time consuming theatre work Eliot remains untiring in promoting the writers on Faber's ever broadening lists George Barker Marianne Moore and Louis MacNeice among them In addition Eliot works hard for the Christian Church he has espoused in recent years serving on committees for the Church Union and the Church Literature Association and creating at Faber but she refuses to comprehend that her husband has chosen to leave her and stalks him across literary society leading to his place of work at the offices of Faber Faber The correspondence draws in detail upon Vivien's letters and diaries to provide a picture of her mental state and way of life and to help the reader to appreciate her thoughts and feelings

The Chameleon Poet Robert Fraser, 2014-09-30 The poet George Barker was convinced that his biography could never be written I've stirred the facts around too much he told Robert Fraser It simply

can't be done Eliot wrote of his genius Yeats thought him the most interesting poet of his generation Dylan Thomas envied his power over women War trapped him in Japan In America he conducted one of the most celebrated love affairs of the century He fathered fifteen children in several countries three during one battle torn summer By the 1950s he was the toast of Soho Barker was Catholic and bohemian frank and elusive tender and boisterous In Eliot's phrase he was a most peculiar fellow Robert Fraser's biography offers both a portrait of a talented tormented and irresistibly entertaining man and a broad cultural landscape Around the central figure cluster painters like Francis Bacon Lucian Freud Johnny Minton and the Roberts Colquhoun and MacBryde writers such as Dylan Thomas Walter de la Mare and Elizabeth Smart whose *By Grand Central Station I Sat Down and Wept* hymns their liaison the lugubrious humorist Jeffrey Bernard After closing time at the Colony Room Minton declared they had to sweep up the jokes

The American Play Marc Robinson, 2009-01-01 In this brilliant study Marc Robinson explores more than two hundred years of plays styles and stagings of American theater Mapping the changing cultural landscape from the late eighteenth century to the start of the twenty first he explores how theater has and has not changed and offers close readings of plays by O'Neill Stein Wilder Miller and Albee as well as by important but perhaps lesser known dramatists such as Wallace Stevens Jean Toomer Djuna Barnes and many others Robinson reads each work in an ambitiously interdisciplinary context linking advances in theater to developments in American literature dance and visual art The author is particularly attentive to the continuities in American drama and expertly teases out recurring themes such as the significance of visuality He avoids neatly categorizing nineteenth and twentieth century plays and depicts a theater more restive and mercurial than has been recognized before Robinson proves both a fascinating and thought provoking critic and a spirited guide to the history of American drama

Scotland's Harvest Richie McCaffery, 2023-07-24 This study is the first exploration of the impact of World War Two on Scottish poets of both the front line and the home front World War One has always been thought of as a poet's war one of horror and futility The poetry of World War Two by contrast has long languished in its shadow though there was a much greater amount of it written This book asks whether these poets felt they were grown for war or rather that they grew through war experience with an emphasis on the possibilities of the future instead of cataloguing the senseless horror of the battlefield How were the hopes of Scottish poets different from their English counterparts How was their poetry different and how did it impact on their later lives
