#### **Selected Works Of Govind Ballabh Pant Vol 3:**

Selected Works of Govind Ballabh Pant Govind Ballabh Pant, Bal Ram Nanda, 1993 Volume 9 coincides with the eventful period January 1939 to August 1942 that saw the passage of the Quit India resolution An Environmental History of Postcolonial North India Eric A. Strahorn, 2009 An Environmental History of Postcolonial North India is a study of an increasingly important part of the Indian landscape It examines the social process of accelerated land use as it has been affected by political and epidemiological factors and pays particular attention to the shifting representations of the landscape As a contribution to the literature of the environmental history of India this book examines the questions of agricultural colonization wildlife conservation and disease control **Roads to Freedom** Mushirul Hasan, 2016-06-30 In its most brutal form the prison in British India was an instrument of the colonial state for instilling fear and dealing with resistance Exploring the lived experience of select political prisoners this volume presents their struggles and situates them against the backdrop of the freedom movement From Mohamed Ali Maulana Abdul Kalam Azad the Nehru family and Gandhi to communists like M N Roy we get a vivid glimpse of their lives within the confines of the prison in a narrative that is at times deeply personal and yet political The struggles of some remarkable women of the time are also brought to the fore be it the feisty doctor Rashid Jahan Aruna Ali Vijaya Lakshmi Pandit or Sarojini Naidu Extensively researched the volume draws upon the records at the National Archives of India private papers creative writings of the prisoners newspapers memoirs biographies and autobiographies The volume also brings to light the differences between Indian and European prisons during the colonial period and the conception of criminal classes in the colony Capturing the sharp pangs of loneliness the poetry born out of solitude and the burning desire for independence Roads to Freedom breathes new life into accounts and tales **Dr. Rajendra Prasad** Rajendra Prasad, 1984 long forgotten Indian Books in Print ,2003 **India At War** Yasmin Khan, 2015-09-10 World War II was a global catastrophe Far broader than just the critical struggle between Allies and Axis its ramifications were felt throughout the world It was a time of social relocation reorienting ideas of patriotism and geographical attachment and forcing the movement of people across oceans and continents In India at War Yasmin Khan offers an account of India's role in the conflict one that takes into consideration the social economic and cultural changes that occurred in South Asia between 1939 and 1945 and reveals how vital the Commonwealth's contribution was to the war effort Khan's sweeping work centers on the lives of ordinary Indian people exploring the ways they were affected by a cataclysmic war with origins far beyond Indian shores In manpower alone India's contribution was staggering it produced the largest volunteer army in world history with 2 5 million men Indians were engaged in making the raw materials and food stuffs needed by the Allies and became involved in the construction of airstrips barracks hospitals internee camps roads and railways Their lives were also profoundly affected by the presence of the large Allied army in the region including not only British but American African and Chinese troops Madras was bombed by the Japanese and the Andaman and Nicobar Islands

were occupied while the Bengal famine of 1943 in which perhaps three million Bengalis died was a man made disaster precipitated by the effects of the war This authoritative account offers a critically important look at the contributions of colonial manpower and resources essential to sustaining the war and emphasizes the significant ways in which the conflict shaped modern India **Political Process in Uttar Pradesh** Sudha Pai,2007 The essays in this volume present a complex picture of the major upheavals that UP has experienced in its society polity and economy over the last two decades

**Rediscovering Gandhi** Yamaguchi Hiroichi, 2015-01-01 One characteristic of this book is that it takes a holistic approach and tries to see how the different aspects of Gandhi s life have interacted with one another One more aim of the book is to see if we may extract anything out of him now seventy years after his demise when we are squarely to face the problems before us of building peace and solving poverty For these purposes Gandhi s politics socioeconomics and his fight against communalism constitute the themes of the three key chapters. They are preceded by one on his motivation and his religion The final one is on his international activities A brief Summing Up follows The author shows his respect to Gandhi s compassion farsightedness even genius here and there but does not hesitate to point out his mistakes This is the result of the author's decadelong dialogue with many Indians Gandhi's writings and works on him State Violence and Punishment in *India* Taylor C. Sherman, 2010-01-21 Exploring violent confrontation between the state and the population in colonial and postcolonial India this book is both a study of the ways in which governments in India used collective coercion and state violence against the population and a cultural history of how acts of state violence were interpreted by the population Dr. Rajendra Prasad: Correspondence and Select Documents, Vol. 10 Rajendra Prasad, 1988 Selected Works of Jawaharlal Nehru: 16 July 1952 - 18 October 1952 Jawaharlal Nehru, 1996 Dr. Rajendra Prasad: Correspondence and Select Dr. Rajendra Prasad: Correspondence and Select Documents, Vol. 2, documents, Vol. 8,1987 Great War Radhika Singha, 2020-12-15 Though largely invisible in histories of the First World War over 550 000 men in the ranks of the Indian army were non combatants From the porters stevedores and construction workers in the Coolie Corps to those who maintained supply lines and removed the wounded from the battlefield Radhika Singha recovers the story of this unacknowledged service The labor regimes built on the backs of these coolies sustained the military infrastructure of empire their deployment in interregional arenas bent to the demands of global war Viewed as racially subordinate and subject to non martial caste designations they fought back against their status using the warring powers need for manpower as leverage to challenge traditional service hierarchies and wage differentials The Coolie's Great War views that global conflict through the lens of Indian labor constructing a distinct geography of the war from tribal settlements and colonial jails beyond India s frontiers to the battlefronts of France and Mesopotamia Constitutional Democracy in India Bidyut Chakrabarty, 2018-01-12 Constitutional democracy is both a structure of governance and a way of providing an ideological perspective on governance The 1950 Constitution of India established constitutional democracy in India and the narrative of

the rise and consolidation of constitutional democracy in India cannot be understood without comprehending the politico ideological processes that consolidated simultaneously both colonialism and constitutional liberalism This book examines the processes leading to constitutionalizing India and challenges the conventional idea that the Constitution of India is a borrowed doctrine A careful study of the processes reveals that the 1950 Constitution was the culmination of an ideational battle that had begun with the consolidation of the British Enlightenment philosophy in the early days of British paramountcy in India The book therefore argues that constitutionalizing endeavour in India had a clear imprint of ideas which had its root in this philosophy The study reveals a striking continuity of the same kind of ideological sentiments when the nationalists devised their own constitutionalizing design visible in the 1928 Motilal Nehru report and which reappeared in the 1945 Sapru Committee report Deviating from the conventional study of constitutional evolution of a polity which is generally legalistic this book explores the processes since the beginning of colonial rule in India which led to the conceptualization of constitutional democracy in a milieu engaging with arguments formulated by James and JS Mill A detailed analysis of the roots of constitutional and political liberalism in India this book sheds light on the material surrounding India s constitutional development It will be of interest to scholars in the field of Indian Political Theory South Asian Politics and History
