are organized. The authors bring a shared commitment to the critical appraisal of gender relations as well as a recognition that to think theoretically is not to detach concerns from lived experience but to extend the possibilities of understanding. With this focus on theory and theorizing about the world in which we live, this Handbook asks us across all disciplines and situations to abandon our taken-for-granted assumptions about the world and interrogate both the origin and the implications of our ideas about gender relations and feminism. It is an essential reference work for advanced students and academics, not only of feminist theory but of gender and sexuality across the humanities and social sciences. *Routledge International Handbook of Ignorance Studies* Matthias Gross, Linsey McGoey, 2022-06-27. Once treated as the absence of knowledge, ignorance has now become a highly influential and rapidly growing topic in its own right. This new edition of the

seminal text in the field is fully revised and includes new and expanded chapters on religion domestic law and jurisprudence sexuality and gender studies memory studies international relations psychology decision theory and colonial history The study of ignorance has attracted growing attention across the natural and social sciences where a wide range of scholars explore the social life and political issues involved in the distribution and strategic use of not knowing This handbook reflects the interdisciplinary field of ignorance studies by drawing contributions from economics sociology history philosophy cultural studies anthropology feminist studies and related fields to serve as a path breaking guide to the political legal and social uses of ignorance in social and political life This book will be indispensable for anyone seeking to understand the important role played by ignorance in contemporary society culture and politics Chapter 21 of this book is available for free in PDF format as Open Access from the individual product page at www.routledge.com It has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

International Perspectives on Gender-Based Violence Madhumita Pandey, 2023-11-24 This book examines the multifaceted nature of gender based violence GBV and the many forms it can take It explores the area of GBV and its implications on human rights law and policy The book highlights the significance of current international debates around preventing GBV and provides context for understanding GBV as a complex structural phenomenon deeply rooted in gender inequality It addresses GBV as one of the most notable human rights violations within all societies and provides multiple global perspectives on GBV to address the common challenges and barriers to combating this issue Key areas of coverage include Sexual violence Domestic violence Intimate partner violence Media Misogyny Online trolling Discrimination Sex trafficking and modern slavery Preventative Measures and role of men International Perspectives on Gender Based Violence is an essential resource for researchers clinicians therapists and upper level undergraduate and graduate students in developmental psychology family policy forensic psychology human rights public health criminology criminal justice and clinical social work as well as all interrelated disciplines

Great Debates in Criminal Law Jonathan Herring, 2020-06-01 This textbook is an introduction to more advanced writings on criminal law primarily designed to allow students to think critically and analyse specific topics Each chapter is structured around key questions and debates that provoke deeper thought It asks questions such as Why do we have the laws that we have Could the criminal law look differently How should the law be applied to novel situations Does the law in fact reflect prejudices The aim of the book is not to present a complete overview of theoretical issues in criminal law but rather to illustrate the current debates among those working in shaping the area The text features summaries of the views of notable experts on key topics and each chapter ends with a list of guided further reading New to this Edition A new debate on the law on body modification Fresh discussion of the law on dishonesty Important new case law on causation Detailed discussion of developments on the law on accessory Significant developments on the law on sexual offences

The Palgrave Handbook of Sexual Ethics David Boonin, 2022-02-08 The Palgrave Handbook of Sexual Ethics is a comprehensive collection of recent research on the ethics of

sexual behavior representing a wide range of perspectives It addresses a number of traditional subjects in the area including questions about pre marital extra marital non heterosexual and non procreative sex and about the nature and significance of sexual consent sexual desire and sexual activity as well as a variety of more recent topics including sexual racism sexual ableism sex robots and the metoo response to sexual harassment Each chapter defends a substantive thesis about the topic it addresses and the handbook as a whole thereby provides a strong foundation for future research in this important and growing field of inquiry

Gender Violence Sylvia Jane Burrow, 2022-03-08 A 2022 Choice Reviews Outstanding Academic Title In often mundane but sometimes quite obvious ways persons belonging to groups routinely threatened with harm on the basis of gender and sexuality suffer restrictions to choice and action impairing autonomy *Gender Violence Resistance Resilience and Autonomy* shows that resistance to and cultivating resiliency within a culture of gender violence is key to fostering autonomy Building on decades of research philosophically interrogating autonomy and its limits and with a martial arts background spanning over twenty five years Professor Burrow develops a novel approach to autonomy development under everyday threats of violence Appealing to empirical research to ground its philosophical analysis the theory presented in this book establishes that cultivating self confidence through self defense training is a significant strategy contributing to resistance and resilience under threats of violence and hence autonomy development

European Perspectives on Attrition in Sexual Offenses Rahime Erbas, 2023-07-17 Many factors contribute to attrition in sexual offense cases from victim reluctance to systemic barriers This book examines the attrition of sexual offenses across seven countries Bosnia and Herzegovina Germany Italy Spain Sweden the UK and Türkiye Using various jurisdictions and legal systems sheds light on how those systems distinctive features impact investigation and adjudication Through the critical analyses of various sexual offenses and statistical data *European Perspectives on Attrition in Sexual Offenses* demonstrates how cases continue to attrite through their journey from commencement to the finalization within the European criminal justice systems This book would be of interest to scholars studying criminology criminal justice and law as well as practitioners within the criminal justice and legal professions

Demystifying Power, Crime and Social Harm David Gordon Scott, Joe Sim, 2023-12-29 This collection revisits Steven Box's book *Power Crime and Mystification* published in 1983 and considers its relevance forty years on It introduces the critical analysis developed by Box which examined corporate crime police crime rape and sexual assault and female crime and analyses the continuities and discontinuities since 1983 in relation to crime the state and the exercise mystification of power The book explores the ways in which we can see his influence nationally and internationally on critical criminological sociological and abolitionist writings today It asks how can these perspectives be applied to a critical analysis of contemporary state authoritarianism and the criminal injustice that this authoritarianism generates Additionally how can Box's concepts shine a critical light on contemporary social harms that were not covered in the original book The collection provides a toolkit for students and academics to critically analyse the issues around crime social harm power powerlessness

truth mystification criminal injustice social justice as well as historical and contemporary sites of resistance confronting the exercise of state power

Conflict-Related Violence against Women Aisling Swaine, 2018-02-15 By comparatively assessing three conflict affected jurisdictions Liberia Northern Ireland and Timor Leste Conflict Related Violence against Women empirically and theoretically expands current understanding of the form and nature of conflict time harms impacting women The violences that occur in conflict beyond strategic rape are first identified Employing both a disaggregated and an aggregated approach relations between forms of violence within and across each context s pre mid and post conflict phase are then assessed identifying connections and distinctions in violence Swaine highlights a wider spectrum of conflict related violence against women than is currently acknowledged She identifies a range of forces that simultaneously push open and close down spaces for addressing violence against women through post conflict transitional justice The book proposes that in the aftermath of conflict a transformation rather than a transition is required if justice is to play a role in preventing gendered violence before conflict and its appearance during and after conflict

Women and Genocide Elissa Bemporad, Joyce W. Warren, 2021-12-22 Essays that use gender as a critical lens for staging intersectional multidisciplinary investigations of genocide in the 20th and 21st centuries Reading Religion The genocides of modern history Rwanda Armenia Guatemala the Holocaust and countless others and their effects have been well documented but how do the experiences of female victims and perpetrators differ from those of men In *Women and Genocide* human rights advocates and scholars come together to argue that the memory of trauma is gendered and that women s voices and perspectives are key to our understanding of the dynamics that emerge in the context of genocidal violence The contributors of this volume examine how women consistently are targets for the sexualized violence that serves as an instrument of ethnic cleansing how female perpetrators take advantage of the new power structures and how women are involved in the struggle for justice in post genocidal contexts By placing women at center stage *Women and Genocide* helps us to better understand the nexus existing between misogyny and violence in societies where genocide erupts It elegantly bridges the historical divide between the study of political violence and the study of gendered violence in the so called domestic sphere *Women and Genocide* is an immense scholarly accomplishment that has the potential to fund creative advances in each of the scholarly disciplines it engages as well as human rights peace and anti violence programs of advocacy Reading Religion

The Work of Rape Rana M. Jaleel, 2021-08-09 In *The Work of Rape* Rana M Jaleel argues that the redefinition of sexual violence within international law as a war crime crime against humanity and genocide owes a disturbing and unacknowledged debt to power and knowledge achieved from racial imperial and settler colonial domination Prioritizing critiques of racial capitalism from women of color Indigenous queer trans and Global South perspectives Jaleel reorients how violence is socially defined and distributed through legal definitions of rape From Cold War conflicts in Latin America the 1990s ethnic wars in Rwanda and Yugoslavia and the War on Terror to ongoing debates about sexual assault on college campuses Jaleel considers how legal

and social iterations of rape and the terms that define it consent force coercion are unstable indexes and abstractions of social difference that mediate racial and colonial positionalities Jaleel traces how post Cold War orders of global security and governance simultaneously transform the meaning of sexualized violence extend US empire and disavow legacies of enslavement Indigenous dispossession and racialized violence within the United States Duke University Press Scholars of Color First Book Award recipient

Rethinking Rape Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rethinking Rape has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rethinking Rape has opened up a world of possibilities. Downloading Rethinking Rape provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rethinking Rape has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rethinking Rape. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rethinking Rape. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rethinking Rape, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rethinking Rape has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rethinking Rape Books

1. Where can I buy Rethinking Rape books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Rethinking Rape book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Rethinking Rape books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Rethinking Rape audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Rethinking Rape books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
