Kurds Mehrdad Izady, 2015-06-03 First Published in 1993 Since before the dawn of recorded history the mountainous lands of the northern Middle East have been home to a distinct people whose cultural tradition is one of the most authentic and original in the world Some vestiges of Kurdish life and culture can actually be traced back to burial rituals practiced over 50 000 years ago by people inhabiting the Shanidar Caves near Arbil in central Kurdistan In this book the author has tried to identify and delineate the heritage of the Kurds now thoroughly submerged in the accepted and standard models for subdividing Middle Eastern civilization none of which is designed to accommodate the stateless Kurds

Myths about the Powerless Ali Banuazizi, Michael Morris, Ramsay Liem, 1996

Development as Theory and Practice David Simon, Anders Narman, 2014-09-25 The first book in the DARG series *Development as Theory and Practice* provides the only student textbook which addresses broad contemporary perspectives and debates on development and development cooperation It introduces the notions of development and what it means from different perspectives i.e. from the point of view of academics in the wake of the New World Order regional specialists detached from the field Third World students of development and development practitioners The second part of the book focuses on development aid and examines the changing relationship between donors and recipients and the effects of these relationships on the wider communities in these countries and current re-evaluations of aid in principle and practice *Development as Theory and Practice* is an ideal course text for advanced

undergraduate and postgraduate courses in development aid as part of degree programmes in Development Studies Geography Politics Sociology and Anthropology It will also be of interest to researchers and development practitioners and professionals

Japanese Modernity and Welfare R. Vij, 2007-11-13 Challenging conventional thought on the nature of welfare and civil society in modern Japan Ritu Vij offers an original theoretical and historical interpretation of both Drawing upon a neo Hegelian understanding of the formation of modern subjectivity in political economy this book uncovers a specific pattern of welfare provision in Japan

Africa's Contemporary Challenges Carlos Lopes, 2013-09-13 This book reviews Cabral s intellectual contribution to current debates on race identity nation building democracy leadership and ethics The key leader of the national liberation movements of former Portuguese African colonies is considered to be one of their foremost intellectuals the continent has produced This rare combination of freedom fighter operational campaigner and astute political scientist justifies the academic interest in his contribution Africa s Contemporary Challenges reviews the impact of Amilcar Cabral s thinking and its relationship with contemporary debates about race identity nation building democracy leadership or ethics The complexity of Cabral s vision and hopes for Africa continues to incite curiosity and interest Cabral s tragic assassination in 1973 has removed the possibility of analysing his impact on post independent Lusophone Africa but his thoughts continue to be the most important reference This book was published as a special issue of African Identities

Nanotechnology and Global Equality Donald Maclurcan, 2012-03-27 The book places nanotechnology s emergence within a broad historical and contemporary global context while developing and testing an interpretive framework through which to assess nanotechnology s claims It clarifies the nature of global engagement with nanotechnology research and development revealing surprising scenarios unacknowledged by most mainstream commentators The book concludes by exploring a range of perspectives from Thailand and Australia about nanotechnology s foreseen implications for global inequity

What Was Neoliberalism? Neil Davidson, 2023-10-24 Eminent scholar activist Neil Davidson s brilliance is on full display in this posthumous work a timely and prescient introduction to the neoliberal era While it is widely agreed that neoliberalism arose in the wake of the global economic crisis of the 1970s there remains much debate about how to understand its significance and even how to define it Is it best seen as an ideology of free market fundamentalism a series of policy decisions gutting the public sector and breaking unions or as an era of capitalist development with its own logic Bringing his considerable intellectual breadth and characteristic generosity to bear on this question Neil Davidson shows that to truly appreciate what is unique about neoliberalism and what marks it out as a continuation of capitalism more generally it is necessary to examine its social dimensions What Was Neoliberalism holds fast to Davidson s conviction that thoroughly understanding the past means being better prepared for the struggles of the future

Rethinking Power, Institutions and Ideas in World Politics Amitav Acharya, 2014-01-10 The study of international relations has traditionally been

dominated by Western ideas and practices and marginalized the voice and experiences of the non Western states and societies As the world moves to a post Western era it is imperative that the field of IR acquires a more global meaning and relevance Drawing together the work of renowned scholar Amitav Acharya and framed by a new introduction and conclusion written for the volume this book exposes the narrow meaning currently attached to some of the key concepts and ideas in IR and calls for alternative and broader understandings of them The need for recasting the discipline has motivated and undergirded Acharya s own scholarship since his entry into the field over three decades ago This book reflects his own engagement quarrels and compromise and concludes with suggestions for new pathways to a Global IR a forward looking and inclusive enterprise that is reflective of the multiple and global heritage of IR in an changing and interconnected world It is essential reading for anyone who is concerned about the history development and future of international relations and international relations theory
