

WINTER MORNING POEM

BY OGDEN NASH

Winter is the king of showmen,
Turning tree stumps into snow men
And houses into birthday cakes
And spreading sugar over lakes.
Smooth and clean and frosty white,
The world looks good enough to bite.
That's the season to be young,
Catching snowflakes on your tongue!
Snow is snowy when it's snowing.
I'm sorry it's slushy when it's going.

Selected Poems of Robert Penn Warren Robert Penn Warren, 2001-03-01 John Burt's *Selected Poems of Robert Penn Warren* is more broadly representative

of Warren's poetry than any previous selected gathering. More than two hundred poems from every phase grace the volume, a vehicle ideal for sampling or soaking in the finest of Warren's rich output. With each poem Burt has carefully located the version that constitutes Warren's final revision. His introduction gives an eloquent overview of the poet's career, touching on every published book of verse and highlighting significant lines. A selected collection in the truest sense, featuring several previously unpublished pieces, this treasure is at once new and familiar. At the heart of Warren's poetry is a celebration of man's intellect and imagination, his integral place within nature and his relationship to time and the past. Ultimately, joy coexists with the knowledge of life's many mysteries, including its tragedies. Selected Poems of John Updike John Updike, Christopher Carduff, 2018-10-23. The best from Updike's lifework in poetry: 129 witty and intimate poems that when read together take on the quality of an autobiography in verse. By a master of American letters and the author of the acclaimed Rabbit series, Updike's gift for close observation in these poems as elsewhere is near to supernatural. The New York Times. Five decades of witty, intimate and moving poems written between 1953 and 2008 with the cumulative force of an unfolding verse diary. Though John Updike is widely known as one of America's greatest writers of prose, both his first book and his last were poetry collections, and in the fifty years between he published six other volumes of verse. Now, six years after his death, Christopher Carduff has selected the best from Updike's lifework in poetry: 129 witty and intimate poems that when read together in the order of their composition take on the quality of an unfolding verse diary. Among these poems are precocious undergraduate efforts including the previously unpublished "Coming into New York," frequently anthologized midcareer classics "Seagulls," "Seven Stanzas at Easter," "Dog's Death," and dozens of later works in a form that Updike made his own: the blank verse sonnet. The poems range from metaphysical epigrams and devotional poems to lyrical odes to rot, growth and healing, from meditations on Roman portrait busts and the fleshy canvases of Lucian Freud to observations on sash cords, postage stamps and hand tools, from several brief episodes in family history to a pair of long autobiographical poems, the antic and eclectic "Midpoint" written at age thirty-five and the elegiac masterpiece "Endpoint" completed just before his death at seventy-six. The variety of the work is astonishing; the craftsmanship, always of the highest caliber. Art, science, popular culture, foreign travel, erotic love, the beauty of the man-made and the God-given worlds: these recurring topics provided Updike ever-surprising occasions for wonder and matchless verbal invention. His Selected Poems is, as Brad Leithauser writes in his introduction, a celebration of American life in the second half of the twentieth century. No other writer of his time captured so much of this passing pageant. And that he did so with brio and delight and nimbleness is another reason to celebrate our noble celebrant. Selected Poems Robert Burns, 2005-01-17. This selection gives equal weight to the two aspects of Robert Burns's reputation: as a lyricist and as a much-loved Scottish poet. Placing works in probable order of composition, it includes lyrics to his most well-known songs such as the nostalgic "Auld Lang Syne," the romantic "A Red, Red Rose," and the patriotic
