

An aerial photograph of a beach at sunset or sunrise. The ocean waves are breaking onto the shore, creating white foam. The sand is a warm, golden-brown color. The sky is not visible, but the lighting suggests a low sun. The text is overlaid on the right side of the image.

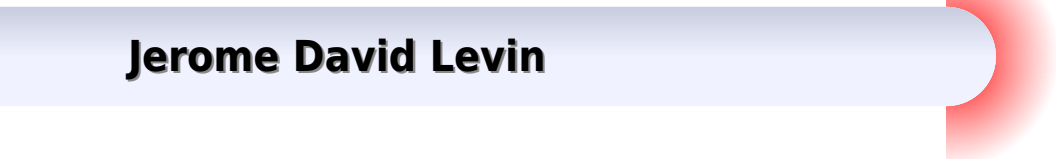

There is an instinct in a woman to
love most her own child – and an
instinct to make any child who
needs her love, her own.

Higher Education and Love Victoria de Rijke, Andrew Peterson, Paul Gibbs, 2022-01-01 This book explicitly unites the concepts of higher education and love to examine how these concepts are mutually compatible As the world of higher education moves towards the metrics of value and the worth of knowledge becomes more valued in its use rather than its discovery a crisis brews If higher education is to contribute to the wellbeing of the self and of others then the institution needs to be radically reviewed to see if and how love contributes to higher education within and beyond its walls This book addresses the core question of what would the university might be like today and into the future if the timeless notion of love was the basis of its educative process notwithstanding the material artefacts the university helps to create but also as a way of framing approaches to higher education

The Complete Novels of Jack London Jack London, 2023-12-29 The Complete Novels of Jack London compiles the rich and adventurous narratives that defined the American literary landscape in the early 20th century Known for its vivid portrayal of nature and the human spirit the collection features classics such as *The Call of the Wild* and *Martin Eden* showcasing London's hallmark realist style interwoven with elements of naturalism and socialism The writing is marked by a vigorous prose that captures the raw and often brutal struggles between man and the natural world encapsulating the zeitgeist of an era grappling with modernity and existentialism Jack London an emblematic figure of the American literary canon drew from his own tumultuous experiences including his years as a gold prospector in the Yukon and his commitment to social justice to enrich his narratives with authenticity and depth His encounters with nature's indifference and the struggles of the working class deeply influenced his storytelling allowing him to explore themes of survival individualism and the instinctual drives within humanity For readers seeking a profound exploration of life's elemental challenges and triumphs *The Complete Novels of Jack London* is not merely a collection of stories but a journey into the complexities of human nature and society This anthology serves as an essential resource for understanding the breadth of London's vision and the enduring legacy of his contributions to literature In this enriched edition we have carefully created added value for your reading experience A comprehensive Introduction outlines these selected works unifying features themes or stylistic evolutions The Author Biography highlights personal milestones and literary influences that shape the entire body of writing A Historical Context section situates the works in their broader era social currents cultural trends and key events that underpin their creation A concise Synopsis Selection offers an accessible overview of the included texts helping readers navigate plotlines and main ideas without revealing critical twists A unified Analysis examines recurring motifs and stylistic hallmarks across the collection tying the stories together while spotlighting the different work's strengths Reflection questions inspire deeper contemplation of the author's overarching message inviting readers to draw connections among different texts and relate them to modern contexts Lastly our hand-picked Memorable Quotes distill pivotal lines and turning points serving as touchstones for the collection's central themes

Journal of a Dissenter Chris Wright, 2025-01-20 This is a lengthy intellectual journal by a political radical that ranges over a variety of subjects such as Marxism capitalism history many schools of modern philosophy psychology economics and contemporary American politics It also includes quite a few personal passages but I've kept those only because they express common experiences and youthful psychological tendencies Its most useful content for students might be its many summaries of good historical and scientific scholarship especially in the journal's second half Ultimately the document is a fairly comprehensive expression of a particular society as refracted through an inquisitive and critical mind from the ages of 15 to 44

The Complete Novels of Jack London - 22 Adventure Classics in One Volume (Illustrated) Jack London, 2024-01-15 In *The Complete Novels of Jack London 22 Adventure Classics in One Volume Illustrated* readers are treated to a compendium of London's passionate exploration of the human spirit in the face of nature's raw power and societal constraints Each narrative weaves rich descriptions with a dynamic accessible prose style that invites readers into the gritty realities of life on the land and sea The collection showcases London's mastery of adventure fiction encapsulating themes of survival individualism and the struggle for identity amidst the backdrop of the American wilderness and the gold rush reflecting the anxieties and aspirations of the early 20th century Jack London an ardent socialist and seasoned adventurer had firsthand experience of the ruthless Alaskan wilderness which deeply shaped his worldview and literary voice Born in 1876 London's diverse experiences from working in a cannery to sailing on a sealing ship infused his narratives with authenticity and urgency His social advocacy is palpable in his works striking a chord with the reader and challenging the established societal norms of his time This anthology is a must read for anyone seeking to experience the thrill of adventure through compelling storytelling It offers not only dramatic escapades but also a philosophical inquiry into the human condition making it essential for both literary enthusiasts and students of American literature

Encyclopaedia of Religion and Ethics James Hastings, John Alexander Selbie, Louis Herbert Gray, 1928

One Heart One Love Pamchingla R Khayi, *One Heart One Love* by Pamchingla R Khayi is an exploration of love's spiritual and emotional dimensions and its pivotal role in human happiness The book delves into the dual nature of human emotions love which embodies patience and kindness and hate characterized by negativity and cruelty Through biblical references and personal insights Khayi discusses various types of love including divine familial and romantic love and emphasizes that all forms of love stem from a single source Khayi argues that true happiness is intricately linked to our relationship with God positing that alienation from divine love leads to spiritual and emotional voids Each chapter builds on this central theme examining how love influences every aspect of life from personal relationships and moral decisions to our ultimate fulfillment and purpose The book is both a theological treatise and a practical guide encouraging readers to cultivate a deep loving relationship with God as the foundation for all other relationships Through a blend of scriptural analysis and poignant narratives Khayi invites readers to reflect on the transformative power of love and its capacity to heal connect and restore *One Heart One Love* serves as a reminder that in

the quest for happiness and meaning love is both the journey and the destination with divine love at its core Love Is Our Final Destination Charles Clarke, III,2007-10 The heart of this thought provoking message can help readers uncover their divinely inspired purpose and drift off the shores of fear doubt and disbelief *The Unpopular Review* ,1916 **RESET: Living in God's Emotional and Instinctual Balance** Dr. Susan Grove,2024-08-19 Have you ever felt stuck Have you been praying but feel like you re not getting any traction Do you ever feel like you just need to start all over hit the reset button This book can walk you through the process of uncovering and discovering what is blocking you from living a life filled with the fruits of the Spirit With a simple chart of nineteen instincts and emotions that can get out of balance it s possible to identify key areas to recalibrate in order to claim the joy that Christ gifted us with The middle column of the chart illustrates a balanced joyful and fruitful life while the rest of the chart looks at the signs along the way that indicate we re out of balance There are key elements of our faith that can help us to move toward this balance Getting to know our Savior better Donning the full armor that God provides us with to battle our very real enemy Looking with eyes wide open at the temptation we face today Centering our lives on Christ Demystifying and using prayer A closer look at these elements can help us reset leading us to a life free of the bondage of emotions and instincts that are out of control **Slings and Arrows** Jerome David Levin,1995-04-01 Levin examines what therapists can do to help the victims of narcissistic wounds to integrate mourn and heal them He shows the nature of the injuries to each party and considers ways to minimize them since treatment itself can seem an injury to both patient and therapist *Life and Love* Margaret Warner Morley,1910 **The Collected Works** Jack London,2022-11-13 Jack London a celebrated American author known for his adventure stories wrote The Collected Works a comprehensive collection of his most famous novels short stories and essays Filled with vivid descriptions of the natural world and deep insights into the human condition London s literary style is characterized by his powerful prose and social commentary The rich literary context of his works reflects the themes of survival struggle and the innate wildness of humanity making this collection a must read for fans of classic literature London s timeless stories continue to resonate with readers of all ages captivating them with tales of courage determination and the harsh realities of life in the wilderness The Collected Works is a literary masterpiece that showcases London s talent for storytelling and his enduring impact on American literature **Leadership is a Matter of Life and Death** A. Carr,Cheryl A. Lapp,2006-04-27 This work offers a psychodynamic insight into Thanatic behaviours and considers the implications for organizational studies To further inform organizational leadership theory and praxis there is a requirement to uncover the origins of these destructive behaviours which the authors believe reside in the realm of the unconscious
