

# FREE GUIDE TO SELLING ON

*Teachers pay Teachers*

## WELCOME!

Hi Mrs. Katarina Popovic, in my professional life, I am a teacher, TpT seller and business mentor. Since starting my TpT in 2009, I have learned a LOT about selling teaching resources online and the community of teachers that are buying resources out there.

Ever found yourself on TpT wondering how much these resources are worth? I think I could do this...

I started my TpT store because I was feeling guilty about my own money on teaching resources. If I could just make \$500/month, I wouldn't need to leave the classroom. Little did I know, it would be much more than that.

At the time, I started my TpT store, I spent hours researching, listening to podcasts, webinars - anything I could do on.

But this together so you don't do the dirty work. If you're here, that you are in the right place. Success has changed my life and I'm ready. It will change yours.

Let's go.
