

Russia Ukraine And The Breakup Of The Soviet Union

Roman Szporluk

Russia Ukraine And The Breakup Of The Soviet Union:

Russia, Ukraine, and the Breakup of the Soviet Union Roman Šporlúk, Roman Szporluk, 2000 Focusing on the critical relationship between Ukraine and Russia renowned scholar Roman Szporluk chronicles the final two decades in the history of the Soviet Union and presents a story that is often lost in the standard interpretations of the collapse of communism

Russia, Ukraine, and the Breakup of the Soviet Union Roman Szporluk, 2020-02-24 This book chronicles the final two decades in the history of the Soviet Union and presents a story that is often lost in the standard interpretations of the collapse of communism in Eastern Europe and the USSR Although there were numerous reasons for the collapse of communism it did not happen as it may have seemed to some overnight Indeed says Roman Szporluk the root causes go back even earlier than 1917 To understand why the USSR broke up the way it did it is necessary to understand the relationship between the two most important nations of the USSR Russia and Ukraine during the Soviet period and before as well as the parallel but interrelated processes of nation formation in both states Szporluk details a number of often overlooked factors leading to the USSR's fall how the processes of Russian identity formation were not completed by the time of the communist takeover in 1917 the unification of Ukraine in 1939 1945 and the Soviet period failing to find a resolution of the question of Russian Ukrainian relations The present day conflict in the Caucasus he asserts is a sign that the problems of Russian identity remain

The Ukrainian-Russian Borderland Volodymyr V. Kravchenko, 2022-08-26 The eastern edge of Europe has long been in flux The nature of the Ukrainian Russian relationship is both complex and ambiguous Prompted by the countries historical and geographical entanglement Volodymyr Kravchenko asks what the words Ukraine and Russia really mean The Ukrainian Russian Borderland abandons linear historical interpretation and addresses questions of identity and meaning through imperial and geographic contexts Dominated by imperial powers Eastern Europe and its boundaries were in a constant state of flux and re identification during the Russian imperial period Here the Little Russian early modern identity discourse both connects and separates modern Russian and Ukrainian identities and gives rise to issues of historical terminology Mirroring the historical ambiguity is the geographical fluidity of the borders between Ukraine and Russia Kravchenko situates this issue in the city of Kharkiv and Kharkiv University as both real and imagined markers of the borderland Putting the centuries long Ukrainian Russian relationship into imperial and regional contexts Kravchenko adds a new perspective to the ongoing discourse about relations between the two nations

Conflict in Ukraine Rajan Menon, Eugene B. Rumer, 2015-02-06 Puts the conflict in historical perspective by examining the evolution of the crisis and assessing its implications both for the Crimean peninsula and for Russia's relations with the West more generally Experts in the international relations of post Soviet states political scientists Rajan Menon and Eugene Rumer clearly show what is at stake in Ukraine explaining the key economic political and security challenges and prospects for overcoming them They also discuss historical precedents sketch likely outcomes and propose policies for safeguarding U S Russia relations in the future

from the publisher **Revolution and War in Contemporary Ukraine** Olga Bertelsen, 2017-03-28 What are the reasons behind and trajectories of the rapid cultural changes in Ukraine since 2013 This volume highlights the role of the Revolution of Dignity and the Russian Ukrainian war in the formation of Ukrainian civil society the forms of warfare waged by Moscow against Kyiv including information and religious wars Ukrainian and Russian identities and cultural realignment sources of destabilization in Ukraine and beyond memory politics and Russian foreign policies the Kremlin's geopolitical goals in its near abroad and factors determining Ukraine's future and survival in a state of war The studies included in this collection illuminate the growing gap between the political and social systems of Ukraine and Russia The anthology illustrates how the Ukrainian revolution of 2013 2014 Russia's annexation of the Crimean peninsula and its invasion of eastern Ukraine have altered the post Cold War political landscape and with it regional and global power and security dynamics Ukrainian Historical Writing in North America during the Cold War Volodymyr V. Kravchenko, 2022-12-13 This book is the first comprehensive survey of Ukrainian historical writing in North America during the Cold War The author describes the development of Ukrainian historical studies in Canada and the United States as an open sometimes difficult dialogue between the Ukrainian ethnic and academic communities on the one hand and between Ukrainian scholars and Western academic mainstream on the other He focuses on the institutional and the intellectual issues including various interpretations of major topics related to the Ukrainian national grand narrative considering them in the evolving academic and political contexts of Slavic East European and Soviet studies **The Encyclopedia of the Cold War** Spencer C. Tucker, 2007-09-12 A comprehensive five volume reference on the defining conflict of the second half of the 20th century covering all aspects of the Cold War as it influenced events around the world The conflict that dominated world events for nearly five decades is now captured in a multivolume work of unprecedented magnitude from a publisher widely acclaimed for its authoritative military and historical references Under the direction of internationally known military historian Spencer Tucker ABC CLIO's The Encyclopedia of the Cold War A Political Social and Military History offers the most current and comprehensive treatment ever published of the ideological conflict that not so long ago enveloped the globe From the Second World War to the collapse of the Soviet Union The Encyclopedia of the Cold War provides authoritative information on all military conflicts battlefield and surveillance technologies diplomatic initiatives important individuals and organizations national histories economic developments societal and cultural events and more The nearly 1 300 entries plus topical essays and an extraordinarily rich documents volume draw heavily on recently opened Russian Eastern European and Chinese archives The work is a definitive cornerstone reference on one of the most important historical topics of our time Constitutional Referendums Stephen Tierney, 2012-04-05 The use of referendums around the world has grown remarkably in the past thirty years and in particular referendums are today deployed more than ever in the settlement of constitutional questions even in countries with little or no tradition of direct democracy This is the first book by a constitutional theorist to address the

implications of this development for constitutional democracy in a globalizing age when many of the older certainties surrounding sovereignty and constitutional authority are coming under scrutiny The book identifies four substantive constitutional processes where the referendum is regularly used today the founding of new states the creation or amendment of constitutions the establishment of complex new models of sub state autonomy particularly in multinational states and the transfer of sovereign powers from European states to the European Union The book as a study in constitutional theory addresses the challenges this phenomenon poses not only for particular constitutional orders which are typically structured around a representative model of democracy but for constitutional theory more broadly The main theoretical focus of the book is the relationship between the referendum and democracy It addresses the standard criticisms which the referendum is subjected to by democratic theorists and deploys both civic republican theory and the recent turn in deliberative democracy to ask whether by good process design the constitutional referendum is capable of facilitating the engagement of citizens in deliberative acts of constitution making With the referendum firmly established as a fixture of contemporary constitutionalism the book addresses the key question for constitutional theorists and practitioners of how might its operation be made more democratic in age of constitutional transformation

Nuclear Energy And Security In The Former Soviet Union David R Marples, 2018-02-19 Only several years after the collapse of the Soviet Union nuclear security issues are again at the forefront of international concern This timely collection addresses issues of cleanup at Chernobyl and other sites of nuclear disasters nuclear smuggling safety concerns in the Ukrainian and Russian nuclear industries and Ukraine's negotiations with Russia and the West regarding the transference of its nuclear weapons to Russia Preeminent scholars in their fields the contributors provide up to the minute information and fresh insights into questions critical to the future of the former Soviet Union and to Russian and Ukrainian relations with the West

The Conflict in Ukraine Serhy Yekelchuk, 2015 When guns began firing again in Europe why was it Ukraine that became the battlefield Conventional wisdom dictates that Ukraine's current crisis can be traced to the linguistic differences and divided political loyalties that have long fractured the country However this theory only obscures the true significance of Ukraine's recent civic revolution and the conflict's crucial international dimension The 2013-14 Ukrainian revolution presented authoritarian powers in Russia with both a democratic and a geopolitical challenge President Vladimir Putin reacted aggressively by annexing the Crimea and sponsoring the war in eastern Ukraine and Russia's actions subsequently prompted Western sanctions and growing international tensions reminiscent of the Cold War Though the media portrays the situation as an ethnic conflict an internal Ukrainian affair it is in reality reflective of a global discord stemming from differing views on state power civil society and democracy The Conflict in Ukraine What Everyone Needs to Know explores Ukraine's contemporary conflict and complicated history of ethnic identity and it does so by weaving questions of the country's fraught relations with its former imperial master Russia throughout the narrative In denying Ukraine's existence as a separate nation Putin has adopted a stance

similar to that of the last Russian tsars who banned the Ukrainian language in print and on stage Ukraine emerged as a nation state as a result of the imperial collapse in 1917 but it was subsequently absorbed into the USSR When the former Soviet republics became independent states in 1991 the Ukrainian authorities sought to assert their country's national distinctiveness but they failed to reform the economy or eradicate corruption As Serhy Yekelchuk explains for the last 150 years recognition of Ukraine as a separate nation has been a litmus test of Russian democracy and the Russian threat to Ukraine will remain in place for as long as the Putinist regime is in power In this concise and penetrating book Yekelchuk describes the current crisis in Ukraine the country's ethnic composition and the Ukrainian national identity He takes readers through the history of Ukraine's emergence as a sovereign nation the after effects of communism the Orange Revolution the EuroMaidan the annexation of the Crimean Peninsula the war in the Donbas and the West's attempts at peace making The Conflict in Ukraine is essential reading for anyone who wants to understand the forces that have shaped contemporary politics in this increasingly important part of Europe What Everyone Needs to Know R is a registered trademark of Oxford University Press

The History of Ukraine Paul Kubicek, 2008-09-30 Ukraine's struggle for a national identity plagued this former Soviet Union state long before the Cold War shook the world Its central location between Eastern Europe and Western Asia invited many different cultures to settle the land ultimately populating a powerful early medieval society known as Kievan Rus However readers will learn how Kievan Rus's Golden Age quickly crumbled with decades of Mongol invasions Polish Lithuanian occupation and Russian imperial ruling Explore how Ukraine flirted with independence in the early 20th century only to be quickly taken over by harsh Soviet rule in 1922 Despite its independence from the USSR in 1991 devastating consequences of the socialist rule have allowed the world to witness Ukraine's ceaseless efforts to attain a stable government struggling through the poisoning of Viktor Yushchenko rigged elections and the Orange Revolution Kubicek's survey is comprehensive and concise a perfect resource for high school students and undergrads as well as general readers looking to further their knowledge of this up and coming nation

Living Soviet in Ukraine from Stalin to Maidan Michael T. Westrate, 2016-04-29 What the world is now witnessing in Ukraine is the cumulative effect of history and memory in the lives of the people of the region and this book directly addresses those subjects Although the majority of scholarship on the Soviet Union focuses on top level political and intellectual elites these groups were only tiny minorities What was life like for the rest of society What was it like for the vast population that usually supported the regime mostly accepted the rules essentially internalized the ideology and generally made the same choices as their neighbors and friends What was it like to live Soviet as the USSR hit its peak as a superpower and then fell apart What was it like to live Soviet in Ukraine in the decade after independence This book answers those questions It is an oral history of a group of military colonels and their wives children and contemporaries covering their lives from childhood to the present During this period these military families went from comfortable economic circumstances professional prestige and political influence as part of the Soviet

upper stratum to destitution and disgrace in the 1990s Today many of them are part of Europe's largest ethnic minority Russians in Ukraine The geographic focus is Kharkiv the second largest city in Europe's second largest country a Russian speaking city in eastern Ukraine Based on 3 000 pages of interview transcripts and supplemented with materials gleaned from unprecedented access to personal family and institutional archives the book investigates how families endured shifting social cultural and political realities By analyzing the lives of individuals in context Westrate provides insights at the grassroots level He reveals how ideological professional gender ethnic and national imperatives as developed and transmitted by elites were internalized transformed or rejected by the rank and file He reveals how the subjective identities of individuals and small groups developed and changed over time and how that process relates to the parallel projects pursued by the leaders of their countries In the process he shows what those experiences have to offer the study of Soviet post Soviet and transnational history bridging the boundaries created by the collapse of the USSR and exploring the foundations of both twenty first century Ukraine and today's conflicts

Three Revolutions: Mobilization and Change in Contemporary Ukraine I Pawel Mink, Georges Reichardt, Iwona Kowal, 2019-10-31

Volume One of Three Revolutions presents the overall research and discussions on topics related to the revolutionary events that have unfolded in Ukraine since 1990 The three revolutions referred to in this project include the Revolution on Granite 1990 the Orange Revolution 2004 2005 and the Euromaidan Revolution 2013 2014 The project's overall goal was to determine the extent to which we have the right to use the term revolution in relation to these events Moreover the research also uncovered the methodological problems associated with this task Lastly the project investigated to what extent the three revolutions are connected to each other and to what extent they are detached Hence the research in this volume not only discusses the theoretical aspects but also provides new analyses on such issues as religion memory and identity in Ukraine

Russian Politics and Presidential Power Donald R. Kelley, 2016-10-05

Russian Politics and Presidential Power takes an in depth look at the Russian presidency and uses it as a key to understanding Russian politics Donald R Kelley looks at presidents from Gorbachev to Putin as authoritarian transformational leaders who set out to build the future while sometimes rejecting and reinterpreting the work of past modernizers Placing the presidency in this context helps readers understand both the disintegration of the Soviet Union and the nature of the Russian Federation that rose in its place And by setting the presidency within a longer historical context Kelley shows how the future of the presidency is dependent on other features of the political system

Expert Political Judgment Philip E. Tetlock, 2017 Annotation Since its original publication this book has established itself as a contemporary classic in the literature on evaluating expert opinion Tetlock first discusses arguments about whether the world is too complex for people to find the tools to understand political phenomena let alone predict the future He evaluates predictions from experts in different fields comparing them to predictions by well informed laity or those based on simple extrapolation from current trends He goes on to analyse which styles of thinking are more

successful in forecasting **The Ukrainian West** William Jay Risch, 2011-06-06 Months before crowds in Moscow dismantled monuments to Lenin residents of the western Ukrainian city of Lviv toppled theirs Risch argues that Soviet politics of empire created this anti Soviet city and that opposition from the periphery as much as from the imperial center was instrumental in unraveling the Soviet Union *The Frontline* Serhii Plokhy, 2023-03-21 The Frontline presents a selection of essays drawn together for the first time to form a companion volume to Serhii Plokhy's *The Gates of Europe* and *Chernobyl* Here he expands upon his analysis in earlier works of key events in Ukrainian history including Ukraine's complex relations with Russia and the West the burden of tragedies such as the Holodomor and World War II the impact of the Chernobyl nuclear disaster and Ukraine's contribution to the collapse of the Soviet Union Juxtaposing Ukraine's history to the contemporary politics of memory this volume provides a multidimensional image of a country that continues to make headlines around the world Eloquent in style and comprehensive in approach the essays collected here reveal the roots of the ongoing political cultural and military conflict in Ukraine the largest country in Europe STALINISM in UKRAINE in the 1940s D. Marples, 1992-10-27 Stalinism in Ukraine in the 1940s focuses on the economic and social problems in Ukraine particularly during the war years and the collectivization of agriculture in Western Ukraine in the late 1940s It compares the imposition of the Stalinist system in Eastern Ukraine in the 1930s to that in Western Ukraine in the following decade using recently released Soviet archival information and historical works The Economics of Soviet Breakup Bert van Selm, 2012-10-12 This book analyzes the effects of the break up of the Soviet Union into fifteen independent states Topics discussed include past and present economic relations between the republics and forecasts for the future discussion of Customs Unions Monetary Union or Payments Union as possible ways forward for these states economic integration theory how the states of the Soviet Union functioned before the dissolution **Russian Energy Politics in the Baltics, Poland, and Ukraine** Keith C. Smith, 2004-12-10

Russia Ukraine And The Breakup Of The Soviet Union Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Russia Ukraine And The Breakup Of The Soviet Union free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Russia Ukraine And The Breakup Of The Soviet Union free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Russia Ukraine And The Breakup Of The Soviet Union free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Russia Ukraine And The Breakup Of The Soviet Union. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open

Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Russia Ukraine And The Breakup Of The Soviet Union any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Russia Ukraine And The Breakup Of The Soviet Union Books

1. Where can I buy Russia Ukraine And The Breakup Of The Soviet Union books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
