Dower, 1986 **Select Documents on Japanese War Crimes and Japanese Biological Warfare, 1934-2006** , The enactment of the Japanese Imperial Government Disclosure Act P L 106 657 and the issuance of Executive Order 13110 Jan 11 1999 aimed at making U S government records related to Japanese war crimes and war criminals in World War II more accessible Records surveys implementing these requirements disclosed that there were relatively few remaining security classified relevant documents waiting for disclosure On the other hand better identification of relevant documents and improved access to these records was a primary goal of the White House The Interagency Working Group IWG staff took up the admonition from the National Security Advisor that Agencies should bring to light hitherto unknown relevant unclassified or declassified records encountered in the course of the search for relevant classified records In selecting documents the IWG Staff focused on several subjects and topics that have longstanding interest and concerns for researchers Japanese research and experiments in biological warfare BW Japanese instigation of biological warfare attacks in World War II Japanese biological warfare experiments on living humans and animals Japanese atrocities against prisoners of war Japanese atrocities against civilian populations Allied decisions to hold Japanese responsible for war crimes Allied decisions to hold war crimes trials Allied decision to consider Emperor Hirohito as a person responsible for war crimes Allied decisions to investigate specific Japanese scientists and military personnel for BW crimes American POWs held at Mukden POW Camp Hoten and any evidence of BW experiments on them Some subjects of current interest such as comfort women were specifically searched for but with little success This collection will continue to expand as new documents are discovered [Manga and the Representation of Japanese History](#) Roman Rosenbaum, 2013 This edited collection explores how graphic art and in particular Japanese manga represent Japanese history The articles explore the representation of history in manga from disciplines that include such diverse fields as literary studies politics history cultural studies linguistics narratology and semiotics Despite this diversity of approaches all academics from these respective fields of study agree that manga pose a peculiarly contemporary appeal that

transcends the limitation imposed by traditional approaches to the study and teaching of history The representation of history via manga in Japan has a long and controversial historiographical dimension Thereby manga and by extension graphic art in Japanese culture has become one of the world s most powerful modes of expressing contemporary historical verisimilitude The contributors to this volume elaborate how manga and by extension graphic art rewrites reinvents and reimagines the historicity and dialectic of bygone epochs in postwar and contemporary Japan Manga and the Representation of Japanese History will be of interest to students and scholars of Asian studies Asian history Japanese culture and society as well as art and visual culture Encyclopedia of Library and Information Science Allen Kent, Harold Lancour, Jay E.

Daily, 1977-05-01 The Encyclopedia of Library and Information Science provides an outstanding resource in 33 published volumes with 2 helpful indexes This thorough reference set written by 1300 eminent international experts offers librarians information computer scientists bibliographers documentalists systems analysts and students convenient access to the techniques and tools of both library and information science Impeccably researched cross referenced alphabetized by subject and generously illustrated the Encyclopedia of Library and Information Science integrates the essential theoretical and practical information accumulating in this rapidly growing field Juries in the Japanese Legal System Dimitri

Vanoverbeke, 2015-04-10 Trial by jury is not a fundamental part of the Japanese legal system but there has been a recent important move towards this with the introduction in 2009 of the lay assessor system whereby lay people sit with judges in criminal trials This book considers the debates in Japan which surround this development It examines the political and socio legal contexts contrasting the view that the participation of ordinary citizens in criminal trials is an important manifestation of democracy with the view that Japan as a society where authority is highly venerated is not natural territory for a system where lay people are likely to express views at odds with expert judges It discusses Japan s earlier experiments with jury trials in the late 19th Century the period 1923 43 and up to 1970 in US controlled Okinawa compares developing views in Japan on this issue with views in other countries where dissatisfaction with the jury system is often evident and concludes by assessing how the new system in Japan is working out and how it is likely to develop Twentieth Century China James H.
