Sacra Doctrina Reason And Revelation In Aquinas Translated From The Swedish:

Aquinas Among the Protestants Manfred Svensson, David VanDrunen, 2017-09-25 AQUINAS AMONG THE PROTESTANTS This major new book provides an introduction to Thomas Aquinas's influence on Protestantism The editors both noted commentators on Aquinas bring together a group of influential scholars to demonstrate the ways that Anglican Lutheran and Reformed thinkers have analyzed and used Thomas through the centuries Later chapters also explore how today's Protestants might appropriate the work of Aquinas to address a number of contemporary theological and philosophical issues The authors set the record straight and disavow the widespread impression that Aquinas is an irrelevant figure for the history of Protestant thought This assumption has dominated not only Protestant historiography but also Roman Catholic accounts of the Reformation and Protestant intellectual life The book opens the possibility for contemporary reception engagement and critique and even intra Protestant relations and includes Information on the fruitful appropriation of Aquinas in Anglican Lutheran and Reformed theologians over the centuries Important essays from leading scholars on the teachings of Aquinas New perspectives on Thomas Aquinas's position as a towering figure in the history of Christian thought Aquinas Among the Protestants is a ground breaking and interdenominational work for students and scholars of Thomas Aquinas and theology more generally

That All May Believe Carl E. Braaten, 2018-10-11 Karl P Donfried Smith College A penetrating analysis of western Christianity in crisis as well as an incisive and compelling guide for course correction Written with clarity insight and conviction That All May Believe is Braaten at his very best A must read for Christians in the northern hemisphere Gabriel Fackre author of The Church Who else but Carl Braaten could show us an ecumenical vision of theology as evangelical but not simply Protestant catholic but not just Roman orthodox but not only Eastern Here is a needed call to share our ecclesial gifts with mutual affirmation on classical convictions and mutual admonition regarding teachable differences Yet all this is done with a well known Braaten edge indictment of conventional Christianity and a drifting academic theology We are in the author's debt for charting the right course toward visible unity and full communion for a church solid in its centralities and passionate about its mission Frank C Senn Immanuel Lutheran Church Evanston Illinois Employing his gift for incisive analysis of theological movements and trends according to the criterion of the saving gospel of Jesus Christ Braaten affirms the catholic tradition with its canon of Scripture and historic dogmas as the indispensable bearer of the gospel With evangelical passion for the missionary enterprise he shows how the church must move toward ecumenical unity in order to bring the world to belief He does not ignore the reality of the powers of evil that strive against the mission of the gospel Nor does he shrink from saying that dialogue with the religions must not blunt the apostolic imperative to proclaim the gospel and bring converts into the community of faith in the crucified and risen Christ This timely book confessionally anchored and ecumenically hopeful will engage theological readers from beginning to end
