Esau,2024-02-20 Many decades before Ted Bundy roamed the country there was serial killer Earle Nelson During the 1920s this geographically mobile killer went from city to city His modus operandi involved getting into a house by pretending to be a person looking for a room to rent or inspecting a house that was for sale and then strangling the landlady often followed by having sex with the dead body Robbery was frequently a secondary motive After Nelson was captured in Canada in 1927 it was commonly reported that he had killed 21 women and a baby during the 1926-27 period But were these the only cases linked to him The author examines an additional nine unsolved murders of landladies two of which have never been dealt with in previous literature Based on decades of archival research the author examines all 31 murders relying on

primary sources when available and a wide variety of secondary sources For each murder the book provides biographical sketches of the victim outlines the police investigation and the various suspects and covers any subsequent attempts to link Nelson to the crime by identification evidence of witnesses or by fingerprints *Mimi* Lucy Ellmann,2014-01-01 It s Christmas Eve in Manhattan Harrison Hanafan noted plastic surgeon falls on his ass So far so good Ya can t sit there all day buddy looking up people s skirts chides a weird gal in a coat like a duvet Mimi She kindly conjures for him the miracle of a taxi Recuperating in his apartment with Schubert Bette Davis and a foundling cat Harrison adds items to his life s work a List of Melancholy Things Walmart puppetry Velcro whale eyes shrimp eating contests But when he receives a dreaded invitation to address his old school Mimi reappears with all her curves and chaos She and Harrison fall emphatically in love And as their love making reaches a whole new kind of climax the sweet smell of revolution is in the air **I, Anatolia and Other Plays** Talat S. El-Shamy,1995 Modern: Genius, Madness, and One Tumultuous Decade That Changed Art Forever Philip Hook,2022-04-19 A revelatory fast paced account of the most exciting frenzied and revolutionary decade in art history 1905 to the dawn of World War I in 1914 and the avant garde artists who indelibly changed our visual landscape Modern begins on a specific day March 22 1905 at a specific place the Salon des Ind pendants in Paris where works of art we recognize as modern were first exhibited Drawing on his forty five year fine art career author Philip Hook illuminates how this new art came to be and how truly shocking it was With Hook s expert guidance we witness movement upon movement that burst forth in dizzying succession Fauvism Expressionism Primitivism Symbolism Cubism Futurism and Abstract art As Hook barnstorms across Europe to London Germany Moscow

Scandinavia and everywhere modern art was being made his vivid accounts breathe new life into the work and times of Picasso Matisse Modigliani Kandinsky Malevich Klimt Schiele Munch and nearly two hundred other artists who painted sculpted and exhibited alongside them and whose collective genius was understood and appreciated by few at the time Hook reconsiders the decade from a series of fresh angles What was the conventional art against which Modernism sought to rebel Why were avant garde artists so self obsessed What persuaded a few bold collectors to buy difficult modern art And why did others pay so much money for Old Masters at the same time Modern helps us answer these questions and more and to see how avant garde artists marshaled their genius and oftentimes their madness to create works of such profound consequence they still reverberate today and which taken together made for a movement more influential than even the Renaissance
