Love At First Light Postard:

First Light Charles Baxter, 2012-02-14 As two grown siblings explore their complicated history over one hot Fourth of July weekend they come to terms with the experiences that put such distance between them and discover the imperfect love that ties them from the winner of the PEN Malamud Award and one of our most gifted writers Chicago Tribune Hugh Welch has cared for his little sister Dorsey ever since they were children when Dorsey looked at him as though he were a god But when Dorsey returns to their small Michigan hometown with a successful career as an astrophysicist and a happy family life Hugh who has a long habit of worrying about his sister realizes that it s his own life he has to cure not Dorsey s *Postcards From*

First Light Mark Hayhurst, 2016-08-19 Now Tonight Before we re sent back to the front Take every bit of money you got Ditch everything else July 1916 Albert Ingham and Alfred Longshaw are crouched in a muddy rat infested trench in France These sharp and funny young soldiers from a battalion of the Manchester Pals are about to take part in one of the most savage assaults in the history of human warfare The Battle of the Somme Their survival is a miracle Their company has lost 600 men Overwhelmed by the sheer horror of the experience neither of them dare stare extinction in the face again So when they are ordered to transfer to the Machine Gun Corps and return to the blood soaked front line they decide for the first time in their young lives to take their fragile destiny in their own trembling hands But becoming a deserter that most embarrassing and shameful sort of fighting man takes more courage than they ever knew they had Mark Hayhurst s play is a gripping thriller that exposes the impact of the First World War on soldiers and their families It follows his acclaimed debut at Chichester Festival Theatre with *Taken at Midnight* in 2014 which transferred to the West End the following year *First Light* received its world premiere at Chichester s Minerva Theatre on 10 June 2016 **First Light** Robert

smoggy streets and shared bonhomie over a steaming kettle *Postcard from Hell* Michael Kilian, 2015-09-29 A back alley murder carries Andr Derain from the streets of New Orleans to the sun drenched hell of the Cayman Islands It s quiet in the Garden District and Andr Derain can t sleep After a lifetime as a fashion photographer in New York and the French Quarter he needs noise excitement action and he s about to get more than he can handle A call comes in from the New Orleans homicide department tipping Derain off to a grisly shooting on Tchoupitoulas Street He grabs his camera and charges out the door The night has just begun The victim was the pretty boy son of a local gangster who flies into a rage when Derain tries to sell the crime scene photos to the local tabloids With the entire criminal underworld of New Orleans at his throat Derain is desperate for a vacation He ll have to settle for a very deadly trip to the Caribbean *Postcard from Hell* is the 2nd book in the Andy Derain Mysteries but you may enjoy reading the series in any order *Your Father's Voice* Lyz Glick, Dan Zegart, 2013-09-17 It seemed like just plain bad luck On September 11 2001 Jeremy Glick boarded United Flight 93 only because a fire at Newark Airport had prevented him from flying out the day before That morning he called his wife Lyz to tell her the plane had been hijacked and that he and a group of others were going to storm the cockpit an effort that doomed Glick and his fellow passengers yet doubtless saved lives on the ground and instantly became known worldwide as a heroic moment of resistance But Lyz wanted the couple s daughter Emmy only three months old when the plane crashed to learn much more of her father s story than just the ending *Your Father's Voice* narrates Lyz s struggle to come to grips with her husband s death in a series of letters from Lyz to Emmy that give a wrenching but clear eyed account of Lyz s first years without Jeremy The letters also portray the rebellious but charismatic star athlete who became Lyz s high school sweetheart a national collegiate judo champion and finally her husband We see Lyz s medical ordeal as she tries to bring Emmy into the world Jeremy s tender nurturing of the premature baby and the agony of his final telephone call from the ill fated plane But it is during the first frantic months after the terrorist attack as she fends off the media and fights to get the truth about what happened on Flight 93 that Lyz realizes that she and Jeremy are still deeply connected that his love for her and Emmy endures and teaches Soon Lyz can write to Emmy that she believes it was destiny not luck that put a world class martial artist like Jeremy on an airplane with other men and women who were also determined to fight back Through it all Lyz pragmatically details the challenges of a single parent raising a daughter in the aftermath of horrific tragedy and urges Emmy to listen for what Lyz can still hear when the wind is right her father s voice **Postcards From Last Summer** Roz Bailey, 2013-10-15 Darcy Tara and Lindsay are the best of friends who reconnect every summer for a few weeks of catching up and living easy The summertime is anything but boring for these three strong women who indulge in the best of what s in season romance excitement and the time of their lives *The Book of Love* Kathleen McGowan, 2012-12-11 Once there was a gospel written in Christ s own hand a treasure of almost unimaginable magnitude referred to by the Cathars of medieval France as *The Book of Love* Fresh from her successful search for the long hidden scrolls written by Mary Magdelene

journalist Maureen Pascal now finds herself on the trail of the legendary lost gospel known as the Book of Love But just as there were those who would stop at nothing to seize and suppress the Book of Love seven centuries ago so there are those today who are equally determined that its radical message should never be revealed In a race across Italy and France new dangers await Maureen and her lover Sinclair as they begin to uncover secrets and shine new light on the hidden corners of Christianity Combining expert research with dazzling plot twists The Book of Love is sure to thrill readers as they follow Maureen s search for clues through some of the world s greatest art architecture and history until a potentially fatal encounter reveals the Book of Love to her and to us

Postcards from the Road Jonathan Day,2014-05-01 Walker Evans said in his 1958 introduction to Robert Frank s The Americans For the thousandth time it must be said that pictures speak for themselves wordlessly visually or they fail The images revolutionized post war American photography With their candid images of men and women from all classes and walks of life the photographs presented a very different story than that portrayed by the wholesome caricature of midcentury prosperity pervading American photography at the time Although initially dismissed by his peers for his pioneering work Frank was ultimately credited with changing the course of the art form and his photography holds a secure status in the history of twentieth century art And he did all this without words It seems appropriate then and not a little overdue that Jonathan Day has created a book that expounds explores and examines Frank s work pictorially Taking Frank s iconic images as his point of reference Day shot new photographs that commented on the road and contemporary America Here these images are paired with critical commentary that details the aspects of the work that are visually expounded and explained in Day s complementary images A visual entryway to the photographs and themes of this iconic book in the history of photography Postcards from the Road represents an innovative carefully considered departure from standard photographic textbooks
