We make a lifetime commitment. We work through life's ups and downs. But how do we cope with the discovery that our mate has lost his/her soul to the consuming power of multiple addictions? When an addictive personality lusts for sex, power, money, or an exaggerated sense of importance, how do we win him/her back? *Love Over Lust* is a true story. The stage is set as Mike decides to reinvolve himself with his addictive chemical of choice, alcohol. Mike and Karen are going through a stressful period in their lives. Mike's addictive personality is activated as he progresses from social drinking to daily drinking to out-of-control behaviors, beginning with pornography and escalating into a costly relationship with a nude dancer. The seductive nature of sexual lust nearly destroyed their 14-year marriage. As Mike's secrets are uncovered, *Love Over Lust* tells the story of Karen Valiant's mission to understand and overcome the chaotic events in their lives. India *Married a Virgin* Rutendo Samantha Nazitwere,2016-02-29 At a young age the Lord told me that I would write books and that my first book would be a testimony of how the Lord helped me to get married a virgin he said it was going to be my duty to tell other ladies to walk in purity because that is what he desires for them all At that age I did not even know I would get married a virgin but anything the Lord says comes to pass Married a Virgin hopefully will help young women understand why the Lord desires us to walk in purity and resist the lusts of the flesh 1 john 2 16 A lot of young people today have multiple sexual partners and they do not understand that they are sinning against their own bodies and in the process forming ungodly soul ties Children as young as 10 are sexually active because society does not dispute immorality Engaging in sexual activity is actually viewed as a norm As a counselor I have spoken to a lot of young children and this is their view The social media movies and music portray sex in various forms thereby creating curiosity to explore sex at a premature age Guidance counsel and advice are therefore important in a young persons life Corinthians 6 18 says Keep on running away from sexual immorality Any other sin that a person commits is outside his body but the person who sins sexually sins against his own body There are many Christian women who are struggling with sex outside marriage but the Lord Jehovah is willing to forgive those who truly repent and change their lifestyles God showed me a vision that made me understand the dangers of having sex outside of marriage in this generation A lot of immorality is taking place in the world today I do not think I am better than anyone else but my goal is to help people understand the importance of abiding by Gods commandments **The Scientific American Book of Love, Sex and the Brain** Judith Horstman,Scientific American,2011-11-15 Who do we love Who loves us And why Is love really a mystery or can neuroscience offer some answers to these age old questions In her third enthralling book about the brain Judith Horstman takes us on a lively tour of our most important sex and love organ and the whole smorgasbord of our many kinds of love from the bonding of parent and child to the passion of erotic love the affectionate love of companionship the role of animals in our lives and the love of God Drawing on the latest neuroscience she explores why and how we are born to love how we re hardwired to crave the companionship of others and how very badly things can go without love Among the findings parental love makes our brain bigger sex and orgasm make it healthier social isolation makes it miserable and although the craving for romantic love can be described as an addiction friendship may actually be the most important loving relationship of your life Based on recent studies and articles culled from the prestigious Scientific American and Scientific American Mind magazines The Scientific American Book of Love Sex and the Brain offers a fascinating look at how the brain controls our loving relationships most intimate moments and our deep and basic need for connection **The Globalization of Addiction** Bruce K. Alexander,2008-07-03 The Globalization of Addiction presents a radical rethink about the nature of addiction Scientific medicine has failed when it comes to addiction There are no reliable methods to cure it prevent it or take the pain out of it There is no durable consensus on what addiction is what causes it or what should be done about it Meanwhile it continues to increase around the world This book argues that the cause of this

failure to control addiction is that the conventional wisdom of the 19th and 20th centuries focused too single mindedly on the afflicted individual addict Although addiction obviously manifests itself in individual cases its prevalence differs dramatically between societies For example it can be quite rare in a society for centuries and then become common when a tribal culture is destroyed or a highly developed civilization collapses When addiction becomes commonplace in a society people become addicted not only to alcohol and drugs but to a thousand other destructive pursuits money power dysfunctional relationships or video games A social perspective on addiction does not deny individual differences in vulnerability to addiction but it removes them from the foreground of attention because social determinants are more powerful This book shows that the social circumstances that spread addiction in a conquered tribe or a falling civilisation are also built into today s globalizing free market society A free market society is magnificently productive but it subjects people to irresistible pressures towards individualism and competition tearing rich and poor alike from the close social and spiritual ties that normally constitute human life People adapt to their dislocation by finding the best substitutes for a sustaining social and spiritual life that they can and addiction serves this function all too well The book argues that the most effective response to a growing addiction problem is a social and political one rather than an individual one Such a solution would not put the doctors psychologists social workers policemen and priests out of work but it would incorporate their practices in a larger social project The project is to reshape society with enough force and imagination to enable people to find social integration and meaning in everyday life Then great numbers of them would not need to fill their inner void with addictions

Soulcraft Douglas D. Webster,1999 This special book by Douglas D Webster reveals how God molds us into the people he wants us to be as we work and play and cry and laugh with each other in the daily grind of life

A Heart That Worships Tamara D. Hardy,2022-06-30 God is after your heart He wants heart to heart fellowship with you whether you know it or not You see to worship God is to fellowship with Him talk to Him and get to know Him We were created to worship God and our soul longs for a relationship with Him Until we discover that truth there will always be something missing in our lives People try to fill the void in their life through money work relationships fame or fortune However nothing will be able to satisfy and fulfill that longing but God That is because we are so much more than our physical body and personality soul We also possess a spirit just as God our creator is a spirit Our spirit was created so that God could dwell in us A Heart That Worships articulates the heart of God and why he so passionately wants a relationship with you He wants you to know what you mean to him and why he would send his only son Jesus to die on the cross for you Step by step this book will guide you as you walk the path of cultivating a heart that worships

[The Power of the Blood Covenant](#) Malcolm Smith,2006-08-15 Is it possible that one message exists that has not been fully realized by the Christian market at large but its implications posses the power to transform the Body of Christ in the twenty first century Unraveling the Mystery of God s Eternal Oath is that message If you are searching for more meaning in your Christian walk you will be
