Sculpting You to be the next master batsman: Sachin Tendulkar-----A coach's confessions Nikhil Jain and Ankur Jain, 2023-07-29 Sculpting YOU to be the next master batsman Sachin Tendulkar One of the more technical books on the market which is not just a time pass but is actually meant to teach serious batsman and those serious about going on with cricket the exact formula method and technique required to develop the game of a master Perhaps one of the best resources of formative guidance for the serious batsman on the market this book gives you a peephole into the mind of one the game's greatest thinkers and talents Every intricacy and aspect to Tendulkar's game is studied analysed and scrutinised and it is shown to the reader the exact what and why behind the little master's batting and what's more the aspects to mental toughness and mental resiliency which allowed him to launch a career of such mammoth proportions The book reveals in to the reader what made Tendulkar Tendulkar and what it will take on your behalf to also become the next Tendulkar and really does go into almost pin point detail about the little master's game and substantiates to the common man exactly what made Tendulkar so good *Master Laster* Sumit Chakrabarty, 2014-04-14 Master Laster takes you beyond Sachin Tendulkar's career aggregates and passionate assertions There are almost as many books about Sachin Tendulkar as there are centuries by him But just as there is only one Tendulkar century that came in a winning run chase in the last innings of a Test match rare are the books that look at his personal records through the prism of how much they mattered to the team In fact there are none because the easiest thing to do is to produce adulatory tomes for his doting fans But there are an equal number of cricket fans out there who want to know something more than gushing accolades and who don't shy away from asking difficult questions The book covers 1 a quarter of a century of Indian cricket bringing back to life many a game played during Tendulkar's time 2 it indulges fans in one of the enduring joys of cricket discussing a point threadbare from multiple angles 3 how many of his centuries made a difference to the team 4 what is his track record under pressure None of the books on Tendulkar has engaged fans in these debates There is the odd question raised here or a critical comment made there in memoirs by former cricketers but not a single book that sifts through the mountain of Tendulkar records to see what value can be attached to them from a team's point of view An exercise like that can be quite revealing even startling and certainly a lot of fun for cricket lovers It sets the Tendulkar debate against specific data taking it beyond career aggregates and passionate assertions Master Laster covers the variables in the game and its infinite possibilities It also deals with why this game is so fascinating to so many of us Sachin Tendulkar ESPN Cricinfo, 2015-02-24 Sachin Sachin will reverberate in my ears till I stop breathing Sachin Tendulkar The Man Cricket Loved Back is an ESPNcricinfo anthology of fine writing on India's greatest cricketer This collection brings together affectionate and perceptive appreciations from team mates and rivals who played alongside and against Tendulkar among them VVS Laxman Rahul Dravid Sourav Ganguly John Wright Allan Donald
