Long Way To Shiloh:

A Long Way to Shiloh Lionel Davidson, 1966 *From Gaelic to Romantic*, 2023-12-21 The appearance of James Macpherson's Ossian in the 1760s caused an international sensation The discovery of poetic fragments that seemed to have survived in the Highlands of Scotland for some 1500 years gripped the imagination of the reading public who seized eagerly on the newly available texts for glimpses of a lost primitive world That Macpherson's versions of the ancient heroic verse were more creative adaptations of the oral tradition than literal translations of a clearly identifiable original may have exercised contemporary antiquarians and contributed eventually to a decline in the popularity of Ossian Yet for most early readers as for generations of enthusiastic followers what mattered was not the accuracy of the translation but the excitement of encountering the primitive and the mood engendered by the process of reading The essays in this collection represent an attempt by late twentieth century readers to chart the cultural currents that flowed into Macpherson's texts and to examine their peculiar energy Scholars distinguished in the fields of Gaelic German Irish Scottish French English and American literature language history and cultural studies have each contributed to the exploration of Macpherson's achievement with the aim of situating his notoriously elusive texts in a web of diverse contexts Important new research into the traditional Gaelic sources is placed side by side with discussions of the more immediate political impetus of his poetry while studies of the reception of Ossian in Scotland Germany France and England are part of the larger recognition of the cultural significance of Macpherson's work and its importance to issues of fragmentation liminality colonialism national identity sensibility and gender *A Woman's Voice* Marcella Bakur Weiner, Blema Feinstein, 2001 *A Woman's Voice* examines the themes reflected in the stories of women in the Bible and relates these motifs directly to the lives of women today Marcella Bakur Weiner and Blema Feinstein celebrate the ideas and lessons found in traditional Jewish sources and explain their relevance for contemporary women *The Stars for a Light* Lynn Morris, 2011-09-01 She had a dream but reaching her goal seemed as dark as night Fresh from medical school in the 1860s and a woman at that the young Dr Cheney Duvall struggles to find a position She has almost given up hope when Asa Mercer turns up He wants her services to chaperone and care for two hundred brides to be on a sea voyage from New York to Washington Territory Cheney jumps at the opportunity Accompanied by an unlikely nurse Shiloh Irons Cheney finds herself facing an arduous voyage and dangers for which her medical training didn't prepare her *Shiloh's Well* Fred Sherrod, 2012-07-25 When a woman from Samaria comes to draw water at Jacob's well Jesus known prophetically as Shiloh Prince of Peace offers her an incredible gift living water All she has to do is ask which by the way still applies today Jesus explains that everyone who drinks from His well even those of questionable character like her will never be thirsty again and the water will become a spring welling up to eternal life NIV In Shiloh's Well you can read all about an overflowing abundant life that is available to all those who drink of this miraculous living water My prayer is that these pages will proclaim a clear unequivocal message of eternal hope and spiritual truth

pointing to the God who has sustained and blessed me my entire life May Shilohs Well make you smile touch your heart lead you humbly to the feet of Christ enlighten your spiritual understanding and challenge your commitment to Christian service

challenge in this modern computer age is finding a way to peak peoples curiosity especially young people about what a centuries old book has to say I have struggled to present many of the basic biblical truths in an easy to read format interesting to all ages In these pages you can find the basis for the confident beliefs and strong convictions responsible for shaping the essence of my being and guiding my choices in life Many of the key themes of the Christian life are addressed in the thirty nine chapters These include the way to salvation coping with sin spiritual growth and responsibility church life prayer faith anxiety happiness depression materialism old age death and heaven If you own a Bible you hold in your hand the very same scepter our Lord so deftly wielded against the enemy when tempted in the wilderness This kingly wand an awesome weapon and incomparable guide will protect you from the evil one and keep you safe on your journey through life But importantly you must learn how to use the Word for it to be effective Results achieved are commensurate with how well your powerful blade is brandished If you find the time to read this book and it improves your Bible skills in any significant way then my countless hours of writing will have been well spent May these pages lead you humbly to the feet of Christ enlighten your spiritual understanding and challenge your commitment to Christian service **The Map** Yasha, This is book 2 of the Tambolian Paradox book series **Finding Your Child's Way on the Autism Spectrum** Dr. Laura
