Longtime Californians A Documentary Study Of An American Chinatown:

Longtime Californians Victor Nee, Brett De Bary, 2014-10-29 Beginning with the immigrants who left poverty ridden villages in China to try for a better livelihood in America the narratives and extensive interviews of *Longtime Californians* tell the true story of the Chinese in America A young Chinese girl tells of being sold into slavery brought to America and rescued by a missionary men of Chinatown recall the awful conditions and long waits on Angel Island before being allowed into the country and remember the backbreaking experience of building the railroads that opened the West The young Chinese are also here some are angry and frustrated spending their time on street corners and in gang fights other are Marxist radicals trying to create social political and economic change in Chinatown ghetto And there are the workers who go back and forth each day to the garment factories and the shops each with his or her own story to tell each contributing his or her share to the country that is San Francisco Chinatown Throughout these and other stories the intricate patterns of Chinese life emerge as Chinese traditions and American customs combine to create the unique experience of Chinese Americans *Longtime Californians* goes beyond the hand laundries and restaurants with which Americans often associate the Chinese and unveils the secret societies the powerful family associations and the daily lives of the people of Chinatown *Longtime Californians* Victor

Nee, Brett de Bary Nee, 1986 **The Snake Dance of Asian American Activism** Michael Liu, Kim Geron, Tracy A. M. Lai, 2008-01-01 This text reinterprets a misunderstood and overlooked epoch of the Asian American experience the Asian American Movement AAM The authors argue that contrary to the common view of the movement as a passing phase limited to college youth the Asian American Movement spanned diverse political viewpoints and became increasingly sophisticated and effective Asian Americans were active participants and played unique roles in the social movements that convulsed the 1960s and 1970s particularly in protests against the Vietnam War The book traces the history of the AAM from its roots in the 1930s to the present day and its impact on diverse areas of the Asian American community Most importantly it looks at the societal and community dynamics that led to the movement's trajectory Using the lens of social movement theory it analyzes the AAM's rise and ebb and possible resurgence The authors argue that the AAM constituted a distinct identifiable and relatively stable social movement that dramatically impacted the direction of Asian American political and social activity

Chinese America, History and Perspectives ,1992 **Beauty and Business** Philip Scranton,2014-03-05 Beauty seems simple we know it when we see it But of course our ideas about what is attractive are influenced by a broad range of social and economic factors and in Beauty and Business leading historians set out to provide this important cultural context How have retailers shaped popular consciousness about beauty And how in turn have cultural assumptions influenced the commodification of beauty The contributors here look to particular examples in order to address these questions turning their attention to topics ranging from the social role of the African American hair salon and the sexual dynamics of bathing suits and shirtcollars to the deeper meanings of corsets and what the Avon lady tells us about changing American values As a whole these essays force us to reckon with the ways that beauty has been made bought and sold in modern America
