

The RUSSIAN Struggle for POWER: 1914-1917

by C. Jay Smith, Jr.

Russian Struggle For Power 1914 1917

Xiang Xie

Russian Struggle For Power 1914 1917:

The Russian Struggle for Power, 1914-1917 Clarence Jay Smith (Jr.),1956 **The Russian Struggle for Power, 1914-1917** Clarence Jay Smith,1953 **The Russian Struggle for Power, 1914-1917** C. Jay Smith (jr.),1969 The Russian Struggle for Power, 1914-1917 Clarence Jay Smith Jr.,2011-07-01 *The Russian Struggle for Power, 1914-1917* Clarence Jay Smith,1969 *The Russian Struggle for Power, 1914-1917. A Study of Russian Foreign Policy During the First World War* C. Jay Smith,1969 *The Russian Origins of the First World War* Sean McMeekin,2013-05-06 In a major reinterpretation Sean McMeekin rejects the standard notion of the war s beginning as either a Germano Austrian pre-emptive strike or a miscalculation The key to the outbreak of violence he argues lies in St Petersburg Russian statesmen unleashed the war through policy decisions based on imperial ambitions in the Near East The Struggle for the Eurasian Borderlands Alfred J. Rieber,2014-03-20 A major new account of the Eurasian borderlands as shatter zones which have generated some of the world s most significant conflicts *The Oxford History of the First World War* Hew Strachan,2023-07-25 Histories you can trust The First World War now a century ago still shapes the world in which we live and its legacy lives on in poetry in prose in collective memory and political culture By the time the war ended in 1918 millions lay dead Three major empires lay shattered by defeat those of Germany Austria Hungary and the Ottomans A fourth Russia was in the throes of a revolution that helped define the rest of the twentieth century The Oxford History of the First World War brings together in one volume many of the most distinguished historians of the conflict in an account that matches the scale of the events From its causes to its consequences from the Western Front to the Eastern from the strategy of the politicians to the tactics of the generals they chart the course of the war and assess its profound political and human consequences Chapters on economic mobilization the impact on women the role of propaganda and the rise of socialism establish the wider context of the fighting at sea and in the air and which ranged on land from the trenches of Flanders to the mountains of the Balkans and the deserts of the Middle East **With Snow on Their Boots** Jamie H. Cockfield,1999-07-02 In 1916 in an exchange of human flesh for war material the Russian government sent to France two brigades to fight on the side of their French allies By the end of World War I these two brigades had experienced their own form of the Russian Revolution had been isolated at a southern training post in a discipline move by the French government had battled against each other in what was one of the first confrontations of the Russian Civil War and had emerged from the conflict as a single force the Russian Legion of Honor which would remain loyal to France until the end of the war The remarkable story of these Russian soldiers has been overlooked by historians until now Jamie Cockfield here explores the journey and transformation of these men and in so doing he examines the impact of the revolution on the Russians who were caught in the middle of wartime alliances and nationalist ardor *Transformation in Russian and Soviet military history ,* **The First World War** Keith Robbins,2002-08-22 This book gives a clear chronological account of the campaigns on the Western and Eastern Fronts

and then moves on to investigate areas that many studies ignore the war poets the diplomacy of war aims and peace moves logistics and the experience of the war **Quarterly Review of Military Literature** ,1956 Review of Current Military Literature ,1956-06 *Professional Journal of the United States Army* ,1956 **Military Review** ,1956 *Liberals in the Russian Revolution* William G. Rosenberg,2019-03-12 Although many Russians thought that the Constitutional Democrats or Kadets would be the party that would lead them through the Russian Revolution into the ranks of the Western European democracies the Kadets were easily crushed by the Bolsheviks in the struggle for power How the Kadets responded to the events of the revolution and failed at the time of the party s greatest crisis is the subject of William G Rosenberg s study As political history the book examines the values programs organization and tactics of Russia s most prominent liberal party from 1917 to 1921 As a study of the Russian Revolution and Civil War it probes the strengths and weaknesses of the one political group whose politics did more to influence the outcome of events than any other political organization except the Bolsheviks Based largely on party journals and emigre archives the book focuses not only on the role of the Kadets in the revolution but also on the broader issue of the relationship of Russian liberal politics to revolutionary social forces William G Rosenberg is Associate Professor of History at the University of Michigan Originally published in 1974 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **The Oxford Illustrated History of the First World War** Hew Strachan,2000 Having a profound influence on the history of the twentieth century the First World War left an intense legacy that continues to affect both those who lived through it and those who merely read about it in school It was the first conflict in which airplanes submarines and tanks played a significant role and the first in which casualties on the battlefield outnumbered those from disease It precipitated the collapse of the empires of Austria Hungary and Turkey and it promoted revolution in Russia America s entry into the war and the part it played in the peace settlement signaled the arrival on the world stage of a new great power In this extensively illustrated book an international team of experts explores the war in all its different aspects From its causes to its consequences from the strategy of the politicians to the tactics of the generals the course of the war is charted and its political and human consequences assessed The legacy of the war to end wars in poetry and prose in collective memory and political culture is with us still eighty years after that first Armistice Day This remarkable book helps us understand that legacy **The First World War in Africa** Hew Strachan,2004-10-14 To Arms is Hew Strachan s most complete and definitive study of the opening of the First World War Now key sections from this magisterial work are published as individual paperbacks each complete in itself and with a new introduction by the author The First World War was not just

fought in the trenches of the western front It embraced all of Africa Many of those who fought this white man s war were black The dangers they confronted went beyond those of the battlefield They fell prey to malaria and dysentery and they were attacked by lions and crocodiles But it was a vast and spectacular theatre of operations in which great personalities thrusting German officers like Paul von Lettow Vorbeck or big game hunters like Peter Pretorius could impose themselves Embracing the perspectives of all the nations who fought there this is the first ever full account of the Great War in Africa

The Ottoman Army and the First World War Mesut Uyar, 2020-12-30 This is a comprehensive new operational military history of the Ottoman army during the First World War Drawing from archives official military histories personal war narratives and sizable Turkish secondary literature it tells the incredible story of the Ottoman army s struggle from the mountains of the Caucasus to the deserts of Arabia and the bloody shores of Gallipoli The Ottoman army by opening new fronts diverted and kept sizeable units of British Russian and French forces away from the main theatres and even sent reinforcements to Austro Hungary and Bulgaria Against all odds the Ottoman army ultimately achieved some striking successes not only on the battlefield but in their total mobilization of the empire s meagre human and economic resources However even by the terrible standards of the First World War these achievements came at a terrible price in casualties and ultimately loss of territory Thus instead of improving the integrity and security of the empire the war effectively dismantled it and created situations and problems hitherto undreamed of by a besieged Ottoman leadership In a unique account Uyar revises our understanding of the war in the Middle East
