Steinbach, Rachel Dwyer, Jahnavi
Phalkey**

Selected Works Of Jawaharlal Nehru Vol 35:

Tibet Lezlee Brown Halper, Stefan Halper, 2014-04-01 Tibet's enduring myth animated by the tales of Himalayan adventurers, British military expeditions and the novel *Lost Horizon* remains an inspirational fantasy, a modern morality play about the failure of brutality to subdue the human spirit. Tibet also exercises immense soft power as one of the lenses through which the world views China. This book traces the origins and manifestations of the Tibetan myth as propagated by Younghusband, Madam Blavatsky, Himmler, Acheson and Roosevelt. The authors discuss how after WW2 Tibet isolated, misunderstood and with a tiny elite unschooled in political/military realities misread the diplomacy between its two giant neighbours, India and China, forlornly hoping London or Washington might intervene. China's People's Liberation Army sought nothing less than to deconstruct traditional Tibet, unseat the Dalai Lama and absorb this vast region into the People's Republic. Lhasa succumbed to China's invasion in 1950. Drawing on declassified CIA and Chinese documents, the authors reveal Mao's collusion with Stalin to subdue Tibet, double dealing by Nehru, the brilliant diplomacy of Chou en Lai and how Washington saw-sawed between the China lobby who insisted there be no backing for an independent Tibet and Presidents Truman and later Eisenhower who initiated a covert CIA programme to support the Dalai Lama and resist Chinese occupation. It is an ignoble saga with few if any heroes other than ordinary Tibetans. Nehru and Bose Rudrangshu Mukherjee, 2015-09-15 Nobody has done more harm to me than Jawaharlal Nehru wrote Subhas Chandra Bose in 1939. Had relations between the two great nationalist leaders soured to the extent that Bose had begun to view Nehru as his enemy? But then why did he name one of the regiments of the Indian National Army after Jawaharlal? And what prompted Nehru to weep when he heard of Bose's untimely death in 1945 and to recount soon after I used to treat him as my younger brother? Rudrangshu Mukherjee's fascinating book traces the contours of a friendship that did not quite blossom as political ideologies diverged and delineates the shadow that fell between them for Gandhi saw Nehru as his chosen heir and Bose as a prodigal son. **The Transition to Democracy in Hungary** Dae Soon Kim, 2013-07-18 Unlike in other countries of Eastern Europe where the opposition to communism came in the form of single mass movements led by charismatic leaders such as Václav Havel and Lech Wałęsa, in Hungary the opposition was very fragmented, brought together and made effective only by the authoritative, significant but relatively unknown Imre Nagy who subsequently became Hungary's first post-communist president. This book charts the political career of Imre Nagy, outlining the outstanding contribution he made to Hungary's transition to democracy. Drawing on a wide range of sources including archives and interviews with Nagy himself and others, it shows how Nagy, unlike Havel who was a playwright and whose political role was largely symbolic, was a campaigning politician all his life, consistently advocating social democratic but not communist values. Imprisoned from 1956 for his participation in the 1956 uprising, Nagy was a highly effective political operator in the transition period around 1989 and as president wielded real power effectively. As politics in Hungary are again marred by deep division and fragmentation, Nagy's

success in bringing rival groups together is even more pronounced

Conflicting Visions Ryan Touhey, 2015-05-15 In 1974 India shocked the world by detonating a nuclear device In the diplomatic controversy that ensued the Canadian government expressed outrage that India had extracted plutonium from a Canadian reactor donated only for peaceful purposes In the aftermath relations between the two nations cooled considerably As *Conflicting Visions* reveals Canada and India's relationship was turbulent long before the first bomb blast From the time of India's independence from Britain Ottawa sought to build bridges between Indian and the West through dialogue and foreign aid New Delhi however had a different vision for its future and throughout the Cold War mistrust between the two nations deepened Ryan Touhey draws on archival records personal papers and interviews from Canada India the United States and Britain to trace the breakdown of this complicated bilateral relationship In the process he deepens our understanding of the history of Canadian foreign aid and international relations during the Cold War

The Oxford Handbook of Indian Foreign Policy David M. Malone, C. Raja Mohan, Srinath Raghavan, 2015-07-23 Following the end of the Cold War the economic reforms in the early 1990s and ensuing impressive growth rates India has emerged as a leading voice in global affairs particularly on international economic issues Its domestic market is fast growing and India is becoming increasingly important to global geo strategic calculations at a time when it has been outperforming many other growing economies and is the only Asian country with the heft to counterbalance China Indeed so much is India defined internationally by its economic performance and challenges that other dimensions of its internal situation notably relevant to security and of its foreign policy have been relatively neglected in the existing literature This handbook presents an innovative high profile volume providing an authoritative and accessible examination and critique of Indian foreign policy The handbook brings together essays from a global team of leading experts in the field to provide a comprehensive study of the various dimensions of Indian foreign policy

Revisiting Nehru In Contemporary India Baljit Singh, 2020-04-15 Jawaharlal Nehru being an architect of Indian polity economy and foreign policy set the ball rolling However they have witnessed cataclysmic changes over a period of time Indian polity has witnessed different waves of reorganisation of states evolving democracy spelling out of quasi federal system and building a more inclusive political nation Nehru set the agenda of economic development and framed the strategy of development accordingly In this volume an attempt has made to have a fair understanding about Nehru by placing him in the context in which he worked and by taking into account the challenges that Post Colonial India was facing during his time However the problems faced by the neo liberal economy and the challenges confronting Indian polity and foreign policy have again invoked the relevance of Nehruvian philosophy in contemporary India The contributors to this volume have analysed the diverse aspects of Nehru's thinking and the policies that flowed from it to understand their relevance in contemporary Indian Asian and global context Note T F does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka

The Indian Constituent Assembly Udit Bhatia, 2017-07-06 The essays in this volume propose a range of methodological

perspectives from which these critical debates might be read Adopting a multidisciplinary approach they explore themes such as party politics ideas of rights including caste and minority rights social justice and the philosophy of free speech

Gandhi Sudhir Chandra, 2019-11-14 Gandhi was perhaps the most influential yet misunderstood figure of the twentieth century Drawing close attention to his last years this book explores the marked change in his understanding of the acceptance of non violence by Indians It points to a startling discovery Gandhi made in the years preceding India's Independence and Partition the struggle for freedom which he had all along believed to be non violent was in fact not so He realised that there was a causal relationship between the path of illusory ahimsa which had held sway during the freedom struggle and the violence that erupted thereafter during Partition In the second edition of this much acclaimed volume Chandra revisits Gandhi's philosophy to explain how and why the phenomenon of the Mahatma has been understood and misunderstood through the years Calling for a rethink of the very nature and foundation of modern India this book throws new light on Gandhian philosophy and its far reaching implications for the world today It will interest not only scholars and researchers of modern Indian history politics and philosophy but also lay readers

Nonalignment and Peace Versus Military Alignment and War Nihal Henry Kuruppu, 2004 The Book Posits That The India Australia Relationship Has Greater Significance Than Previously Recognised As The Largest Democracy In The World One Of The Few In The Region That Has Steadfastly Clung To A Robust Democracy In The Face Of Considerable Challenges Including Early Western Pessimism About Its Future Viability India In View Of Some Is On Course To Become A Major Player In Global Trade And Regional Politics In The New Century

Raj, Secrets, Revolution Mihir Bose, 2004 **India and Australia** Brian Stoddart, Auriol Weigold, 2011 *Transcultural Justice at the Tokyo Tribunal*, 2018-03-06 While the International Military Tribunal at Nuremberg has been at the centre of scholarly attention the Tokyo Tribunal has for decades been largely neglected This is surprising insofar as this tribunal was a well organized Allied endeavour and prefigured the international courts and tribunals of our day Eleven national teams were sent to Tokyo between 1946 and 1948 to bring about justice in the aftermath of the Pacific War This volume offers an innovative approach to the Tokyo Tribunal as an arena of transcultural engagement It contextualizes legal agents as products of transnational forces constituted through dialogues about legal concepts and processes of faction making The endeavour was challenged by different national policies divergent legal traditions and varying cultural perceptions of the task ahead Contributors are Milinda Banerjee Anja Bihler Neil Boister David M Crowe Kerstin von Lingen Narrelle Morris Hitoshi Nagai Valentyna Polunina Ann Sophie Schoepfel Lisette Schouten James Burnham Sedgwick Yuki Takatori and Urs Matthias Zachmann

Sixteen Stormy Days Tripurdaman Singh, 2024-01-25 Winner of the Ramnath Goenka Award 2020 On 26th January 1950 India became a republic shedding its last links with its colonial past and inaugurating a new era of liberty and freedom With fundamental rights and civil liberties guaranteed by the state the new constitution was universally acclaimed as the world's greatest experiment in liberal

government This idealistic birth of a new republic meant a clean break with a repressive past And yet barely twelve months later the very makers of the constitution were denouncing their own creation Passed in June 1951 the First Amendment to the Constitution was a pivotal moment in Indian constitutional history Sixteen Stormy Days explores the contentious legacy of this First Amendment which drastically curbed freedom of speech restricted freedom against discrimination and circumscribed the right to property It follows the sixteen days of debate that led up to it the people that created it the great battle waged against it and the immense consequences it has had for Indian democracy It is a cautionary tale about an almost forgotten but hugely consequential piece of history that holds the key to understanding the position of civil liberties and individual freedoms in India today It challenges conventional wisdom on iconic figures such as Jawaharlal Nehru B R Ambedkar Rajendra Prasad Sardar Patel and Shyama Prasad Mookerji and lays bare the vast gulf between the liberal promise of India s Constitution and the authoritarian impulses of her first government *Independent Kashmir* Christopher Snedden,2021-06-01 Many disenchanted Kashmiris continue to demand independence or freedom from India Written by a leading authority on Kashmir s troubled past this book revisits the topic of independence for the region also known as Jammu and Kashmir or J K and explores exactly why this aspiration has never been fulfilled In a rare India Pakistan agreement they concur that neither J K nor any part of it can be independent Charting a complex history and intense geo political rivalry from Maharaja Hari Singh s leadership in the mid 1920s to the present this book offers an essential insight into the disputes that have shaped the region As tensions continue to rise following government imposed COVID 19 lockdowns Snedden asks a vital question what might independence look like and just how realistic is this aspiration **Nineteenth-Century Colonialism and the Great Indian Revolt** Amit Kumar Gupta,2015-10-05 This book examines the ruptured characteristics of colonialism in nineteenth century India It connects the British East India Company s efforts at the bourgeoisisation of India with the Revolt of 1857 The volume shows how the mutiny of Indian sepoys in the British Indian army became a popular uprising of peasants artisans and discontented aristocrats against the British Tracing the rationale and consequences of this conflict the monograph highlights how newly introduced political economic and agrarian policies as part of industrial Britain s colonial policy wreaked havoc resulting in high land revenue assessment and its harsh mode of collection rural indebtedness steady immiseration of peasants widespread land alienation destitution and suicide Using rare archival sources this book will be an important intervention in the study of nineteenth century India and will deeply interest scholars and researchers of modern Indian history and politics War Crimes Trials in the Wake of Decolonization and Cold War in Asia, 1945-1956 Kerstin von Lingen,2016-11-04 This book investigates the political context and intentions behind the trialling of Japanese war criminals in the wake of World War Two After the Second World War in Asia the victorious Allies placed around 5 700 Japanese on trial for war crimes Ostensibly crafted to bring perpetrators to justice the trials intersected in complex ways with the great issues of the day They were meant to finish off the business of World War Two and to consolidate United States hegemony over

Japan in the Pacific but they lost impetus as Japan morphed into an ally of the West in the Cold War Embattled colonial powers used the trials to bolster their authority against nationalist revolutionaries but they found the principles of international humanitarian law were sharply at odds with the inequalities embodied in colonialism Within nationalist movements local enmities often overshadowed the reckoning with Japan And hovering over the trials was the critical question just what was justice for the Japanese in a world where all sides had committed atrocities

1947-1957, India: the Birth of a Republic Chandrachur Ghose, 2023-08-28 The story of a decade 1947 to 1957 that made and unmade India The first decade after India's independence 1947 1957 was probably the most crucial in the nation's history Opening a window to this period this book weaves a story out of the complex ideas and events that have largely remained beneath the surface of public discourse The transfer of power the framing of the Constitution and the formation of the governance machinery the clash of ideas and ideologies among parties and personalities the beginning of the disintegration of the Congress and the consolidation of political forces in the opposition Nehru's grappling with existential problems at home and his quest for global peace the interplay between democratic ideals and ruthless power play all these factors impinged on each other and shaped the new republic in its formative decade Thought provoking argumentative and unputdownable 1947 1957 India The Birth of a Republic is a must read for anyone interested in Indian political history

Key Concepts in Modern Indian Studies Gita Dharampal, Monika Kirloskar-Steinbach, Rachel Dwyer, Jahnavi Phalkey, 2015-11-06 Modern Indian studies have recently become a site for new creative and thought provoking debates extending over a broad canvas of crucial issues As a result of socio political transformations certain concepts such as ahimsa caste darshan and race have taken on different meanings Bringing together ideas issues and debates salient to modern Indian studies this volume charts the social cultural political and economic processes at work in the Indian subcontinent Authored by internationally recognized experts this volume comprises over one hundred individual entries on concepts central to their respective fields of specialization highlighting crucial issues and debates in a lucid and concise manner Each concept is accompanied by a critical analysis of its trajectory and a succinct discussion of its significance in the academic arena as well as in the public sphere Enhancing the shared framework of understanding about the Indian subcontinent *Key Concepts in Modern Indian Studies* will provide the reader with insights into vital debates about the region underscoring the compelling issues emanating from colonialism and postcolonialism

Grasping Greatness Ashley J. Tellis; Bibek Debroy; C. Raja Mohan, 2023-01-23 Since its independence in 1947 India's leaders have sought to grasp the greatness that the country seemed destined for India's first prime minister Jawaharlal Nehru articulated these aspirations early on but overwhelmed by development challenges his successors focused largely on domestic concerns rather than on global leadership The post 1991 era saw India positioned for the first time in many decades as an economic success suggesting that it was on the cusp of breaking out as a global player The twenty odd years following the 1991 reforms were heady for India Based on the

expectation that India was now poised to ascend as a major power Prime Minister Narendra Modi less than a year after he first took office in May 2014 expressed his desire that India assume a leading role completing the transformation from being merely an influential entity into one whose weight and preferences are defining for international politics Grasping Greatness explores the various tasks pertaining to this push for eminence in world affairs It elaborates the economic state building and international dimensions of this ambition Eminent thinkers like Rakesh Mohan Ila Patnaik Surjit Bhalla Arjun Subramanian and others reflect upon the tasks at hand and the desirable routes to achieve them Edited by Ashley J Tellis Bibek Debroy and C Raja Mohan Grasping Greatness is an important contribution to the intellectual debates as India enters into a new era on the world stage *Jawaharlal Nehru* Rajendra Prasad Dube,1988 Political and social views of Jawaharlal Nehru 1889 1964 Indian statesman includes account of Indian politics and government chiefly of 1919 1947

Eventually, you will no question discover a supplementary experience and finishing by spending more cash. nevertheless when? accomplish you say yes that you require to get those every needs behind having significantly cash? Why dont you attempt to acquire something basic in the beginning? Thats something that will lead you to understand even more in the region of the globe, experience, some places, considering history, amusement, and a lot more?

Selected Works Of Jawaharlal Nehru Vol 35 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Selected Works Of Jawaharlal Nehru Vol 35 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Selected Works Of Jawaharlal Nehru Vol 35 has opened up a world of possibilities. Downloading Selected Works Of Jawaharlal Nehru Vol 35 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Selected Works Of Jawaharlal Nehru Vol 35 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Selected Works Of Jawaharlal Nehru Vol 35. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Selected Works Of Jawaharlal Nehru Vol 35. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Selected Works Of Jawaharlal Nehru Vol 35, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Selected Works Of Jawaharlal Nehru Vol 35 has

transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Selected Works Of Jawaharlal Nehru Vol 35 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Selected Works Of Jawaharlal Nehru Vol 35 is one of the best book in our library for free trial. We provide copy of Selected Works Of Jawaharlal Nehru Vol 35 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Selected Works Of Jawaharlal Nehru Vol 35. Where to download Selected Works Of Jawaharlal Nehru Vol 35 online for free? Are you looking for Selected Works Of Jawaharlal Nehru Vol 35 PDF? This is definitely going to save you time and cash in something you should think about.
