Vistazos Bill VanPatten,Terry L. Ballman,2002 This beginning Spanish text is a brief version of the successful Sabías que perfectly designed for those programs that are interested in an innovative task based approach but whose curriculum necessitates a briefer text Reduced in length from Sabías que by approximately 120 pages Vistazos retains the innovative pedagogical approach of its longer counterpart through a focus on engaging tasks that have a practical utility For example students may be asked to interview each other to create an information sheet for the teacher or to provide a report to the class The benefit to this approach is that students stay engaged in the activities and derive a greater sense of accomplishment and purpose from them
