Cultivating Gardens of God Ananta Kumar Giri, 2024-11-12 In self society religion and politics we are used to the language and discourse of Kingdom of God But in this God is presented as an omnipotent king who is also angry at slight deviation We get glimpses of such powerful and angry God in Old Testament as well as in many other religious traditions of the world In such a discourse and portrayal of God we fail to realize that God is mercy rahim karuna and compassion God is our ever awakened nurturer and He and She is continuously walking and meditating with us with mercy as well as firm challenges for self development mutual realizations and responsible cosmic engagement and participation The vision and discourse of Kingdom of God has many a time been confined within a logic of power where we are prone to valorize God s power in order to valorize our own power on Earth especially the logic of sovereignty at the level of self and society rather than realize God s mercy This book strives to transform this to Gardens of God

The Beauty of the Lord Jonathan King, 2018-05-30 Why is God s beauty often absent from our theology Rarely do theologians take up the theme of God s beauty even more rarely do they consider how God s beauty should shape the task of theology itself But the psalmist says that the heart of the believer s desire is to behold the beauty of the Lord In The Beauty of the Lord Jonathan King restores aesthetics as not merely a valid lens for theological reflection but an essential one Jesus

our incarnate Redeemer displays the Triune God's beauty in his actions and person from creation to final consummation. How can and should theology better reflect this unveiled beauty? The Beauty of the Lord is a renewal of a truly aesthetic theology and a properly theological aesthetics.      **The Lord's Day Advocate**, 1910      **The class and the desk: a manual for Sunday School teachers**, by J.C. Gray and C.S. Carey. Old (New) Testament series James Comper Gray, 1891      **The Sabbath for Man** Wilbur Fisk Crafts, 1885      The Sabbath Recorder, 1927      *Behold, I AM* Joyce Lynn Wulf, 2023-11-13

It was a childlike question but the answer was as stunning as it was profound. If God is light, what do the primary colors of the rainbow's spectrum signify? The Gospel of John declares in eight mysterious signs that God is light and Jesus Christ in the flesh was God sent to bring the light of true life to us. These enigmatic signs of light semeion imply the eight signs' significance pointed to something other than what they appeared. The themes of John's eight signs match the themes of the Feasts given to ancient Israel at Mount Sinai and a sequence of YHWH's covenant names. Behold I AM is a rich in depth study into God's Holyday appointed times. His eight Festivals of Light: what they meant then, what they mean today, and how they are fulfilling prophecy.      **On Metaphoring** Wu, 2022-05-20

On Metaphoring engages in a metaphor way to communicate and interlearn among cultures. Bundle A describes how metaphor bundles things similar into a group called a notion, a category, etc. How does metaphor bundle things? It familiarizes strange things with things that are familiar to enrich old familiar things with new things, newly made familiar. Such metaphoric bundling creates a new family of knowledge. In this order, Bundle B characterizes metaphor as the origin of thinking, fit as a highway of intercultural communication where there is no shared way of thinking for each culture is a specific way of thinking. Bundle C shows how effective metaphor is in interculturally handling various problems of life and thinking. How metaphor works to interculture exhibits in fact what metaphor is. Such is how cultures understand one another: a cultural hermetic.      **The Lost Princess**, 2011-07-12
