Gonzalez, 1997-08-26 While the Irish Literary Revival began around 1885 and ended somewhere between 1925 and 1940 the Irish Renaissance has continued to the present day and shows no sign of abating The period has produced some of the most important and influential figures in Irish literature some of whom are counted among the world's greatest authors The Revival saw a reestablishment of Ireland's literary connections with its Celtic heritage and writers such as William Butler Yeats and Lady Gregory drew heavily on the myths and legends of the past James Joyce boldly reshaped the novel and wrote short fiction of enduring value Contemporary Irish writers continue to be leading figures and include such authors as Brian Friel Seamus Heaney and Eavan Boland Included in this reference book are alphabetically arranged entries for more than 70 modern Irish writers including Samuel Beckett William Trevor Patrick Kavanagh Medbh McGuckian Sean O'Casey J.M. Synge and Nuala Ni Dhomhnaill Entries are written by expert contributors and reflect a broad range of perspectives Each entry contains a brief biography that summarizes the author's career a discussion of major works and themes an overview of the author's critical reception and a bibliography of primary and secondary works An introductory essay reviews the large and growing body of scholarship on modern Irish literature while an extensive bibliography concludes the volume **Poetry and**

Its Others Jahan Ramazani, 2022-12-22 What is poetry Often it is understood as a largely self enclosed verbal system suspended from any mutual interaction with alien discourse in the words of Mikhail Bakhtin But in *Poetry and Its Others* Jahan Ramazani reveals modern and contemporary poetry's animated dialogue with other genres and discourses Poetry generates rich new possibilities he argues by absorbing and contending with its near verbal relatives Exploring poetry's vibrant exchanges with other forms of writing Ramazani shows how poetry assimilates features of prose fiction but differentiates itself from novelistic realism metabolizes aspects of theory and philosophy but refuses their abstract

procedures and recognizes itself in the verbal precision of the law even as it separates itself from the law's rationalism. But poetry's most frequent interlocutors he demonstrates are news, prayer and song. Poets such as William Carlos Williams and W. H. Auden refashioned poetry to absorb the news while expanding its contexts. T. S. Eliot and Charles Wright drew on the intimacy of prayer though resisting its limits and Paul Muldoon, Rae Armantrout and Patience Agbabi have played with and against song lyrics and techniques. Encompassing a cultural and stylistic range of writing unsurpassed by other studies of poetry, *Poetry and Its Others* shows that we understand what poetry is by examining its interplay with what it is not.

Tradition and Influence in Anglo-Irish Poetry Terence Brown, Nicholas Grene, 1989-06-18. A collection of essays presenting an insider view of the Irish poetic tradition. It brings together some of the best known poets and critics writing in Ireland today exploring the multiple traditions and influences within Anglo-Irish poetry from the 19th century to the present.

Contemporary Irish Poetry Elmer Andrews, 2016-04-30. Contains 14 essays dealing with the poetry that has come out of Ireland since the mid 1960s. The first half of the book is devoted to general issues and themes and takes account of the interrelationships of contemporary Irish poetry. The second half concentrates on the work of individual poets. Ageing Masculinities in Irish Literature and Visual Culture Michaela Schrage-Früh, Tony Tracy, 2022-07-14. This book engages with ageing masculinities in Irish literature and visual culture including fiction, drama, poetry, painting and documentary. Exploring the shifting representations of older men from the early twentieth century to the present, the contributors analyse how a broad range of literary and visual texts construct, reinscribe or challenge perceptions of older age. In doing so, they trace a shift from depictions of authority figures often symbolising patriarchal dominance and oppression to more nuanced, complex and heterogeneous explorations of older men's embodied subjectivities and vulnerabilities. Exploring artists and writers such as Seán Keating, J. M. Synge, Teresa Deevy, Marina Carr, Seamus Heaney, Paul Muldoon, Derek Mahon, Kate O'Brien, John Banville, Colm Tóibín, Bernard MacLaverty, Mike McCormack, Anne Griffin and Claire Keegan, the chapters in this book attend to the symbolic as well as social significance of older men in Irish cultural expression. **Disobedience** Alice Notley, 2001-10-01. Alice Notley has earned a reputation as one of the most challenging and engaging radical female poets at work today. Her last collection, *Mysteries of Small Houses*, was a finalist for both the Pulitzer Prize in poetry and the Los Angeles Times Book Prize. Structured as a long series of interconnected poems in which one of the main elements is an ongoing dialogue with a seedy detective, *Disobedience* sets out to explore the visible as well as the unconscious. These poems, composed during a fifteen-month period, also deal with being a woman in France with turning fifty and with being a poet and thus seemingly despised or at least ignored. The Cambridge Companion to Contemporary Irish Poetry Matthew Campbell, 2003-08-28. In the last fifty years, Irish poets have produced some of the most exciting poetry in contemporary literature, writing about love and sexuality, violence and history, country and city. This book, first published in 2003, provides an introduction to major figures such as Seamus Heaney and also introduces the reader to significant precursors like Louis MacNeice or Patrick Kavanagh and vital

contemporaries and successors among others Thomas Kinsella Nuala N Dhomhnaill and Paul Muldoon Readers will find discussions of Irish poetry from the traditional to the modernist written in Irish as well as English from both North and South This Companion provides cultural and historical background to contemporary Irish poetry in the contexts of modern Ireland but also in the broad currents of modern world literature It includes a chronology and guide to further reading and will prove invaluable to students and teachers alike Stand Magazine ,1986 Canadian Books in Print ,2003 Demons, Hamlets and Femmes Fatales Jayne Steel,2007 The book provides a lively discussion of the ways in which popular fiction appropriates the figure of the Provisional IRA activist and the political conflict within the north of Ireland It looks at how authors recreations or transformations of Irish republicanism might reveal self referential images that are ultimately a product of national identity and or gender identity An important focus of the book interrogates British fascination and fixation with the Provisional IRA and its terrors The many novels discussed in this study include Gerald Seymour Harry s Game Campbell Armstrong Jig Bernard MacLaverty Cal Mary Costello Titanic Town Jennifer Johnston Shadows on our Skin Deidre Madden One by One through the Darkness **World Authors, 1995-2000** Mari Rich,Olivia J. Smith,Clifford Thompson,2003 Representing a broad range of ethnic diversity these in depth profiles present fascinating accounts of lives and careers the circumstances under which works were produced and their literary significance Each profile also includes critical evaluation a list of the author s principal works with date first published a list of major critical works and a portrait or photograph where available **Ireland and the Americas** Philip Coleman,James Byrne,Jason King,2008-02-01 This work is a distinctive multidisciplinary encyclopedia covering the cultural political economic musical and literary impact that Ireland and the nations of the Americas have had on one another since the time of Brendan the Navigator Ireland and the Americas Culture Politics and History aims to broaden the traditional notion of Irish American beyond Boston New York and Chicago In addition to full coverage of Irish culture in those settings it reveals the pervasive Irish influence in everything from the settling of the American West to the spread of Christianity throughout the hemisphere to Irish involvement in revolutionary movements from the American colonies to Mexico to South America In addition the encyclopedia shows the profound impact of Irish Americans on their homeland in everything from art and literature informed by the emigrant experience to efforts by Irish Americans to influence Irish politics Ranging from colonial times to the present and informed by the surge of academic interest in the past 30 years Ireland and the Americas is the definitive resource on the profound ties that bind the cultures of Ireland the United States Canada and Latin America **Sub-versions** Ciaran Ross,2010 From Swift s repulsive shit flinging Yahoos to Beckett s dying but never quite dead moribunds Irish literature has long been perceived as being synonymous with subversion and all forms of subversiveness But what constitutes a subversive text or a subversive writer in twenty first century Ireland The essays in this volume set out to redefine and rethink the subversive potential of modern Irish literature Crossing three central genres one common denominator running through these essays whether dealing with canonical

writers like Yeats Beckett and Flann O'Brien or lesser known contemporary writers like Sebastian Barry or Robert McLiam Wilson is the continual questioning of Irish identity Irishness going from its colonial paradigm and stereotype of the subaltern in MacGill to its uneasy implications for gender representation in the contemporary novel and the contemporary drama A subsidiary theme inextricably linked to the identity problematic is that of exile and its radical heritage for all Irish writing irrespective of its different genres Sub Versions offers a cross cultural and trans national response to the expanding interest in Irish and postcolonial studies by bringing together specialists from different national cultures and scholarly contexts Ireland Britain France and Central Europe The order of the essays is by genre This study is aimed both at the general literary reader and anyone particularly interested in Irish Studies
