his struggles were over Scholarly anxious Edwin Reardon had achieved a precarious career as the writer of serious fiction On the strength of critical acclaim for his fourth novel he has married the refined Amy Yule But the brilliant future Amy expected has evaded her husband The catastrophe of the Reardon s failing marriage is set among the rising and falling fortunes of novelists journalists and scholars who labour in the valley of the shadow of books George Gissing s *New Grub Street* was written at breakneck speed in the autumn of 1890 and is considered his best novel Intensely autobiographical it reflects the literary and cultural crisis in Britain at the end of the nineteenth century *The Rule of the Clan* Mark S.

Weiner,2013-03-12 A revealing look at the role kin based societies have played throughout history and around the world A lively wide ranging meditation on human development that offers surprising lessons for the future of modern individualism *The Rule of the Clan* examines the constitutional principles and cultural institutions of kin based societies from medieval Iceland to modern Pakistan Mark S Weiner an expert in constitutional law and legal history shows us that true individual freedom depends on the existence of a robust state dedicated to the public interest In the absence of a healthy state he explains humans naturally tend to create legal structures centered not on individuals but rather on extended family groups The modern liberal state makes individualism possible by keeping this powerful drive in check and we ignore the continuing threat to liberal values and institutions at our peril At the same time for modern individualism to survive liberals must also acknowledge the profound social and psychological benefits the rule of the clan provides and recognize the loss humanity sustains in its transition to modernity Masterfully argued and filled with rich historical detail Weiner s investigation speaks both to modern liberal societies and to developing nations riven by clannism including Muslim societies in the wake of the Arab Spring **The Warden** Anthony Trollope,2014-10-09 You might pass Eleanor Harding in the street without notice but you could hardly pass an evening with her and not lose your heart John Bold has lost his heart to Eleanor Harding but he is a political radical who has launched a campaign against the management of the charity of which her father is the Warden How can this tangle be resolved In the novel which is Trollope s first acknowledged masterpiece the emotional drama is staged against the background of two major contemporary social issues the inappropriate use of charitable funds and the irresponsible exercise of the power of the press A witty love story in the Jane Austen tradition this is also an unusually subtle example of Condition of England fiction combining its charming portrayal of life in an English cathedral close with a serious engagement in larger social and political issues *The Warden* is the first of the six books which form Trollope s Barsetshire series of novels This edition also includes *The Two Heroines of Plumplington* the short story which Trollope added just before his death to provide a final episode in the annals of Barsetshire ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much

more **Jacob's Room** Virginia Woolf, 2023-05-09 What do we seek through millions of pages Still hopefully turning the pages oh here is Jacob's room Who is Jacob Flanders Virginia Woolf's third novel published in 1922 alongside James Joyce's Ulysses and T S Eliot's The Waste Land follows this elusive title character from a sunlit childhood on the Cornwall coast to adventures in Cambridge London and Athens Women fall in love with Jacob young men desire his company and conversation But Woolf keeps her scornful charming protagonist at a distance enveloping Jacob in mystery as he enters adulthood and the Great War thunders across Europe A daring work that reimagines every element of the traditional novel Jacob's Room tells a new story for a new century In 1922 Lytton Strachey pronounced Jacob's Room a most wonderful achievement more like poetry it seems to me than anything else and as such I prophesy immortal One hundred years after its publication Woolf's first full length work of experimental fiction pulls us into the inexhaustible mysteries of intimacy and mortality

An Introduction to Behavioural Ecology Nicholas B. Davies, John R. Krebs, Stuart A. West, 2012-02-17 This textbook helped to define the field of Behavioural Ecology In this fourth edition the text has been completely revised with new chapters and many new illustrations and full colour photographs The theme once again is the influence of natural selection on behaviour an animal's struggle to survive and reproduce by exploiting and competing for resources avoiding predators selecting mates and caring for offspring and how animal societies reflect both cooperation and conflict among individuals Stuart A West has joined as a co author bringing his own perspectives and work on microbial systems into the book Written in the same engaging and lucid style as the previous editions the authors explain the latest theoretical ideas using examples from micro organisms invertebrates and vertebrates There are boxed sections for some topics and marginal notes help guide the reader The book is essential reading for students of behavioural ecology animal

behaviour and evolutionary biology Key Features Long awaited new edition of a field defining textbook New chapters illustrations and colour photographs New co author Focuses on the influence of natural selection on behavior and how animal societies reflect both cooperation and conflict among individuals The long awaited update to a classic in this field is now here presenting new directions in thinking and addressing burning questions Richly informed by progress in many other disciplines such as sensory physiology genetics and evolutionary theory it marks the emergence of behavioural ecology as a fully fledged discipline This is a marvellous book written in a lucid style A must read for those in the field it is also a cornucopia of new thinking for anyone interested in evolution and behaviour Manfred Milinski Nature 2012 *Hot-Dip Galvanizing of Steel Structures* Vlastimil Kuklik, Jan Kudlacek, 2016-02-09 Hot Dip Galvanizing of Steel Structures contains practical information that is useful for both researchers in hot dip galvanizing and engineers designers and inspectors The book draws from the empirical experience and research of the authors complementing the current state of knowledge of morphological variations of the coating and causes of coating delamination The book includes chapters devoted to qualitative tests of the coating and to methods of making corrections A section describing the principle of protecting steel against corrosion through zinc coating is also provided along with an extensive chapter on the principles of good design for hot dip galvanizing The chapter related to the safety of hot dip galvanized steel structures offers a new hypothesis about the mechanism of nucleation of LMAC cracks during hot dip galvanizing thus enriching the knowledge regarding this phenomenon Provides practical information on hot dip galvanizing from a scientific disciplinary perspective including coverage of design principles reliability of galvanized structures and legal aspects Features chapters devoted to qualitative assessments of the surface treatment and methods for correcting problems Includes discussion of hot dip galvanizing with regard to environmental aspects and sustainable development Britain Enforcing the Peace, 1918-1923 John D Grainger, 2025-01-30 Details the British Navy's efforts during the post Great War period facing challenges in the Near East from the Russian Revolution to Turkish resurgence under Mustafa Kemal The end of the Great War in the Near East began with the Turkish Armistice but was not complete until the final peace treaty in 1923 During that five year period the British Navy dealt with the overspill from the Russian Revolution in the Caucasus the Caspian Sea and Central Asia as well and then in the Aegean Sea and the Straits confronting the resurgent Turkish forces under Mustafa Kemal The British in India were very concerned about Bolshevik activities in Central Asia and had sent two battalions of Indian troops under a British general to attempt to cope with it They were successful in battle against larger forces but politically they were unable to reach any sort of settlement They were withdrawn when an Afghan war broke out A second expedition was sent early in 1918 from Iraq through Persia to gain control of the oil fields at Baku in Azerbaijan The object here was to prevent the oil falling into German or Turkish hands This was an expedition at the limit of military capabilities but it did succeed in seizing Baku and preventing a German conquest In the process ships in the Caspian Sea were captured and turned into a Caspian Sea flotilla

to fight Russian Bolshevik advances These adventures happened before the Turkish Armistice Constantinople had been occupied but holding it became increasingly difficult and required the use of considerable forces mainly British The other allies gradually faded away or adopted the Turkish side The resurgence of Turkish power in Anatolia eventually led to a tense confrontation between British and Turkish forces at Chanak on the Dardanelles and a difficult negotiation between generals The result was a truce British withdrawal from all occupied areas and the collapse of the Lloyd George government in Britain which was prepared to indulge in another war over the issues
