Sacred Cantatas An Annotated Bibliography 19601979:

Sacred Cantatas, an Annotated Bibliography, 1960-1979 Margaret R. Evans,1982 Choral Music Avery T. Sharp,James Michael Floyd,2011 This is an annotated bibliography to books recordings videos and websites on choral music This book will serve as an excellent tool for librarians researchers and scholars in sorting through the massive amount of new material that has appeared since publication of the previous edition *Choral Music* James Michael Floyd,Avery T. Sharp,2019-05-23 *Choral Music A Research and Information Guide Third Edition* offers a comprehensive guide to the literature on choral music in the Western tradition Clearly annotated bibliographic entries guide readers to resources on key topics within choral music individual choral composers regional and sacred choral traditions choral techniques choral music education genre studies and more providing an essential reference for researchers and practitioners Covering monographs bibliographies selected dissertations reference works journals electronic databases and websites this research guide makes it easy to locate relevant sources Comprehensive indices of authors titles and subjects keep the volume user friendly The new edition has been brought up to date with entries encompassing the latest scholarship and updated references and annotations throughout capturing the continued growth of literature on choral music since the publication of the second edition Church and Worship Music in the United States James Michael Floyd,Avery T. Sharp,2016-08-12 This fully updated second edition is a selective annotated bibliography of all relevant published resources relating to church and worship music in the United States Over the past decade there has been a growth of literature covering everything from traditional subject matter such as the organ works of J S Bach to newer areas of inquiry including folk hymnology women and African American composers music as a spiritual healer to the music of Mormon Shaker Moravian and other smaller sects With multiple indices this book will serve as an excellent tool for librarians researchers and scholars sorting through the massive amount of material in the field *Church and Worship Music* James Michael Floyd,Avery T. Sharp,2013-10-31 First Published in 2005 Routledge is an imprint of Taylor Francis an informa company **Historical Dictionary of Choral Music** Melvin P. Unger,2023-08-14 A Library Journal Starred Review March 2024 praises the book as a remarkable resource that will please both musical professionals and amateurs along with teachers and their students and conductors and singers Throughout the ages people have wanted to sing in a communal context This desire apparently stems from a deeply rooted human instinct Consequently choral performance historically has often been related to human rituals and ceremonies especially rites of a religious nature *Historical Dictionary of Choral Music Second Edition* contains a chronology an introduction and an extensive bibliography The dictionary section has more than 1 300 cross referenced entries on composers conductors choral ensembles choral genres and choral repertoire This book is an excellent resource for students researchers and anyone wanting to know more about choral music **Choral Music in Nineteenth-Century America** Lee N. Orr,Dan W. Hardin,1999-08-28 Choral music represented an important part of American cultural life during the

nineteenth century whether integral to worship or merely for entertainment Despite this history choral music remains one of the more neglected studies in the scholarly community In an effort to fill this gap N Lee Orr and W Dan Hardin offer a new approach to the study of choral music by mapping out and bringing bibliographical control to this expansive and challenging field of study Their unique guide focuses on literature related to choral music in the United States from the end of the second decade of the nineteenth century through the earlier part of the twentieth century *Choral Music in Nineteenth Century America* explores the entire range of choral music conceived written published rehearsed and performed by an ensemble of singers gathered specifically to present the music before an audience or congregation The guide expertly sifts through the extensive literature to cite the most notable sources for study and provides individual chapters on the leading nineteenth century composers who were instrumental in the development of choral music Modern Music Librarianship Alfred Mann, 1989 For 37 years Ruth Watanabe served as head of the Sibley Library of the Eastman School of Music University of Rochester one of the most outstanding collections of music books on music and music recordings of any academic institution in the western world This volume published in association with Bärenreiter Verlag comprises essays devoted to the history organization administration and innovations of the modern music library *NU Quarter Notes*, 1986 **The British National Bibliography** Arthur James Wells, 1968 Randall Thompson Caroline C. Benser, David F. Urrows, 1991-03-30 This is the first major reference work on this important choral composer As is usual for volumes in this valuable series the book is clearly printed and well bound and it is highly recommended for undergraduate and graduate music collections as well as for public libraries serving communities with active choral societies Choice When Randall Thompson died in 1984 America lost one of its most distinguished musicians At the time of his death it was already apparent that an assessment of his varied contributions to our musical life in the context of his contemporary generation was sorely needed Randall Thompson A Bio Bibliography is the first comprehensive study of Thompson's oeuvre since his death The volume is organized into five parts beginning with a substantial biography written by David Francis Urrows Thompson's final student and amanuensis Urrows presents new information on Thompson's youth his study in Italy and the influence of Malipiero on his work his educational and compositional philosophy and his role in the emergence of American music from the influence of European models Benser's most complete catalog of works compiled to date follows This vital list includes previously unpublished compositions particularly those newly made available by Thompson's longtime publisher E C Schirmer and new recordings made by Bay Cities Music A sampling of prose writings by Thompson offers a eclectic overview The complete extensively annotated bibliography discography and two appendixes that list Thompson's compositions chronologically and alphabetically complete this study Music libraries will want to add this volume to their collections It will also be an invaluable reference for choral directors program note annotators and American music enthusiasts *Small Press Record of Books in Print*, 1986 **National Union Catalog**, Includes entries for maps and atlases **New in the NTSU Music Library**

North Texas State University. Music Library,1981 Catalogue May and May (Firm),1984 *The American Organist* ,1990
Sumários periódicos de música ,1982 **An Annotated Bibliography of Church Music** Jason M. Runnels,2003 The purpose and scope of this bibliography is to survey the literature concerning church music primarily in publications from 1980 to the present while including materials that have been published and serve as primary resources earlier than that The emphasis is on Protestant church music largely those published in the English language The selected lists include over 700 titles and contain citations with annotations of reference works and bibliographies The annotations offer an indication of the scope content and special features of each work This study will fill the research and reference needs of music students scholars and church musicians as well as providing research and college libraries with a reference for building their church music collections Die Hiob-Rezeption in der Musik des 20. Jahrhunderts Daniel Fromme,2016 American Oratorios and Cantatas ,1986 This catalog includes the basic title page information length description of required performing forces and location of the score for 3 450 extended choral works of which 450 are categorized as oratorios by over 1 000 composers Title Composer Date and Topical indexes will facilitate access to the entries With bibliography
