Investments Kevin R. Mirabile, 2021-01-05 This book evaluates investment opportunities such as life settlements litigation funding farmlands royalties weather derivatives collectables and other unique asset classes It provides an in depth analysis of the returns risks opportunities and portfolio effects for anyone who wants to expand their investment horizons This book is for individual investors financial advisors and academics who desire knowledge about investment products beyond just stocks and bonds or vanilla hedge funds private equity and real estate investments It provides a critical link to industry data and original research to support the case for adding exotic alternative investments to traditional portfolios *Shopomania* Paul Berton, 2022-10-15 A thought provoking and provocative challenge to consumerism with plenty of name dropping and celebrity antics Sassy and satirical Shopomania is an economic environmental and social study This light hearted dark souled dictionary of coined words or shoponyms takes readers on a roller coaster ride of avaricious antics and outrageous profligacy Shopping in one form or another has existed for millennia but aside from a few slumps each generation has outdone the previous one In the past fifty years shopping and its associated carbon footprint has grown exponentially Berton argues that if we invented today's consumer culture then we can invent something to replace it We can do a better job of making the cycle of stuff truly circular rather than linear We can be more environmentally socially and politically conscious of what we buy and how it comes to us and where it will go after we are finished with it A species that has made shopping ubiquitous can figure all these things out with little more than co operation and creativity and by asking if it is really necessary to own it now as we have been told endlessly since childhood Must we possess a thing to enjoy it Do we really need all that stuff
