often talked about the dreams and she said that I did seem to have the gift I had by this time began to understand just what she meant by the various talks with these women I was eventually allowed to sit in on the talks and sometimes I was asked for my opinion In later life my granda became poorly and she showed me a lot of her private books that she had written down her musings on all of the subjects within dreams I was asked to take over from her for the readings When she died I was asked if I wanted anything of hers I asked for the books that she had written down her thoughts on the subject I moved back to Birmingham and the books lay in my attic for years In 1972 I came across them and again began to get an interest in the interpretation of dreams I got out grandma s books and decided to bring them up to date It has taken my since then to complete them

Three Times Time Jack Matthews, A year before he died Jack Matthews author of 10 story collections and over 30 books was asked to suggest his 3 favorite stories from all his books for this story sampler Amos Smith the Gunsmith reaches into the folk tale tradition to produce a nice allegory about human labor A Woman of Properties is a satirical suburban tale reminiscent of Flannery O Connor or Cheever about a real estate agent with a grudge The Girl at the Window is an unsettling and mysterious tale about our relationship to the past Also included is an extended interview the author gave about the craft of writing in 2009 During his career as a writer Mr Matthews was distinguished professor of Fiction Writing at Ohio University in Athens Ohio for over 4 decades Winner of Guggenheim and several arts grants Matthews has been anthologized widely translated into several languages and nominated for a National Book Award His own books have been praised by Eudora Welty Anthony Burgess Shirley Ann Grau Tim O Brien Doris Grumbach Walker Percy and a host of other famous and highly accomplished authors Mr Matthews is a master of prose conversation and deadpan charm He is ironic cool and shrewd and he writes a lucid prose Tom O Brien New York Times Matthews always graceful prose finds that precise telling detail It s easy to fall in love with such writing Perry Glasser North American Review Engaging wit and irony have been characteristic of Matthews s writing from the start and both are strongly present in his latest gatherings of stories His irony is increasingly darker however and his characters obsession with memory and its distortions plays a more dominant role in this later work much of which deals with death For the most part these are stories with deceptively simple and ordinary surfaces but they are driven by powerful and ominous undercurrents which often fuse the local and regional with the archetypal Few can do it better Without question Matthews
